Do you know what your John James Audubon bird and mammal prints are worth? Do you even know if they are authentic or cheap reproductions? Noted Audubon expert, Ron Flynn, has researched and compiled this important reference resource for the Audubon collector. Information about each Audubon edition is given in individual chapters, along with detailed Price Guide tables with market values for every print in the following original antique Audubon editions: Havell, Bien, Imperial Folio, Octavo Birds and Octavo Quads, plus the modern Amsterdam, Abbeville, Leipzig and Loates Editions. Realized eBay auction prices are included in the Price Guides for those editions commonly sold on that Internet site. Other chapters deal with: identifying and authenticating prints, buying and selling Audubon prints, and buying and selling on eBay. Mr. Flynn provides a list of his recommended Audubon dealers. Finally, there are chapters covering: matting and framing, print storage and care, and

print conservation and restoration.

Ian Adams is perhaps the best-known landscape photographer in Ohio, and in the first volume of *A Photographer's Guide to Ohio*, he shared his knowledge of what to photograph in the Buckeye State and how to photograph it. Now, in this second volume, Adams expands on his previous work, adding over 120 natural features, scenic rivers and byways, zoos and public gardens, historic buildings and murals, and even winter lighting displays to the list of places to visit and photograph in Ohio. In addition to advice on photographing landscapes, he offers tips for capturing

excellent images of butterflies and dragonflies. Recognizing the rapid development of new technologies, Adams includes pointers on smartphone photography, lighting and composition, digital workflow, and sharing images across a variety of platforms. The book is illustrated with more than 100 color photographs. Comprehensive and concise, these two volumes make up a travel and photography guide to almost

300 of Ohio's most noteworthy and beautiful outdoor places.
