Based on the teachings of Paramhansa Yogananda, this translation of the Gita brings alive the deep spiritual insights and poetic beauty of the famous battlefield dialogue between Krishna and Arjuna. Based on the little-known truth that each character in the Gita represents an aspect of our own being, it expresses with revelatory clarity how to win the struggle within us between the forces of our lower and higher natures. One of the best-loved scriptures in the world, the Bhagavad Gita has been translated by many scholars and poets over thousands of years. Here is a new English language translation by a renowned spiritual Master. Perhaps more

than any other version, Paramhansa Yogananda's Gita captures the spiritual depth of the original. Each verse of this 18-chapter scripture is translated in sparkling modern English prose that conveys the power and inspiration of this ancient scripture. Spiritual practices such as devotion, selfless service, and spiritual discrimination are explained and clarified. This treasure of a book not only represents the wisdom of the original Gita for today's reader: clear, powerful, straightforward, and inwardly transforming. Contains 130 pages of profound spiritual truths edited by Yogananda's direct disciple Swami Kriyananda. Bhagavad Gita Essentials The Floating

Press

The Nayaswami Order is a new movement in renunciation launched in late 2009 by Nayaswami Kriyananda, a direct disciple for over 60 years of the great yoga Master, Paramhansa Yogananda. He describes a new model based on positive aspects of renunciation - rather than the traditional world-negating approach. It is intended for people from all walks of life, married or single, who are committed to finding God, and is open to people of every religious affiliation.

The Secret of Bhagavad Gita

Ahmedabad, Navajivan Publishing House
Sri Daya Mata shares the guidance and inspiration she

received as a close disciple of Paramahansa Yogananda. A compassionate and deeply encouraging book that speaks to all who long to know that God is real, that He is near to us at all times, and that we can live every day in communion with Him. God Talks With Arjuna Bhakti Marga Publications
What happens as we grow spiritually? Is there a step-by-step process that everyone goes through—all spiritual seekers, including those of any or no religious persuasion—as they gradually work their way upward, until they achieve the highest state of Self-realization? About 2200 years ago, a great spiritual master

of India named Patanjali described this process, and presented humanity with a clear-cut, step-by-step outline of how all truth seekers and saints achieve divine union. He called this universal inner experience and process “yoga” or “union.” His collection of profound aphorisms—a true world scripture—has been dubbed Patanjali's Yoga Sutras. Unfortunately, since that time many scholarly translators with little or no spiritual realization have written commentaries on Patanjali's writings that have succeeded only in burying his pithy insights in convoluted phrases like “becomes assimilated with transformations” and “the object alone

shines without deliberation.” How can any reader understand Patanjali's original meaning when he or she has to wade through such bewildering terminology? Thankfully, a great modern yoga master—Paramhansa Yogananda, author of the classic *Autobiography of a Yogi*—has cut through the scholarly debris and resurrected Patanjali's original teachings and revelations. Now, in *Demystifying Patanjali*, Swami Kriyananda, a direct disciple of Yogananda, shares his guru's crystal clear and easy-to-grasp explanations of Patanjali's aphorisms. As Kriyananda writes in his introduction, “My Guru personally shared

with me some of his most important insights into these sutras. During the three and a half years I lived with him, he also went with me at great length into the basic teachings of yoga. “I was able, moreover, to ask my Guru personally about many of the subjects covered by Patanjali. His explanations have lingered with me, and have been a priceless help in the [writing of this book].”

Your Sun Sign as a Spiritual Guide Self-Realization Fellowship Publishers

The Bhagavad Gītā recounts a profound dialogue between Arjuna, a conflicted warrior, and his humble charioteer, who is in fact the Lord Himself. The message Kṛṣṇa delivered on a

battlefield more than 5000 years ago is just as relevant today because it awakens the soul to mankind’s true nature and reason for being. His instructions have stood the test of time and provide the knowledge to help us triumph over the obstacles we face in our lives.

Paramahansa Sri Swami Vishwananda’s commentary brings this timeless discourse to life, unravelling it and delivering it straight to the heart of the reader. It is rare when a book has the potential to become a lifelong companion for spiritual seekers, yet the Bhagavad Gītā Essentials is designed to be just that: an essential part of your life. Small enough to carry with you wherever you go, yet

profound enough to carry you all the way to God; succinct enough to read in a matter of hours, yet deep enough to contemplate for decades to come. Perennial Psychology of the Bhagavad Gita Self Realization Fellowship Rarely in a lifetime does a new spiritual classic appear that has the power to change people's lives and transform future generations. This is such a book. The Essence of the Bhagavad Gita Explained by Paramhansa Yogananda shares the profound insights of Paramhansa Yogananda, author of Autobiography of a Yogi, as remembered by one of his few remaining direct disciples, Swami

Kriyananda. This revelation of India's best-loved scripture approaches it from an entirely fresh perspective, showing its deep allegorical meaning and also its down-to-earth practicality. The themes presented are universal: how to achieve victory in life in union with the divine; how to prepare for life's "final exam," death, and what happens afterward; how to triumph over all pain and suffering. This book is itself a triumph. Swami Kriyananda worked with Paramhansa Yogananda in 1950 while the Master completed his commentary. At that time Yogananda commissioned him to disseminate his teachings world-wide.

Kriyananda has in his lifetime lectured, taught, and written eighty-five books based on Yogananda's teachings. The Essence of the Bhagavad Gita, Kriyananda's eighty-sixth book, is the crowning achievement of his highly productive life. In this, his masterpiece, he declares, "Yogananda's insights into the Gita are the most amazing, thrilling, and helpful of any I have ever read."

The Eternal Way
Himalayan Institute Press

"Contains selected excerpts from Paramahansa Yogananda's book "The Second Coming of Christ: The Resurrection of the Christ Within You," which book is a commentary on the New Testament

gospels and noncanonical source material, focusing on the quest to uncover the original teachings of Jesus"--Provided by publisher.

Bhagavad-Gita as it is Crystal Clarity
Here is a fresh, revolutionary approach to finding inner peace and expansive joy, presented by one of the greatest exponents of yoga and meditation alive today. We have all experienced our subconscious minds—in our sleep, dreams, and through our unconscious thoughts and emotions. And, of course, we're all intimately familiar with the normal conscious state of awareness from which we go about our daily lives. But there is a third, less well-known state of awareness: the superconscious. The hidden mechanism at work behind intuition, spiritual and physical healing, successful problem solving, and

finding deep, lasting joy, superconscious awareness is the missed link to living richer, more meaningful lives. Though many of us have experienced fleeting moments of raised consciousness and enlightenment, few know how to purposely enter such an exalted state. Through meditation, chanting, affirmation, and prayer, Swami Kriyananda teaches us how to reach this state successfully and regularly and how to maximize its beneficial effects. In *Awaken to Superconsciousness*, Kriyananda shares his knowledge of the ancient yoga tradition, details how to attain inner peace, and provides inspiring meditative exercises. *Awaken to*

Superconsciousness provides a comprehensive, easy-to-understand program to help us tap into our wellspring of creativity, unlock intuitive guidance, and hear the silent voice of our soul. If you are looking to:

What sets this book apart from other astrology titles is Kriyananda's focus on the spiritual potential of each "sun sign," rather than focusing mainly on the karmic limitations. It is so common to hear generalizations such as: Leo is proud, and Taurus is stubborn. In his book Kriyananda shows how, with awareness, attention, and will, one can cultivate the higher

potential of his sign, leading to greater fulfillment and success. Leo can shine as a channel of light and creativity, without pride, if he remembers that Spirit (not ego) is the doer. Taurus can be the essence of loyalty and perseverance, without being stubborn, if he develops an inner fixity of purpose while practicing an outward flexibility. In other words, the horoscope shows karmic patterns of energy. We can learn to work with these energies and develop their more refined, higher octaves, which will then magnetize new possibilities into our lives. The fundamental point is that the horoscope shows one's karmic energy situation, but not who

he really is—the spiritual Self within. Kriyananda's approach is to encourage and inspire one's Self to awaken, and to express itself through the sun sign. Within each of us is vast potential to be awakened. Your Sun Sign as a Spiritual Guide is a beautifully inspiring book that will open doors and encourage one in this direction. This book also guides the seeker to an understanding of the subtle aspects of the spiritual path as it manifests for him through his particular sun sign. Yogic understanding is rich and often runs counter to prevailing thought. So too with astrology, the reader will find vistas of understanding opening as he takes the words and

guidance of this yogic view of astrology to heart. This book reassures the reader that sun-sign weaknesses can be spiritual strengths if pursued rightly. It also warns one not to rest on the laurels of sun-sign strengths, but to go much deeper. Concentrated, deep wisdom is available to the seeker in this brief, easy-to-digest book that helps the reader to understand himself and others from a higher perspective.

Geeta Vahini Nilgiri Press
 Paramahansa Yogananda's Collected Talks and Essays present in-depth discussions of the fast range of inspiring and universal truths that have captivated millions in his Autobiography of a

Yogi. Readers will find these talks alive with the unique blend of all-embracing wisdom, encouragement, and love for humanity that have made the author one of our era's most revered and trusted guides to the spiritual life. In this anthology of talks, Paramahansa Yogananda speaks to the deepest needs of the human heart and soul. He shows how we can meet the daily challenges to our physical, psychological, emotional, and spiritual well-being by awakening our divine nature, the neglected reality at the core of our being. The practical, how-to-live talks in this volume show how each of us can discover the limitless inner resources already present within our

souls, and bring greater harmony to ourselves, our families, our communities, our world. Topics include: How to Cultivate Divine Love Do Souls Reincarnate? inspiring talk by Kriyananda on the art of meditation. The Yoga of the Bhagavad Gita Crystal Clarity Publishers
In this classic spiritual guide, Paramahansa Yogananda dispels the myth that God is beyond our reach. He points out that it is not only possible to talk with God but to receive definite responses to our prayers. Defining the Lord as both the transcendent, universal Spirit and the intimately personal Father, Mother, Friend, and Lover of all, he helps us to realize how close that infinite and all-loving Being is to each one of us. He also explains how we can make our prayers so powerful and persuasive that they will bring a tangible response. How You Can

Talk with God is a favorite of spiritual seekers around the world, showing readers how to pray with greater intimacy to create a deep and fulfilling personal relationship with the Divine. This is a book to keep by the bedside, discovering with each reading new gems of inspiration and wisdom. Read less

Bhagawan Sri Sathya Sai Baba wrote a series of articles under the Vahini series, for Sanathana Sarathi, a monthly magazine being published by Sri Sathya Sai Sadhana Trust, Publications Division, Prasanthi Nilayam. These precious articles are brought out now, under the title "Geeta Vahini", in this book, for the benefit of readers. This is not a commentary or summary of the divine message that was given by Lord Krishna to Arjuna. It conveys the same message in a simpler form to us, in order to remove our delusion and confer faith and strength on us, so that we may

realise our own reality. Bhagawan says, "Drawing on the Divine that is inherent in us is the lesson of Geeta... Arjuna is the jiva and Krishna is the Deva. When both are in contact, impregnable might results... Krishna had to work in and through Arjuna, so that the reign of Dharma (righteousness) is re-established. Arjuna means white, pure, unblemished. Hence, he is the proper instrument." We too can become proper instruments in restoring Dharma, if we follow the lessons that Bhagawan teaches through this book. *The Divine Romance* Crystal Clarity Publishers
In this companion to his best-selling translation of the Bhagavad Gita,

Easwaran explores the essential themes of this much-loved Indian scripture. Placing the Gita in a modern context, Easwaran shows how this classic text sheds light on the nature of reality, the illusion of separateness, the search for identity, and the meaning of yoga. The key message of the Gita is how to resolve our conflicts and live in harmony with the deep unity of life, through the principles of yoga and the practice of meditation. Easwaran grew up in the Hindu tradition and learned Sanskrit from an early age. A foremost translator and interpreter of the Gita, he taught classes on it for forty years, while living out the principles of the Gita in the midst

of a busy family and community life. In the Gita, Sri Krishna, the Lord, doesn't tell the warrior prince Arjuna what to do: he shows Arjuna his choices and then leaves it to Arjuna to decide. Easwaran, too, shows us clearly how these teachings still apply to us - and how, like Arjuna, we must take courage and act wisely if we want our world to thrive.

Yogananda was one of the most significant spiritual teachers of

the 20th century. Since his classic, *Autobiography of a Yogi*, was first published in 1946, its popularity has increased steadily throughout the world. *The Essence of Self-Realization* is filled with lessons and stories that Yogananda shared only with his closest disciples, this volume offers one of the most insightful and engaging glimpses into the life and lessons of a great sage. Much of the material presented here is not available anywhere else.
