The Real History of the
Rosicrucians Founded on
Their Own Manifestoes
Simon and Schuster

This scholarly work traces the mysterious Fraternity of the Rosy Cross, from its inception upon the discovery of Father Christian Rosenkreuz's perfectly preserved body in a seven-sided vault to present-day organizations in America. McIntosh

includes a survey of Rosicrucianism in America, exploring the latter day survivals of Bacon's New Atlantis. Perfect for students of the Western Mystery tradition who want an introduction to Rosicrucianism, with good resources for further

study.

The Rosicrucian Enlightenment

Revisited Weiser Books

An exploration of how Jules Verne used his writings to encrypt important Masonic and Rosicrucian secrets and sacred symbolism • Investigates Verne's connections to the prominent secret societies of his time: Freemasons, Golden Dawn, Angelic Society, and Rosicrucians • Reveals how certain of Verne's works hold the key to deciphering the Rennes-le-Château

mystery • Explores Verne's relations with other authors whose works reveal similar esoteric influence: George Sand, Gaston Leroux, Bram Stoker, and Maurice Leblanc Prolific author and pioneer of the science fiction novel, Jules Verne also possessed a hidden side that was encrypted into all his works--his active participation in the occult milieu of late-nineteenth-century France. Among the many esoteric secrets to be found are significant clues to the Rennes-le-Château

mystery, including the location of a great treasure in the former Cathar region of France and the survival of the heirs to the Merovingian dynasty. Verne's books also reveal Rosicrucian secrets of immortality, and some are constructed, like Mozart's *The Magic Flute*, in accordance with Masonic initiation. The *passpartout* to Verne's work (the skeleton key that is also the name of Phileas Fogg's servant in *Around the World in Eighty Days*) lies in the initiatory

language he employed to inscribe a second or even third layer of meaning beneath the main narrative, which is revealed in his skilled use of word play, homonyms, anagrams, and numerical combinations. The surface story itself is often a guide that tells the reader outright what he or she should be looking for. Far from innocuous stories for children, Verne's work reveals itself to be rich with teachings on symbolism, esoteric traditions, sacred geography, and the secret

history of humanity.

The Rosicrucians Simon and Schuster

The author, a former high ranking Rosicrucian and prolific author on the subject for many years, reveals the true history of the Rosicrucian order.

Explore some of the world's most ancient mystical secrets, what they really mean, and why they were preserved for centuries by the Rosicrucians.

[The Chemical Wedding of Christian Rosenkreutz](#)

Routledge

Egyptomania takes us on

a historical journey to unearth the Egypt of the imagination, a land of strange gods, mysterious magic, secret knowledge, monumental pyramids, enigmatic sphinxes, and immense wealth. Egypt has always exerted a powerful attraction on the Western mind, and an array of figures have been drawn to the idea of Egypt. Even the practical-minded Napoleon dreamed of Egyptian glory and helped open the antique land to explorers. Ronald H. Fritze goes beyond art and

architecture to reveal Egyptomania's impact on religion, philosophy, historical study, literature, travel, science, and popular culture. All those who remain captivated by the ongoing phenomenon of Egyptomania will revel in the mysteries uncovered in this book. *The Shining Ones* Simon and Schuster It has been said that Rosicrucians possess the secrets of Man, God, and Nature, that they can turn lead into gold, that they govern Europe in secret, that they enjoy the elixir

of life, that theirs is the true philosophy of Freemasonry, and that they can save or destroy the world. Most amazing of all perhaps is the Rosicrucian vision of an invisible, inviolable, and utterly secret body, the Hidden Guardians of the planet. Only they, it is alleged, possess the true key to understanding the spiritual and material essence of all religion. The story of how a young German nobleman, Christian Rosycross, escaped his boring cloister and sped to the

east in search of wisdom about a century before Columbus sailed west, has been told many times since it first appeared in a booklet in 1614. The Fama Fraternitatis, the document in which the story first appeared, has been taken for historical fact. Never was there a story more controversial or more mysterious to tell. ROSICRUCIANISM AND MODERN INITIATION Weiser Books "The Brotherhood of the Rosy Cross - A History of the Rosicrucians" is Arthur Edward Waite's study of

the elusive Rosicrucians, a secret society which first appeared to the public in Germany in the early 17th century. Arthur Edward Waite (1857 - 1942), more commonly referred to as A. E. Waite, was an American-born British mystic and poet. He wrote profusely on the subject of the occult and esoteric matters, and is famous for being the co-creator of the Rider-Waite Tarot deck. His work arguably constitutes the first attempt to systematically study the history of western

occultism, which he viewed more of a spiritual tradition than proto-science or pseudo-religion, as was the more common conception. Contents include: "Mythical Rosicrucian Precursors", "Militia Crucifera Evangelica", "Alchemists And Mystics Symbolism", "Of The Rose And Cross", "Fama Fraternitatis R C", "Confessio Fraternitatis R C", "The Chemical Nuptials", "Authorship Of The Chemical Nuptials", "Development Of Rosicrucian Literature",

etc. Other works by this author include: "The Alchemical Writings of Edward Kelly" (1893), "Turba Philsophorum" (1894), and "Devil-Worship in France" (1896). Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork. **The Velikovsky Heresies** tradition An exploration of the

influence of secret societies on the formative documents and symbols of the United States • Reveals the Founding Fathers' spiritual vision for America as encoded in the Great Seal • Traces the influence of the Iroquois League of Nations upon the Constitution • Exposes the deep connections the Founding Fathers had with the Freemasons and other secret societies All children growing up in America learn who the Founding Fathers were. Most, however, never

learn of the founders' connections to the Freemasons, the Rosicrucians, and other esoteric orders. In Founding Fathers, Secret Societies Robert Hieronimus investigates these important connections and how their influence can be traced throughout our most significant national documents and symbols, especially the Great Seal. He reveals in detail how the reverse of the Great Seal--which appears on the back of the one-dollar bill--is a blueprint that

conveys the secret destiny of America. By understanding the kabbalistic meaning of the Great Seal's reverse, he shows how our current era presents unique opportunities for the fulfillment of our Founding Fathers' spiritual vision. Liber Kaos Weiser Books In 1995, to honor the role of Central Europe in the spiritual history of the West, the New York Open Center invited students of Rosicrucianism and the Western Mystery traditions to the Czech Republic to discuss the

historical backgrounds of Rosicrucianism. Two years later a second meeting was held in Prague to celebrate the Hermetic world of Rudolf II. The result is this book: in which John Matthews addresses the relationship between the Grail and the Rose; Christopher Bamford speaks of the prehistory of the Rosicrucian reformation in the late Middle Ages-- among women mystics, alchemists, Cathars, Franciscan spirituals, as well as in Luther and the great Paracelsus; Nicholas

Goodrick-Clarke tells the wild tale of John Dee's mission to central Europe; Joscelyn Godwin unfolds the paradigmatic Rosicrucian life of Michael Maier; Claire Goodrick-Clarke recounts influence of Comenius; Paul Bembridge speaks of Rosicrucian Resurgence at the Court of Cromwell; Robert Powell describes the roles of Tycho Brahe, Johannes Kepler, and Rudolf II; and Christopher McIntosh speaks of the Rosicrucian Legacy. Also included are the texts of the two Rosicrucian

Manifestos--the Fama and the Confessio. Illustrated. *Invisibles* Destiny Books His most enduring claim to fame is the crucial role he played in the transformation of spiritualism, a medium's passive reception of messages from the spirits of the dead, into occultism, the active search for personal spiritual realization and inner vision.

Complete History of the Rosicrucian Order

Springer

Many of the earliest books, particularly those

dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Hesperides Press are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The Cambridge Handbook of Western Mysticism and Esotericism Weiser Books
The Secret Doctrine of the Rosicrucians is one of the many titles attributed to William Walker Atkinson writing under a pseudonym. The book presents the history and

background of the Rosicrucians, a mystical brotherhood which uses Christian symbology to communicate otherworldly ideas and meanings. Atkinson, writing as Magnus Incognito, supplies a guide to the beliefs and teachings of the brotherhood, including how to ascend to higher planes, sexual satisfaction as spiritual enlightenment, and the meaning behind auras. Interestingly, much of the Rosicrucians is taken verbatim from another

Atkinson work The Arcane Teachings. MAGNUS INCOGNITO is an alias and pen name of American writer WILLIAM WALKER ATKINSON (1862-1932). He only used the pseudonym once, obviously wishing to emphasize the writer's anonymity. Atkinson was editor of the popular magazine New Thought from 1901 to 1905, and editor of the journal Advanced Thought from 1916 to 1919. He authored dozens of New Thought books under numerous pseudonyms,

including "Yogi," some of which are likely still unknown today.

A Rosicrucian Notebook
Cosimo, Inc.

An advanced course in the practice of chaos magic written by one of its most respected practitioners—in a newly revised and expanded edition. Peter J. Carroll—renowned writer and practitioner of chaos magic—offers a remarkably clear presentation of the practice of chaos magic. His approach combines methods from

shamanism, paganism, and chaos science. Liber Kaos includes: a selection of extremely powerful rituals and exercises for committed occultists instructions that lead the reader through new concepts and practices of chaos magic a magical training course for the individual or for groups, with details of the author's magical order instructions for carrying out the essential rituals of chaos magic a fresh look at aeonics, cosmogenesis, auric magic, and shadow time, as well as the

technical aspects of spells and equations Originally published by Weiser Books in 1992, this new edition is substantially revised and updated and includes new, previously unpublished material.

True and Invisible
Rosicrucian Order Book Tree

'Steiner has been able to clarify the historical reality behind the Rosicrucian story, with all its aura of glamour and fantasy. That effected, he points to the enormity of its vision for the future evolution of ideas...' - Dr

Andrew Welburn (from the Introduction) In the immediate aftermath of the 'Mystery-act' of the Christmas Foundation Conference, Rudolf Steiner chose to speak on the subject of 'Rosicrucianism and Modern Initiation, Mystery Centres of the Middle Ages'. Clearly connected to the events that had just taken place in Dornach - in which he not only refounded the Anthroposophical Society but took a formal position within it - Steiner begins by exploring the

intellectual life of the Middle Ages and the role that Mystery culture played within it. He throws new light on the foundations of Rosicrucianism, its principles of initiation and its inherent impulse for freedom. Steiner also discusses the secret teachings of the eighteenth and nineteenth centuries, and the dawn of the age of the Archangel Michael. In the second series of lectures, entitled 'The Easter Festival and the History of the Mysteries' (April

1924), Steiner describes how festivals grew out of the Mysteries themselves. He speaks of Mysteries connected to Spring and Autumn, Adonis and Ephesus, and the significance of Sun and Moon. Throughout the volume he discusses the roles of Alexander the Great and Aristotle in world history and the significance of Aristotle's 'Categories'. Published for the first time as a single volume, the freshly revised text is complemented with an extensive introduction by

Dr Andrew Welburn, detailed notes and appendices by Professor Frederick Amrine and an index.

The Rosicrucians - Their Rites and Mysteries (1870) Routledge

This is a thorough presentation of the Rosicrucian system of initiation by Dr. Paul Foster Case. He explains that Rosicrucianism is based upon earthly organizations, but on personal unflodment, and clearly describes the distinctive marks of a Rosicrucian. The treatise

is divided into two main parts by Dr. Case. The first is a careful examination and interpretation of the principle Rosicrucian maneifestos, the Fama Fraternitatis and the Confessio Fraternitatis. The second part is an explanation of the Rosicrucian grade system, as applied to the diagram of the Tree of Life and tarot attributions. By participating in the outlined procedures, aspirants are put on the right track of preparing themselves for union with

the Higher Self, which may or may not include group work with an outer order or fraternity. The first editions of 1927, 1928 and 1933 were of limited publication. The fourth and most complete expansion of the text by Paul Case was finished in 1937, revised by him in 1953 just before his death and published in by Weiser in 1985. It represents the full maturity of his thought on this subject.

Introduction to Magic

Weiser Books

The study of Egypt as the

fount of all wisdom and stronghold of hermetic lore, already strong in antiquity, Hornung (Egyptology, U. of Basel) calls Egyptosophy. Though it was soundly rebuffed by Egyptology, based on conventional science and history, he thinks its continuing impact on western culture deserves scholarly attention. He reviews the various occult traditions and their expression during various eras. The original *Esoterische Agypten* was published by C. H. Beck'sche

Verlagsbuchhandlung, Munich, in 1999, and translated by David Lorton, who has also translated Hornung's earlier books for Cornell. Annotation copyrighted by Book News, Inc., Portland, OR.
The Real History of the Rosicrucians Taschen America Llc
 It is hard to overestimate the importance of the contribution made by Dame Frances Yates to the serious study of esotericism and the occult sciences. To her work can be attributed the

contemporary understanding of the occult origins of much of Western scientific thinking, indeed of Western civilization itself. The *Occult Philosophy of the Elizabethan Age* was her last book, and in it she condensed many aspects of her wide learning to present a clear, penetrating, and, above all, accessible survey of the occult movements of the Renaissance, highlighting the work of John Dee, Giordano Bruno, and other key esoteric figures. The book is

invaluable in illuminating the relationship between occultism and Renaissance thought, which in turn had a profound impact on the rise of science in the seventeenth century. Stunningly written and highly engaging, Yates' masterpiece is a must-read for anyone interested in the occult tradition.

The Secret Message of Jules Verne Brill's Studies in Intellectua

This scholarly work traces the mysterious Fraternity of the Rosy Cross, from its

inception upon the discovery of Father Christian Rosenkreuz's perfectly preserved body in a seven-sided vault to present-day organizations in America. McIntosh includes a survey of Rosicrucianism in America, exploring the latter day survivals of Bacon's New Atlantis. Perfect for students of the Western Mystery tradition who want an introduction to Rosicrucianism, with good resources for further study.

The Occult Philosophy in the Elizabethan Age

Princeton University Press
A classic, prize-winning novel about an epic migration and a lone woman haunted by the past in frontier Waipu. In the 1850s, a group of settlers established a community at Waipu in the northern part of New Zealand. They were led there by a stern preacher, Norman McLeod. The community had followed him from Scotland in 1817 to found a settlement in Nova Scotia, then subsequently to New Zealand via Australia. Their incredible journeys

actually happened, and in this winner of the New Zealand Book Awards, Fiona Kidman breathes life and contemporary relevance into the facts by creating a remarkable fictional story of three women entangled in the migrations - Isabella, her daughter Annie and granddaughter Maria. McLeod's harsh leadership meant that anyone who ran counter to him had to live a life of secrets. The 'secrets' encapsulated the spirit of these women in their varied reactions to McLeod's strict edicts and

connect the past to the present and future.
The Mysteries of John the Baptist Rudolf Steiner Press
 The story of the mysterious, ancient priesthood with a mission to preserve their secret knowledge to help humanity - but also to control the development of the world.

The Rosicrucian Handbook & Hermetic Textbook of Success Secrets: The Original American Illuminati Loge de Parfaits D'Écosse (Tm)- 1764

Reaktion Books
 Greek religion is filled with strange sexual artifacts - stories of mortal women's couplings with gods; rituals like the basilinna's "marriage" to Dionysus; beliefs in the impregnating power of snakes and deities; the unusual birth stories of Pythagoras, Plato, and Alexander; and more. In this provocative study, Marguerite Rigoglioso suggests such details are remnants of an early Greek cult of divine birth, not unlike that of Egypt. Scouring myth, legend,

and history from a female-oriented perspective, she argues that many in the highest echelons of Greek civilization believed non-ordinary conception was the only means possible of bringing forth individuals who could

serve as leaders, and that special cadres of virgin priestesses were dedicated to this practice. Her book adds a unique perspective to our understanding of antiquity, and has significant implications for the study of Christianity

and other religions in which divine birth claims are central. The book's stunning insights provide fascinating reading for those interested in female-inclusive approaches to ancient religion.
