Rumi with a View to Other Persian Mystic Poets

Rumi's short poems have many tones and effects: some of them are quick, joyful, and whimsical; some are finely faceted abstract statements; some probe the inward

space of patience and longing. Moyne and Barks translated these poems using a free-verse style, connecting these poems with great American spiritual poets such as Walt Whitman and Gary Snyder.

This new volume of Rumi's works, the first-ever English translation of his Arabic poems, will be exciting for the newcomer

to Rumi's verses as well as to readers already familiar with his mystical philosophy. The poems take the reader on a journey of spiritual exploration, ecstatic union, cruel rejection, and mystic reconciliation. Rumi reveals his soul and welcomes everyone to his spiritual feast. This dual-language volume opens a treasury of Rumi's mystic thought and startling poetry. His verses pulsate

with desire and longing, with sensuality, and with ecstatic celebration. Rumi found in his mystic poetry a vehicle for the expression of the endless spiritual bounties of love. He placed love at the center of his faith and doctrine, and he pronounced it to be the goal of his life and the only form of true worship. This collection is stunningly rendered in English by an award-winning poet and a distinguished translator of Arabic poetry. *The Arabic Poems of Rumi*

He explores both mystics' extraordinary lives and their no-less-extraordinary writings using a unique case-study method centered on detailed

examinations of six major Christian mystics: Thomas Merton, Bernard of Clairvaux, Hildegard of Bingen, Bonaventure, Meister Eckhart, and Evagrius Ponticus. Rather than presenting mysticism as a subtle web of psychological or theological abstractions, Harless's case-study approach brings things down to earth, restoring mystics to their historical context. *Rumi's Secret Courier Corporation*
 As Barks writes in his introduction to this

collection, "Silence is a deeper way that lovers have found." Rumi's silence is that of the chef who hands you a spoon to let you taste, now that the recipe-reading is over. The silence becomes an inward communion, an experience beyond any doctrinal description. Somehow, in these poems, Rumi uses words to take us over into that silence.

From Madonna to Deepak Chopra, celebrities have been recording and embracing Rumi's poetry

for the past two decades, creating a resurgence of interest in this 14th century Sufi mystic.

Rumi's Little Book of Life is a beautiful collection of 196 poems by Rumi, previously unavailable in English. Translated by native Persian speakers, Maryam Mafi and Azima Melita Kolin, this collection will appeal to Rumi lovers everywhere. This collection of mystical poetry focuses on one of life's core issues: coming to grips with the inner life. During the course of life, each of us is engaged on

an inner journey. Rumi's Little Book of Life is a guidebook for that journey. The poetry is a companion for those who consciously enter the inner world to explore the gardens within--out of the everyday "world of dust"--through an ascending hierarchy that restores one's soul to the heart; the heart of the spirit; and in finding spirit, transcending all.

The Spiritual Poems of

Rumi Harper Collins

Rumi (1207-1273) was a Persian jurist and theologian best known for

being perhaps the finest of all Sufi poets. His writings have been widely translated and remain especially popular in Iran, Afghanistan, and Tajikistan. Though written from a Sufi perspective, Rumi's poems on spiritual growth—here collected and edited by F. Hadland Davis and first published in 1907—cross all cultural and religious bounds, and can still be heard today in many secular and religious settings. The Persian Mystics: Jalalu'd-din Rumi includes selections from some of

Rumi's most famous works, the "Divani Shamsi Tabriz" and the "Masnavi," as well as passages on his life and work, and the origin and nature of Sufism. FREDERICK HADLAND DAVIS is also the author of *The Persian Mystics: Jami* (1908) and *Myths and Legends of Japan* (1912), both available from Cosimo. **Unseen Rain** MSU Press "Love is a stranger and speaks a strange language," wrote Rumi, one of the world's most beloved mystical poets. His poems of spiritual love

still speak directly to our hearts after more than seven hundred years. These classic selections contemplate separation and longing, intoxication and bliss, union and transcendence.

Written from the ninth to the twentieth century, these poems represent the peak of Islamic Mystical writing, from Rabia Basri to Mian Mohammad Baksh. Reflecting both private devotional love and the attempt to attain union with God and become absorbed into the Divine, many poems in this edition are imbued with the symbols and metaphors that develop many of the central ideas of Sufism: the Lover, the Beloved, the Wine, and

the Tavern; while others are more personal and echo the poet's battle to leave earthly love behind. These translations capture the passion of the original poetry and are accompanied by an introduction on Sufism and the common themes apparent in the works. This edition also includes suggested further reading.

Mystical Poems of Rumi New York Review of Books

The acclaimed New York Times bestselling author of Smash Cut, Flannery,

and City Poet delivers the first popular biography of Rumi, the thirteenth-century Persian poet revered by contemporary Western readers. Ecstatic love poems of Rumi, a Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of

legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi's life stretched over 2,500 miles. Gooch traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive

appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as teacher and pupil, friend and beloved, is one of the world's greatest spiritual love stories. When Shams disappeared, Rumi coped with the pain of separation by composing joyous poems of reunion, both human and divine. Ambitious, bold, and beautifully written, Rumi's Secret reveals the unfolding of Rumi's

devotion to a "religion of love," remarkable in his own time and made even more relevant for the twenty-first century by this compelling account.

Born Jalal ad-Din Mohammed Balkhi in Persia early in the thirteenth century, the poet known as Rumi expressed the deepest feelings of the heart through his poetry. This

volume consists of new translations edited by Deepak Chopra to evoke the rich mood and music of Rumi's love poems. Exalted yearning, ravishing ecstasy, and consuming desire emerge from these poems as powerfully today as they did on their creation more than 700 years ago. 'These poems reflect the deepest longings of the human heart as it searches for the divine. They celebrate love. Each poetic whisper is urgent, expressing the desire that penetrates human

relationships and inspires intimacy with the self, silently nurturing an affinity for the Beloved. Both Fereydoun Kia, the translator, and I hope that you will share the experience of ravishing ecstasy that the poems of Rumi evoked in us. In this volume we have sought to capture in English the dreams, wishes, hopes, desires, and feelings of a Persian poet who continues to amaze, bewilder, confound, and teach, one thousand years after he walked on this earth' - Deepak Chopra

Love Is My Savior

Wellfleet Press

In 1244, the brilliant poet Rumi and the wandering dervish Shams of Tabriz met and immediately fell into a deep spiritual connection. The Glance taps a major, yet little explored theme in Rumi's poetry—the mystical experience that occurs in the meeting of the eyes of the lover and the beloved, parent and child, friend and soul mate. Coleman Barks's new translations of these powerful and complex poems capture Rumi's range from the

ethereal to the everyday. They reveal the unique place of human desire, love, and ecstasy, where there exists not just the union of two souls, but the crux of the universe. Here is a new kind of love lyric for our time—one of longing, connection, and wholeness.

How an Ancient Mystic Poet Changed My Modern Manic Life

Random House

My verse resembles the bread of Egypt—night passes over it, and you cannot eat it any more. Devour it the moment it is

fresh, before the dust settles upon it. Its place is the warm climate of the heart; in this world it dies of cold. Like a fish it quivered for an instant on dry land, another moment and you see it is cold. Even if you eat it imagining it is fresh, it is necessary to conjure up many images. What you drink is really your own imagination; it is no old tale, my good man. Jalal al-Din Rumi (1207–73), legendary Persian Muslim poet, theologian, and

mystic, wrote poems acclaimed through the centuries for their powerful spiritual images and provocative content, which often described Rumi's love for God in romantic or erotic terms. His vast body of work includes more than three thousand lyrics and odes. This volume includes four hundred poems selected by renowned Rumi scholar A. J. Arberry, who provides here one of the most comprehensive and adept

English translations of this enigmatic genius. *Mystical Poems* is the definitive resource for anyone seeking an introduction to or an enriched understanding of one of the world's greatest poets. "Rumi is one of the world's greatest lyrical poets in any language—as well as probably the most accessible and approachable representative of Islamic civilization for Western students."—James W. Morris, Oberlin College
