Books

Carl Orff's 24 selections from 200 poems of the Carmina Burana celebrate the universal range of human emotion and experience: passion, longing, exuberance, humor, rebellion, ennui, resignation. Now tender, now tragic; secular yet reverent; the poems of the carmina touch the chords of our purest and darkest

spirituality. An excellent resource for the student, the performer, the audience and the general reader, this dual language edition provides two moving translations from the original Latin, informative essays, and facing vocabulary. This text will enrich understanding and heighten appreciation of these beloved medieval poems.

Songs from the Carmina Burana Set to Music by Carl Orff Routledge

This is a translation of thirty poems from "Carmina Burana".

Walsh's book should be a vade mecum for anyone who would teach the Carmina Burana on any level and be of considerable value in general to medievalists, comparatists, and those in related disciplines.--New England Classical Newsletter and Journal "Teachers, students, and any reader interested in medieval lyric will find this volume a clear and useful approach to intrinsically interesting texts.--Renaissance Quarterly "The most scholarly and most helpful presentation of a group of these captivating lyrics that has yet appeared in

English.--Peter Dronke, University of Cambridge "A superb volume, fully worthy of these famous but often misunderstood poems. P. G. Walsh's unmatched erudition in Latin literature furnishes lucid grammatical explanations, incisive analysis of goliardic literary values and technique, and illuminating references to ancient and medieval parallels. His prose translations make the poems accessible also to those with little or no Latin.--Janet M. Martin, Princeton University

Carl Orff's Carmina Burana: Considerations for the Conductor. (Includes Sound Disc). Bristol Classical Press

-----The Carmina Burana, or Songs from Benediktbeuern, the monastery where the 13th-century manuscript was discovered in 1803, is a collection of 254 poems penned by a wide variety of hands in Latin and Middle High German over the course of three centuries. With a diversity of themes, ranging from satires on corrupt church leaders, to ballads on love's bittersweetness, to uproarious drinking songs, to dirges to saints and fallen kings, to the Gamblers' High Mass, to jingoistic

panegyrics on the Crusades, to plays about the birth, passion, and resurrection of Christ, the Carmina Burana exposes an unseen facet of the medieval ethos that history has often shrouded in superstition, self-denial, and religious oppression. Translated into English in its entirety for the first time in history, presented as a dual text, and thoroughly annotated, this edition will prove indispensable to scholars, students, and armchair readers alike. Latinists will relish the original Latin and Middle High German in this convenient paperback edition, and students and bibliophiles will enjoy the florid English as their navigator through the sea of opposing source languages. And all will find the in-depth commentary a useful guide through the adventurous landscape of the great Carmina Burana. *Carmina Burana (cassette)*. Bolchazy-Carducci Publishers
Carmina Burana, the largest surviving collection of secular Medieval Latin verse, features poems on subjects ranging from sex and gambling to crusades and corruption. This new, two-volume presentation of the medieval classic makes the anthology accessible in its

entirety to Latin lovers and English readers alike.

Carmina Burana Carmina Burana Schott
This is a selection from the 13th century collection of secular Latin poems. Some are serious (eg Crusade poems) but the majority are light, including many love poems. A number of items from the Carmina are well known as text for Carl Orff's 'Scenic Cantata'. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Carmina Burana CreateSpace (Schott). Carl Orff's famous work is expertly transcribed for piano by Eric Chumachenco. *Carmina Burana*, first performed in 1937, is based on an important collection of thirteenth-century poems found in the monastery of Benediktbeuren. Carl Orff made selections from this collection and in robust and delicate musical colors painted a manifold picture of life. "Everything I have written up to now, and which you have

unfortunately printed, you can shred into pulp. My collected works begin with *Carmina Burana* ." Carl Orff wrote to his publisher after the premiere. And so it was that his work caused a sensation in the whole world and continues to delight people of all cultures.

This collection explores monetary institutions linking Europe and the Americas in the seventeenth to nineteenth centuries.

Selections from the 'Carmina Burana'

Originally published in 1987, this book contains the Love Sgons of the *Carmina Burana*, alongisde a select bibliography and textual notes. The collection of poems now known as the *Carmina* was given its name by Schmeller in 1847, and the *Carmina Burana* comprises the best and most representative products of goliardism and remains the definitive manifestation of the goliardic movement.

Carmina Burana

I would hate for any singers or listeners to experience this great masterpiece as just a succession of nonsensical syllables set to

music. There is so much more enjoyment to be had when you understand the words, and so I set out to write a set of commentaries to accomplish that goal. After an overall introduction there's an individual essay for each section. My hope is that the voices and personalities of the lyrics will come alive for you so that you experience the huge range of emotions contained in these pieces. Even though the original authors lived many hundreds of years ago, we can identify with them if we understand what they're actually saying. From the cries of a roast swan, to the weeping of someone broken by the turns of fate, to the joyful shouts of lovers, I hope you'll gain a new understanding of them all. This material isn't meant to be scholarly or definitive, but to be . . . fun.
