ALANNAH DOYLE

Falling Hodder Children's Books

Passionately in love, Clare and Henry vow to hold onto each other and their marriage as they struggle with the effects of Chrono-Displacement Disorder, a condition that casts Henry involuntarily into the world of time travel.

Liar HarperCollins

Louise learns that too many trips to the candy store can be bad for her health; Greg and Sam press their luck with a roll of devious dice; and Rory and April go for a ride in their family's dazzling new car.

A Novel Tor.com

The New York Times bestselling author of *The Beach House*, *Jemima J*, and *Summer Secrets* presents a novel about the pleasure and meaning of finding a home—and family—where you least expect them... When Emma Montague left the strict confines of upper-crust British life for New York, she felt sure it would make her happy. Away from her parents and expectations, she felt liberated, throwing herself into Manhattan life replete with a high-paying job, a gorgeous apartment, and a string of successful boyfriends. But the cutthroat world of finance and relentless pursuit of more began to take its toll. This wasn't the life she wanted either. On the move again, Emma settles in the picturesque waterfront town of Westport, Connecticut, a world apart from both England and Manhattan. It is here that she begins to confront what it is she really wants from her life. With no job, and knowing only one person in town, she channels her passion for creating beautiful spaces into remaking the dilapidated cottage she rents from Dominic, a local handyman who lives next door with his six-year-old son. Unlike any man Emma has ever known, Dominic is confident, grounded, and committed to being present for his son whose mother fled shortly after he was born. They become friends, and slowly much more, as Emma finds herself feeling at home in a way she never has before. But just as they start to imagine a life together as a family, fate intervenes in the most shocking of ways. For the first time, Emma has to stay and fight for what she loves, for the truth she has discovered about herself, or risk losing it all. In a novel of changing seasons, shifting lives, and selfless love, a story unfolds—of one woman's far-reaching journey to discover who she is truly meant to be...

The Trouble with Goats and Sheep Scholastic Paperbacks

A wildly imaginative novel about a man who is reincarnated over ten thousand lifetimes to be with his one true love: Death herself. "Tales of gods and men akin to Neil Gaiman's *Sandman* as penned by a kindred spirit of Douglas Adams."—Kirkus Reviews (starred review) First we live. Then we die. And then . . . we get

another try? Ten thousand tries, to be exact. Ten thousand lives to "get it right." Answer all the Big Questions. Achieve Wisdom. And Become One with Everything. Milo has had 9,995 chances so far and has just five more lives to earn a place in the cosmic soul. If he doesn't make the cut, oblivion awaits. But all Milo really wants is to fall forever into the arms of Death. Or Suzie, as he calls her. More than just Milo's lover throughout his countless layovers in the Afterlife, Suzie is literally his reason for living—as he dives into one new existence after another, praying for the day he'll never have to leave her side again. But *Reincarnation Blues* is more than a great love story: Every journey from cradle to grave offers Milo more pieces of the great cosmic puzzle—if only he can piece them together in time to finally understand what it means to be part of something bigger than infinity. As darkly enchanting as the works of Neil Gaiman and as wisely hilarious as Kurt Vonnegut's, Michael Poore's *Reincarnation Blues* is the story of everything that makes life profound, beautiful, absurd, and heartbreaking. Because it's more than Milo and Suzie's story. It's your story, too. Praise for *Reincarnation Blues* "The most fun you'll have reading about a man who has been killed by both catapult and car accident."—NPR "This book made me laugh out loud. And then a page later, it made me sob. Reminiscent of Tom Robbins and Christopher Moore, Poore finds humor in the dark absurdities of life."—Chicago Review of Books "Charming . . . surprisingly light and uplifting . . . It reads like a writer having fun."—New York Journal of Books

The Midnight Library Penguin

Putting names and faces to the men and women who answer the call, fight for our lives, and never give up. ER nurses work around the clock and dedicate their lives to helping us when we need it the most. They are the everyday heroes that look after us when we are at our most vulnerable - now it's time to tell their stories. Filled with numerous interviews with frontline healthcare staff, James Patterson and Matt Eversmann team up once more to give insight into why nurses do what they do.

Traveler's Wife and *Life After Life*, *The Invisible Life of Addie LaRue* is New York Times bestselling author V. E. Schwab's genre-defying tour de force. *A Life No One Will Remember*. *A Story You Will Never Forget*. France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Cat Lady Simon and Schuster

Twelve-year-old Barney Willow gets his wish to be a cat but soon discovers that not all felines are cute and cuddly--some are downright evil--and his life is in grave danger, but his missing father may be able to help.

A Novel Simon and Schuster

Longlisted for the National Book Award and a Washington Post Best Book of the Year "Gorgeous...A writer of profound emotional depths." —New York Times Book Review Since his award-winning debut collection of stories, *Last Days of the Dog-Men*, Brad Watson has been expanding the literary traditions of the South in work as melancholy, witty, strange, and lovely as any in America. Drawing on the true story of his great-aunt, he explores the life of Miss Jane Chisolm, born in rural, early-twentieth-century Mississippi with a genital birth defect that excludes her from the roles traditional for a woman of her time and place and frees her to live her life as she pleases. With irrepressible vitality and generosity of spirit, Miss Jane mesmerizes those around her, exerting an unearthly fascination that lives beyond her still.

A Novel Sourcebooks, Inc.

THE INAUGURAL SARAH JESSICA PARKER PICK FOR BOOK CLUB CENTRAL CHOSEN AS A 2017 BEST SUMMER READ PICK BY The Wall Street Journal • The Washington Post • The Seattle Times NAMED ONE OF THE MOST ANTICIPATED BOOKS OF 2017 BY Entertainment Weekly • Nylon • Elle • Redbook • W Magazine • The Chicago Review of Books JJ Ferguson has returned home to Pinewood, North Carolina, to build his dream house and to pursue his high school sweetheart, Ava. But as he reenters his former world, where factories are in decline and the legacy of Jim Crow is still felt, he's startled to find that the people he once knew and loved have changed just as much as he has. Ava is now married and desperate for a baby, though she can't seem to carry one to term. Her husband, Henry, has grown distant, frustrated by the demise of the furniture industry, which has outsourced to China and stripped the area of jobs. Ava's mother, Sylvia, caters to and

meddles with the lives of those around her, trying to fill the void left by her absent son. And Don, Sylvia's unworthy but charming husband, just won't stop hanging around. JJ's return—and his plans to build a huge mansion overlooking Pinewood and woo Ava—not only unsettles their family, but stirs up the entire town. The ostentatious wealth that JJ has attained forces everyone to consider the cards they've been dealt, what more they want and deserve, and how they might go about getting it. Can they reorient their lives to align with their wishes rather than their current realities? Or are they all already resigned to the rhythms of the particular lives they lead? *No One Is Coming to Save Us* is a revelatory debut from an insightful voice: with echoes of *The Great Gatsby* it is an arresting and powerful novel about an extended African American family and their colliding visions of the American Dream. In evocative prose, Stephanie Powell Watts has crafted a full and stunning portrait that combines a universally resonant story with an intimate glimpse into the hearts of one family.

Blind Witness Simon and Schuster

In this beautiful, grounded, and darkly magical modern-day reimagining of J. M. Barrie's classic, to save her daughter's life one woman must take on the infamous Peter Pan—who is not the innocent adventurer the fairy tales make him out to be . . . Life is looking up for Holly Darling, granddaughter of Wendy—yes, that Wendy. She's running a successful skincare company; her son, Jack, is happy and healthy; and the tragedy of her past is well behind her . . . until she gets a call that her daughter, Eden, who has been in a coma for nearly a decade, has gone missing from the estate where she's been long tucked away. And, worst of all, Holly knows who must be responsible: Peter Pan, who is not only very real, but more dangerous than anyone could imagine. Eden's disappearance is a disaster for more reasons than one. She has a rare condition that causes her to age rapidly—ironic, considering her father is the boy who will never grow up—which also makes her blood incredibly valuable. It's a secret that Holly is desperate to protect, especially from Eden's half-brother, Jack, who knows nothing about his sister or the crucial role she plays in his life. Holly has no one to turn to—her mother is the only other person in the world who knows that Peter is more than a story, but she refuses to accept that he is not the hero she's always imagined. Desperate, Holly enlists the help of Christopher Cooke, a notorious ex-soldier, in the hopes of rescuing Eden before it's too late . . . or she may lose both her children. *Darling Girl* brings all the magic of the classic Peter Pan story to the present, while also exploring the dark underpinnings of fairy tales, grief, aging, sacrifice, motherhood, and just how far we will go to protect those we love.

Everything Under the Sun Perfection Learning

Secrets. Everyone has one. Some are bigger than others. And when secrets are revealed, some will heal you . . . And some will end you. Kate Sedgwick's life has been anything but typical. She's endured hardship and tragedy, but throughout it all she remains

happy and optimistic (there's a reason her best friend Gus calls her Bright Side). Kate is strong-willed, funny, smart, and musically gifted. She's also never believed in love. So when Kate leaves San Diego to attend college in the small town of Grant, Minnesota, the last thing she expects is to fall in love with Keller Banks. They both feel it. But they each have a reason to fight it. They each have a secret. And when secrets are revealed, some will heal you . . . And some will end you.

Miss Jane: A Novel Tor Books

Adam and David find danger in the water when they go kayaking; strange mice are taking over Katie's house; and, Kelly buys some lip gloss that gives her good luck at the expense of everyone around her.

Ask a Manager Simon and Schuster

John and Sarah cross paths with a sand sculptor whose creations are shockingly real -- a little too real. . . . Ben inherits a seemingly ordinary pocket watch from his grandfather. It may be his only hope against a bird with a taste for blood. . . . Jessica and Robbie have been left in Laura's care for the evening. But tonight Laura doesn't quite seem like Laura. . . . Three stories. Three more reasons to beg for morning to come. Welcome to The Midnight Library.

The Midnight Girls Penguin

"A memoir by Vanessa O'Brien, record-breaking American-British explorer, takes you on an unexpected journey to the top of the world's highest mountains"--

A Novel Penguin

From the #1 New York Times bestselling author of *The Midnight Library*. "Destined to become a modern classic." —Entertainment Weekly **WHAT DOES IT MEAN TO FEEL TRULY ALIVE?** At the age of 24, Matt Haig's world caved in. He could see no way to go on living. This is the true story of how he came through crisis, triumphed over an illness that almost destroyed him and learned to live again. A moving, funny and joyous exploration of how to live better, love better and feel more alive, *Reasons to Stay Alive* is more than a memoir. It is a book about making the most of your time on earth. "I wrote this book because the oldest clichés remain the truest. Time heals. The bottom of the valley never provides the clearest view. The tunnel does have light at the end of it, even if we haven't been able to see it . . . Words, just sometimes, really can set you free."

Voices Scholastic Paperbacks

Chloe hears some ghastly rumors about the neighborhood Cat Lady which could be true; Mark and Calvin are impressed by a new friend who doesn't play by the rules; and Alice finds out why she is told not to wake the baby.

End Game

"An absolute delight" - David Walliams "One of the best kids books I have ever had the pleasure of reading" - Pandora Sykes

"Truly ace and answers every question your children may ever need answered" - Sophie Dahl A collection of 366 curious questions asked by children from around the world, based on the

award-winning podcast by original QI Elf, Molly Oldfield. How much bamboo can a giant panda eat? Do aliens exist? What we would do if we didn't have a prime minister? Why do hammerhead sharks have such strange-shaped heads? Find out the answers to these curious questions and much, much more! Ponder where ideas come from with award-winning illustrator, Rob Biddulph. Find out why you taste things differently when you have a cold with Michelin star chef, Heston Blumenthal. Learn about everything from how astronauts see in the dark to what the biggest dinosaur was with experts from the Natural History Museum. Fascinating facts are accompanied by gorgeous illustrations making the perfect gift for Christmas. Whether you read a question a day, or dip into it whenever you are feeling curious, this is a book to treasure and share all year round.

Illustrated by Momoko Abe, Kelsey Buzzell, Beatrice Cerocchi, Alice Courtley, Sandra de la Prada, Grace Easton, Manuela Montoya Escobar, Richard Jones, Lisa Koesterke, Gwen Millward, Sally Mullaney, and Laurie Stansfield. Praise for *Everything Under the Sun*: 'Trivia fans will relish *Everything Under the Sun*' - The Guardian "A wonderful gift for families" - Evening Standard "This is a book to treasure all year round" - My Baba "As cute as it is educational" - Babyccino Kids "A wonderful collection of 366 curious questions about everything from science to nature, dinosaurs to space" - Scottish Sun "Simply mesmerising compendium" - Waterstones "A beautiful gem of a book" - BookTrust

True stories from the frontline Penguin

End Game Scholastic Paperbacks

How to Stop Time W. W. Norton & Company

Adam seems to be taking his dance of death too seriously during the carnival preparations, Annabel races to catch up with a ghostly rival, and Alfie's not looking forward to sleeping in a dead man's bed.

Facing Danger, Finding Humility, and Climbing a Mountain of Truth HarperCollins

An instant New York Times Bestseller! The new uplifting book from Matt Haig, the #1 New York Times bestselling author of *The Midnight Library*, for anyone in search of hope, looking for a path to a more meaningful life, or in need of a little encouragement. Named by *The Washington Post* as one of the best feel-good books of 2021. "It is a strange paradox, that many of the clearest, most comforting life lessons are learnt while we are at our lowest. But then we never think about food more than when we are hungry and we never think about life rafts more than when we are thrown overboard." **THE COMFORT BOOK** is Haig's life raft: it's a collection of notes, lists, and stories written over a span of several years that originally served as gentle reminders to Haig's future self that things are not always as dark as they may seem. Incorporating a diverse array of sources from across the world, history, science, and his own experiences, Haig offers warmth and reassurance, reminding us to slow down and appreciate the beauty and unpredictability of existence.
