WINNER, Lambda Literary Award; Firecracker Award for Fiction; \$60,000 Amazon Canada First Novel Award When thirty-year-old trans woman Wendy Reimer comes across evidence that her late grandfather—a devout Mennonite farmer—might have been transgender

himself, she dismisses this revelation, having other problems at hand. But as she and her friends struggle to cope with their increasingly volatile lives—which range from alcoholism, to sex work, to suicide—Wendy grows increasingly drawn to the lost pieces of her grandfather’s life, becoming determined to unravel the mystery of his truth.
