Once Upon a Tune

Legend has it the only way to meet a mermaid is to know where to look and to give her a beautiful

handmade gift that shows her you care. If you're lucky, she may take you on an ocean adventure! Mermaids are rarely seen, and even more rarely met. But, if you gather some natural craft supplies—shells, coral, driftwood, and sea glass—and make her a gift, you might just befriend one! Will you spot a mermaid in the waves just off shore? If you do, will you be ready? By being observant, resourceful, and friendly, you can make a beautiful crown from natural beach

materials that will show your new mermaid friend you truly care. Perhaps she'll take you on an incredible adventure through the ocean's depths, past ancient shipwrecks, and to her shell castle! You just might experience what it's like to be a mermaid yourself! Sue Fliess's poetic read-aloud text and Simona Sanfilippo's vibrant, whimsical illustrations will provide joy for young readers eager to meet their own mermaids! Also included are guides for teachers

and parents about how to engage children in building mermaid crowns and how to interest them in the natural world, the history of mermaids, and the many cultures that have believed in them. *Ballet Dreams* Simon and Schuster
