Why Youth Ministries Aren't Working and What to Do About It Gospel Light Publications
Prayer 101 instructs beginners on the basics of prayer, such as the different types of prayer and common myths that lead new believers astray. [God Delights in the Prayers of His Children](#) Lulu.com
Not long ago, veteran Youth Minister Everett Fritz counted the number of his former Youth Group members who were still practicing the Faith. The result? Almost all of them had left the Faith! Fritz learned that other parishes reported similar staggering losses, pointing to a grim truth: today's Youth Ministries simply do not form young people into lifelong disciples of Jesus Christ. Not satisfied with these dismal results, Fritz devised a different way of forming young people in the Faith. It's an approach that can truly transform the spiritual lives of young people by applying the same one-to-one personal method that Jesus Himself used to form his twelve

original disciples . . . only one of whom was lost! Fritz has worked with countless parishes, helping them make the shift to a small-group discipleship structure. You'll learn to avoid the many pitfalls and common mistakes parishes make, as well as ways you can easily build the volunteer base needed for a successful transition. He will help you create a comfortable environment that leads young people into self-reflection, as well as the critical role parents and the parish community play in youth formation. Finally, Fritz shares various resources that can help you accomplish your goal. But he warns: you're not running a program that has been pre-developed. Relationships and mentoring make disciples; programs do not. If you're troubled by the number of young people in your parish who leave the Faith year after year, then open these illuminating pages and learn the art of forming young disciples. *Art of Forming Young Disciples, The Pentecostal eBooks*

Lessons to Prepare for the Work of the Ministry of Intercessory Prayer

We live in a broken world. And the gospel is how God

puts broken people back together again. Once we repent and believe in Jesus, God's Spirit helps us recover and pursue His design. God is the one who created the world and every human being in it. Authors Jimmy Scroggins and Steve Wright outline a reproducible method of sharing the gospel that has been tested in the real world. Turning Everyday Conversations Into Gospel Conversations is a simple strategy to train new and seasoned believers to join God in His reconciliation work. Turning Everyday Conversations Into Gospel Conversations equips believers to use the innovative "3 Circles," a user-friendly evangelistic tool for a new generation. Scroggins and Wright train readers to incorporate the biblical metanarrative, as well as our own personal stories, to tell the good news that Jesus has made a way out of the broken places we find ourselves. Churches around the world are training people to share the gospel using this method. It has proven appeal across generations and cultures. They've heard stories about an 8-year-old boy leading his 26-year-old cousin to

repent and believe in Jesus and a 70-plus-year-old church member, who had never before shared his faith, leading his Spanish-speaking neighbor to Christ. It's been used to train the Mixtec in Mexico, Maasai Warriors in Kenya, and prisoners in America. It's been presented on napkins, in concrete, in the sand, and using tortillas. The 3 Circles work, and this book will train you and your church members to use it. It doesn't matter if you have been a Christian for decades or days, you can learn to do what God asks us to do—to make His appeal to others through us (2 Cor. 5:20). This short training manual will empower and inspire millions of Christians to turn hundreds of millions of everyday conversations into gospel conversations. [Intercessory Training of Gatekeepers Prayer Warriors, and Watchmen on the Walls](#) Lulu.com The Christian life would be much less complicated and much easier if we automatically became competent Spiritual Warriors at the point of conversion or the point of the infilling of the Holy Spirit. Unfortunately, that is not the case. A person does not become a

Spiritual Warrior simply through a decision or a ritual act of conversion. Real faith is active, engaged, and committed. The active engagement and commitment of the Christian brings about the maturity of the new creation, created in the image of Christ. Putting on the "whole armor of God" is not a simple act of praying a simple prayer or speaking a pattern of words. It is a process that cannot be taught by man or learned by study. Putting on the "whole armor of God" is learned only from God, and then, it is learned only by sitting at the feet of Jesus regularly, with scripture in the forefront of the mind, meditating on the scripture and listening to Christ as He teaches. Herein, putting on the "whole armor of God" takes the form of "Spiritual Boot Camp:" the body and soul are intensely worked with regular Spiritual exercises in order to produce the "new man," militant, empowered, and both ready and able to wage war in the spirit. The spiritual battle is fierce, lifelong, and, whether we know it or not, everyone is involved. No one is given the luxury of watching from the sidelines. If we

are to be victorious in this battle, we need to learn, from God, how to fight. This manual provides a disciplined, structured path for men and the framework needed for spending the necessary time with God, meditating on specific Scriptures, to allow Him to teach. It strongly recommends working and training with other men as a team to provide the encouragement and motivation to "keep on keeping on." It provides instructions for setting up and running a team. The framework follows a path of daily assignments (exercises) designed to allow God to develop a man into a strong, effective Spiritual Warrior.

Preaching to Convert offers an intriguing new perspective on the outreach strategies of U.S. evangelicals. Author John Fletcher frames these activities, from door-to-door proselytizing to the spirited sermons of superstar televangelists, as examples of activist performance, broadly defined here as acts performed before an

audience in the hopes of changing hearts and minds. Most writing about activist performance has focused on left-progressive causes, events, and actors, and if evangelicals have appeared at all, they often appear as one-dimensional forces of ignorance or bigotry against which brave (left-leaning) activists must fight. Preaching to Convert argues against such a constricted view of activism and for a more nuanced understanding of U.S. evangelicalism as a movement defined by its desire to win converts and spread the gospel. In other words, evangelicals are activist performers par excellence. The book positions evangelicals as a diverse, complicated group confronting the loss of conservative Christianity's default status in twenty-

first-century U.S. culture. In the face of an increasingly secular age, evangelicals have been reassessing models of outreach. In acts like handing out Bible tracts to strangers on the street or going door-to-door with a Bible in hand, in elaborately staged horror-themed morality plays or multi-million-dollar creationist discovery centers, in megachurch services beamed to dozens of satellite campuses, and in controversial "ex-gay" ministries striving to return gays and lesbians to the straight and narrow, evangelicals are redefining what it means to be deeply committed in a pluralist world. The book's engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields.
