### The Last Leaf Harlequin

Who said love makes life lively, When love is the one that makes lives miserable too? Is it too difficult for two people to fall in love, irrespective of social boundaries? Or is it just too difficult for their families to approve of their relationship? Amaya and Raghav, inseparably in love with each other, fight their way through hard times to get their marriage approved. Lose your emotions to their heart-touching story and connect it to yours. As you read on, discover the weak points in your love life, so that you can make the most of it.

### Lord of the Flies Notion Press

Sudden, extreme deaths have always fascinated us-- and now more than ever as athletes and travelers rise to the

challenges of high-risk sports and journeys on the edge. In this spellbinding book, veteran travel and outdoor sports writer Peter Stark reenacts the dramas of what happens inside our bodies, our minds, and our souls when we push ourselves to the absolute limits of human endurance. Combining the adrenaline high of extreme sports with the startling facts of physiological reality, Stark narrates a series of outdoor adventure stories in which thrill can cross the line to mortal peril. Each death or brush with death is at once a suspense story, a cautionary tale, and a medical thriller. Stark describes in unforgettable detail exactly what goes through the mind of a cross-country skier as his body temperature plummets-- apathy at ninety-one degrees, stupor at ninety. He puts us inside the body of a doomed kayaker tumbling helplessly underwater for two minutes, five minutes,

ten minutes. He conjures up the physiology of a snowboarder frantically trying not to panic as he consumes the tiny pocket of air trapped around his face under thousands of pounds of snow. These are among the dire situations that Stark transforms into harrowing accounts of how our bodies react to trauma, how reflexes and instinct compel us to fight back, and how, why, and when we let go of our will to live. In an increasingly tamed and homogenized world, risk is not only a means of escape but a path to spirituality. As Peter Stark writes, "You must try to understand death intimately and prepare yourself for death in order to live a full and satisfying life." In this fascinating, informative book, Stark reveals exactly what we're getting ourselves into when we choose to live-- and die-- at the extremes of endurance.

 Joyce Carol Oates's prize-winning story "Where Are You Going, Where Have You Been?" takes up troubling subjects that continue to occupy her in her fiction: the romantic longings and limited options of adolescent women; the tensions between mothers and daughters; the sexual victimization of women; and the American obsession with violence. Inspired by a magazine story about a serial killer, its remarkable portrait of the dreamy teenager Connie has made it a feminist classic. Connie's life anticipates the emergence of American society from the social innocence of the fifties into the harsher contemporary realities of war, random violence, and crime. The story was the basis for the movie *Smooth Talk*, which became the subject of much feminist debate. This casebook includes an introduction by the editor, a chronology of Oates's life, and authoritative text of "Where Are You Going, Where Have You Been?" an essay by Oates on *Smooth Talk*, the original *Life* article about the serial killer, ten critical essays (including two about the film), and a bibliography. The contributors are Brenda O. Daly, Christina Marsden Gillis, Don Moser, Tom Quirk, B. Ruby Rich, R.J.R. Rockwood, Larry Rubin, Gretchen Schultz, Marie Mitchell Oleson Urbanski, Joyce M. Wegs, and Joan D. Winslow. Elaine Showalter is Avalon Foundation Professor of Humanities at Princeton University. She is the author and editor of many books on women's writing, including *Sister's Choice: Tradition and Change in American Women's Writing*. A volume in the *Women Writers: Texts and Contexts Series*.

 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the

hope of adventure seems as far removed from reality as the hope of being rescued.

The book is the story of a school going kid of 11 years who thinks Abdul Kalam as his mentor. The journey of the boy in the book is all about exploring about the missile man. Later at the age of 16, he tends to start an adventure travel in to the lifeline of Kalam since a kid till his last days. The book is a fantasy fiction with lots of emotions shown towards a person whom the boy in the story considers as his mentor. The book gives lots of information about Kalam's literary works. This is not a mere book with a story but the journey of a successful human through whose teachings young children can have an idea of laying path to their golden future. Some Reviewer's Verdicts: 1. Though a simple book, this has ample amounts of necessary information about the great man 'Abdul Kalam'!!! A must read for an young Indian. 2. If you are feeling low in your life then this book is for you. It is a story of an eleven years old boy who goes on exploring Dr.APJ Abdul Kalam. All the best to this young author, Eshan. It's a wonderful start. The book is a must read for each and every youth. 3. First and foremost what I liked is the concept of the plot when most of student of your age come with a over fried love story you have

really engrossed the readers through the uniqueness of the plot. Secondly the language and vocabulary was really good taking on account of readers of every age group. And I must say it's a great going for a kid of only 16. Wonderful! 4. A book to change your perception towards life. You get moved. Moved by knowing about the life and thoughts of Kalam, moved by the feelings of a 12 year old kid to a 16 year old teenager, and by the fact that such complex matter can be explained with such simplicity, yet with such grace. You are a different person when you finish the last page. 5. *The Teacher I Never Met* by Eshan Sharma is a book based on the life of late Bharat Ratna Dr. APJ Abdul Kalam. I must say it is really very well written. And the cover of the book too looks Professional, classy and attractive. A young Author of 17 has done a commendable work at a very young age. I would rate this book a perfect 5. 6. Way of writing is very interesting and simple. Chapters are arranged systematically, thus giving wonderful experience while reading. 7. Awesome masterpiece ! A must buy book. □ If somebody's seeking for true inspiration, the book serves it all .Hats off to the author of this book.Loved it ! Happy reading ! 8. "It really inspired me and the way of narration, dragged me to read it in one go. The book is going to inspire the youths" 9. "You have kept the language simple, that's make it readable." 10. "your simplistic approach and the clarity of idea conveys the beautiful message that you want to convey." 11. "I am simply moved. It's very well written! Being a teenager it has inspired me a lot." 12. " I just want to say that "I am Motivated". The way you narrate the story with your own experiences, it is awesome. " Best Wishes: "At this very young age of 17 , you have drafted your love for this great scientist and teacher of the universe in a book which is the living example of his blessings and love to the children." - Saurabh Pandey, Director, India Think Council "It is wonderful to hear that you have written a novel about the late Dr. Abdul Kalam even while you are still at school. I wish you the best of luck on all your literary adventures." -Padma Vibhushan Roddam Narasimha "I am glad to see your email and to know about your remarkable creative abilities. You have chosen a remarkable person to write about." - Padma Vibhushan Prof.CR Rao "You will inspire thousands of minds - both young and old - across the globe, through this book. The teachings of the teacher you never met are indeed embedded in the core of your heart like a glowing flame. You deserve commendation for your

brilliant piece of creative work."- Padma Shri Prof.Ajoy K Ray, Director IEST Shibpur

**The Giver** Bloomsbury Publishing  
 It was a simple incident in the life of James Clavell—a talk with his young daughter just home from school—that inspired this chilling tale of what could happen in twenty-five quietly devastating minutes. He writes, "The Children's Story came into being that day. It was then that I really realized how vulnerable my child's mind was —any mind, for that matter—under controlled circumstances. Normally I write and rewrite and re-rewrite, but this story came quickly—almost by itself. Barely three words were changed. It pleases me greatly because I kept asking the questions... Questions like, What's the use of 'I pledge allegiance' without understanding? Like Why is it so easy to divert thoughts? Like What is freedom? and Why is so hard to explain? The Children's Story keeps asking me all sorts of questions I cannot answer. Perhaps you can—then your child will...."

*The Forty Rules of Love* HarperCollins  
 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself

a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

 In an unnamed Third World country, in the not-so-distant future, three "dumpsite boys" make a living picking through the mountains of garbage on the outskirts of a large city. One unlucky-lucky day, Raphael finds something very special and very mysterious. So mysterious that he decides to keep it, even when the city police offer a handsome reward for its return. That decision brings with it terrifying consequences, and soon the dumpsite boys must use all of their cunning and courage to stay ahead of their pursuers. It's up to Raphael, Gardo, and Rat—boys who have no education, no parents, no homes, and no money—to solve the mystery and right a terrible wrong. Andy Mulligan has written a powerful story about unthinkable poverty—and the kind of hope and determination that can transcend it. With twists and turns, unrelenting action, and deep, raw emotion, *Trash* is a heart-pounding, breath-holding novel.
