illustrations of a toddler and a teddy bear who declare "I love you through and through!" I love your hair and eyes, Your giggles and cries...A toddler and his teddy bear illustrate a young child's happy side, sad side, silly side, mad side, and more! Babies and toddlers will feel loved all over when they hear this declaration of adoration and affection. A perfect first book for toddlers with sturdy cardstock

pages and a padded cover with rounded corners for safe handling by little ones. I Love You, Little One Scholastic Reference "The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson

about gift-giving, it has been popular for adaptation, especially for presentation at Christmas time. *I Forgot to Say I Love You* Harper Collins Join Mommy Bear and Little Bear on a beautiful journey of love and discovery! humans, and even drive self-driving cars? Shane delivers the answers to every AI question you've ever asked, and some you definitely haven't. Like, how can a computer design the perfect sandwich? What does robot-generated Harry Potter fan-fiction look like? And is the world's best Halloween costume really "Vampire Hog Bride"? In this smart, often hilarious

introduction to the most interesting science of our time, Shane shows how these programs learn, fail, and adapt—and how they reflect the best and worst of humanity. *You Look Like a Thing and I Love You* is the perfect book for anyone curious about what the robots in our lives are thinking. "I can't think of a better way to learn about artificial intelligence, and I've never had so much

fun along the way." —Adam Grant, New York Times bestselling author of *Originals*
A Series of Unfortunate Events: The Blank Book
 University of Texas Press
 Families will enjoy reading this sweet story about a parent's ever-growing love for their child in this book with rhyming text and beautiful illustrations. This small, padded board book is the perfect size for little hands and is a wonderful gift

for parents and their babies. A precious love poem written from parent to child, I'll Love You More is a sweetly illustrated board book that will melt hearts. Parents will enjoy sharing these reminders of the special moments they share with their little ones as they grow up. I'll Love You More includes space on the inside front cover to write a personal message in this keepsake book that is a

gift to be treasured. I Love You Like Sunshine Simon and Schuster My child. I am not always with you as much as I'd like. But you are always in my mind and my heart. Some families look different than others. A father who doesn't live full-time with his son tells him all the ways he misses and loves him. I Love You More Than ... by Taye Diggs, illustrated by Shane W. Evans, is perfect for

families who are separated, whatever the circumstances . Its message of love underscores the bond between parent and child in ways that little ones will understand. *I Love You the Purplest* NorthSouth Books A book of blank pages for writing personal observations in the spirit of "A series of unfortunate events" by Lemony Snicket. *I Love You Forever and a Day* Quirk

**If You're
City, If
You're

Vintage
A deeply-
reported
examination
of why "doing
what you
love" is a
recipe for
exploitation,
creating a new
tyranny of
work in which
we cheerily
acquiesce to
doing jobs
that take over
our lives.
You're told
that if you "do

what you love,
you'll never
work a day in
your life."
Whether it's
working for
"exposure"
and
"experience,"
or enduring
poor
treatment in
the name of
"being part of
the family," all
employees are
pushed to
make
sacrifices for
the privilege
of being able
to do what we
love. In *Work
Won't Love
You Back*,
Sarah Jaffe, a
preeminent
voice on labor,
inequality,
and social
movements,
examines this

"labor of love"
myth—the
idea that
certain work is
not really
work, and
therefore
should be
done out of
passion
instead of pay.
Told through
the lives and
experiences of
workers in
various
industries—from
the unpaid
intern, to the
overworked
teacher, to the
nonprofit
worker and
even the
professional
athlete—Jaffe
reveals how
all of us have
been tricked
into buying
into a new
tyranny of

work. As Jaffe
argues,
understanding
the trap of the
labor of love
will empower
us to work
less and
demand what
our work is
worth. And

once freed
from those
binds, we can
finally figure
out what
actually gives
us joy,
pleasure, and
satisfaction.
