## **TOWNSEND REEVES**

Little Faith Simon and Schuster

What would you do if you saw your whole life mapped out for you when you were only an adolescent? For some, like young Omega Corwin Sullivan, the future is ripe with promise. He loves his wolf pack, his family, and this true mate, Malic, unconditionally, and is excited about the future they'll all share together. For others, like Alpha Malic Campbell, however, the future looks like a prison cell. Malic resents not only the looming responsibility of leading his pack and region, but also having his mate predetermined for him by fate. In rebellion, he pushes every limit and tests every boundary on his way from teen to man in a race against the proverbial hands of time. Only to discover that the man he becomes, wants something very different than the boy he once was. But will it be too late for Malic to then win back the very shifter he worked so hard to push away - his mate and his other half? As a young man, Corwin must now decide if he can

recapture what his younger self so naïvely believed in - a happily-ever-after for Malic and himself - and more importantly, does he still want it? **CONTENT WARNING: Explicit Sex**

**Have a Little Faith** Harper Collins

"A triumph. This novel's haunting strength will hold the reader until the very end and make Faith and her story impossible to forget." —Richmond Times Dispatch

"Extraordinary." —Orlando Sentinel

From the #1 New York Times bestselling author Jodi Picoult (Nineteen Minutes, Change of Heart, Handle with Care) comes Keeping Faith: an "addictively readable" (Entertainment Weekly) novel that "makes you wonder about God. And that is a rare moment, indeed, in modern fiction" (USA Today).

Have a Little Faith Movie Tie-in Sampler Canongate U.S.

You may be surprised and uncomfortable to learn that there is one thing that's hurting your personal spiritual growth more than anything else: your unwillingness to give more than you're giving right now. On average, Americans give away just 3% of their income to

churches and charitable causes. Perhaps you pull back because of fear that you won't have enough. Or you may feel resentful that you are asked to give at all. Either way, the result is the same and the one suffering most because of it is you. In *You of Little Faith*, pastor Ryan Thomas isn't afraid to talk about the most taboo subject in the church--money. Drawing from a multitude of biblical passages and contemporary examples, he will convince you that giving aggressively and extravagantly, beyond what you ever thought reasonable or possible, will unlock God's blessing in your life and community and strengthen your faith in a way that nothing else can. *The First Phone Call From Heaven* Detroit Free Press

This is the story of Charley, a child of divorce who is always forced to choose between his mother and his father. He grows into a man and starts a family of his own. But one fateful weekend, he leaves his mother to secretly be with his father--and she dies while he is gone. This haunts him for years. It unravels his own young family. It leads him to depression and drunkenness. One

night, he decides to take his life. But somewhere between this world and the next, he encounters his mother again, in their hometown, and gets to spend one last day with her--the day he missed and always wished he'd had. He asks the questions many of us yearn to ask, the questions we never ask while our parents are alive. By the end of this magical day, Charley discovers how little he really knew about his mother, the secret of how her love saved their family, and how deeply he wants the second chance to save his own.

I Don't Have Enough Faith to Be an Atheist

Independently Published  
Eighteen-year-old Faith takes us through the fast-paced life of a teenager in this candid book. Having grown up without her biological mother, who died when Faith was a young child, she learns to overcome her fears, form new relationships, and eventually finds love. In the background is Faith's immediate circle of friends—a group of youngsters—who are going through the adventures of falling in and out of love, discovering their passions, and growing up with their fears and

ambitions.

A Little Bit of Faith Crown

"Have a Little Faith" is a children's book about a young girl with Down syndrome who lives her life enjoying many of the things that all other children enjoy doing. The book is open about the challenges she faces, and ensures readers that beyond these day-to-day obstacles she is just like anyone else. This delightful book encourages self-love and a 'never give up' attitude. It's uplifting and not only promotes acceptance and builds awareness of children with Down Syndrome but encourages all children to believe in themselves. Gina Panzino Lyman has always had a love for writing. She not only writes Children's Books but Inspiration and Self-Help for adults and Poetry. In addition, Gina is the author of two blogs. One of which promotes Down Syndrome Awareness and offers support and encouragement for families of children with special needs. The other to inspire adults to live their best life. Gina's message across all genres is one of faith, hope, and belief in oneself. Gina is happily married, mom of two, and stepmom of two.

She is a teacher with over 20 years of experience in various grades and subjects and is working on her Masters in Counseling. Gina's next book is a collection of uplifting and spiritual stories about her father's life and the connection she feels to him even after his passing.

**Live Alбом** Univ of Massachusetts Press  
In this moving new novel from celebrated author Nickolas Butler, a Wisconsin family grapples with the power and limitations of faith when one of their own falls under the influence of a radical church Lyle Hovde is at the onset of his golden years, living a mostly content life in rural Wisconsin with his wife, Peg, daughter, Shiloh, and six-year old grandson, Isaac. After a troubled adolescence and subsequent estrangement from her parents, Shiloh has finally come home. But while Lyle is thrilled to have his whole family reunited, he's also uneasy: in Shiloh's absence, she has become deeply involved with an extremist church, and the devout pastor courting her is convinced Isaac has the spiritual ability to heal the sick. While reckoning with his own faith—or lack

thereof—Lyle soon finds himself torn between his unease about the church and his desire to keep his daughter and grandson in his life. But when the church's radical belief system threatens Isaac's safety, Lyle is forced to make a decision from which the family may not recover. Set over the course of one year and beautifully evoking the change of seasons, *Little Faith* is a powerful and deeply affecting intergenerational novel about family and community, the ways in which belief is both formed and shaken, and the lengths we go to protect our own.

**A Little Faith** Precious Moments Incorporated  
Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from

childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

*Of Little Faith* Hyperion  
Strawberry Shortcake and her berry good friends are back! In this volume, Jadeybug gets lost in a tunnel and comes back telling a fantastic story of strange animals and a glowing city! But the story is SO fantastic that no one really believes her. And, Cherry Jam needs a place to stay while her RV is being repaired, so she bunks with Strawberry Shortcake. Can two berry good friends live together without driving each other crazy? Plus, four more short stories 2 Sweet 2 B Missed, a prose story, and a recipe you can actually make at home!

*Tuesdays with Morrie* ACU Press

God isn't looking for heroes of faith. A thriving relationship with God is not built on our perfect performance but on our trust in a gracious Savior. *Hebrews 11* reveals one superhero—Jesus. Our God delights in flawed followers who trust him in the daily aspects of their

lives. He designed spiritual growth to be an ongoing journey of faith and delights in who you are becoming. By exploring the lives of the people mentioned in *Hebrews 11*, *Little Faith, Big God* will inspire you to persevere in your faith through the examples of biblical men and women who failed, got up again, finished well, and were commended by God. With biblical principles to separate false hope from real faith, present-day stories to encourage you, and guiding questions to invite personal reflection, application, and discussion, *Little Faith, Big God* will equip you to trade your self-made superhero cape for a dynamic, grace-filled relationship with our big God.

### **You of Little Faith**

Harper Collins

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully

designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

#### O Me of Little Faith

Crossway

Four inspirational stories include Signs of Light, in which a lonely woman befriends a single mom; Faith Will Overcome, in which a woman learns to love herself; Maybelline, in which a woman learns lessons about trust and priorities; and Survival Instincts, in which a librarian helps a reporter find forgiveness. Original. 35,000 first printing.

#### A Little Bit of Faith

University of Chicago Press

To some, the concept of having faith in a higher power or a set of religious beliefs is nonsensical. Indeed, many view religion in general, and Christianity in particular, as unfounded and unreasonable. Norman Geisler and Frank Turek argue, however, that Christianity is not only more reasonable than all other belief systems, but is indeed more rational

than unbelief itself. With conviction and clear thinking, Geisler and Turek guide readers through some of the traditional, tested arguments for the existence of a creator God. They move into an examination of the source of morality and the reliability of the New Testament accounts concerning Jesus. The final section of the book deals with a detailed investigation of the claims of Christ. This volume will be an interesting read for those skeptical about Christianity, as well as a helpful resource for Christians seeking to articulate a more sophisticated defense of their faith.

Have a Little Faith in Me  
HarperCollins

When Pancho arrives at St. Anthony's Home, he knows his time there will be short. If his plans succeed, he'll soon be arrested for the murder of his sister's killer. But then he's assigned to help DQ, whose brain cancer has slowed neither his spirit nor his mouth. DQ tells Pancho all about his "Death Warrior's Manifesto", which will help him to live out his last days fully - ideally, he says, with the love of the beautiful Marisol. As

Pancho tracks down his sister's murderer, he finds himself falling under the influence of DQ and Marisol, and beginning to understand that there's more to life than revenge and more to death than sadness. "I love Francisco's books. They make you bigger inside after reading them" Maggie Stiefvater

#### **The Last Summer of the Death Warriors**

Diana McKinley

In the house that felt more like a room, tucked away in a bed, is a little chinchilla watching his tablet. "Goodnight room, goodnight zoom". And to all the familiar things in this pandemic room- hand sanitizers and masks, electronics, home self-care- the chinchillas say goodnight. Goodnight Rona, is a very 'real' parody about life during a pandemic. Honest and funny, this book takes a modern adult twist on one of the most beloved children's book of all times. This book includes a list of free Covid-19 resources and a portion of the proceeds are being donated to charities including the International Rescue Committee and Lola's Children's Fund. **Small Faith, Great God** HarperCollins  
Life had been good to

Karen and Bob Krech. They had traveled the world as overseas teachers. They were blessed with a strong marriage, a nice house, great jobs, and a happy, healthy two-year old son. Was God a part of their lives? Some. But with the birth of their daughter, a micro preemie weighing less than a pound, He reentered their lives in a very big way.

**All You Need is A Little Faith** Baker Books

A Little Bit of Faith is the perfect daily devotional for anyone wanting to fill their days with hope, faith and positivity. Providing 365 bite-sized affirmations, Katie Piper encourages us to see that heartbreak and hardship can become fuel for your fight. Whatever life has thrown at you lately, you can fall countless times and still get back up again - all you need is a little bit of faith. Full of hope and warmth, this lovely daily devotional draws on Katie's own faith to show how spirituality has brought greater confidence and meaning to her life. Katie invites you to journey with her through the year, with seasonal thoughts for every day that break down the things we all struggle with and show

how, with faith and positivity, we can face and overcome them. Beautifully designed and wonderfully uplifting, this 365-day devotional is easy to dip in and out of. It will help you find strength and confidence when you need it most, and also makes a delightful gift. Packed with hard-won words of wisdom and practical advice, *A Little Bit of Faith* is the companion every reader needs to grow and glow right where you are. *Have a Little Faith* Penguin

It isn't just in recent arguments over the teaching of intelligent design or reciting the pledge of allegiance that religion and education have butted heads: since their beginnings nearly two centuries ago, public schools have been embroiled in heated controversies over religion's place in the education system of a pluralistic nation. In this book, Benjamin Justice and Colin Macleod take up this rich and significant history of conflict with renewed clarity and astonishing breadth. Moving from the American Revolution to the present—from the common schools of the nineteenth century to the

charter schools of the twenty-first—they offer one of the most comprehensive assessments of religion and education in America that has ever been published. From Bible readings and school prayer to teaching evolution and cultivating religious tolerance, Justice and Macleod consider the key issues and colorful characters that have shaped the way American schools have attempted to negotiate religious pluralism in a politically legitimate fashion. While schools and educational policies have not always advanced tolerance and understanding, Justice and Macleod point to the many efforts Americans have made to find a place for religion in public schools that both acknowledges the importance of faith to so many citizens and respects democratic ideals that insist upon a reasonable separation of church and state. Finally, they apply the lessons of history and political philosophy to an analysis of three critical areas of religious controversy in public education today: student-led religious observances in extracurricular activities, the tensions between

freedom of expression and the need for inclusive environments, and the shift from democratic control of schools to loosely regulated charter and voucher programs. Altogether Justice and Macleod show how the interpretation of educational history through the lens of contemporary democratic theory offers both a richer understanding of past disputes and new ways of addressing contemporary challenges.

The Good Book Company A revised version of his 1978 book published by Kingsway, expounding Tom Wright's view of 'Biblical Christianity.' Short chapters written in an accessible and popular style explore key issues of belief and their practical outworking in daily life. Anecdotes and reflections backed by Tom Wright's deep biblical knowledge are presented in an easily digestible form. This reissue has been updated and also has a new foreword by the author.

### **Men of Little Faith**

Xulon Press

What do we believe? And

in God's name why? These are the thorny questions that Lewis Black, the bitingly funny comedian, social critic, and bestselling author, tackles in his new book, *Me of Little Faith*. And he's come up with some answers. Or at least his answers. In more than two dozen essays that investigate everything from the differences between how Christians and Jews celebrate their holidays, to the politics of faith, to people's individual search for transcendence, Black explores his unique odyssey through religion and belief. Growing up as a nonpracticing Jewish kid near Washington, D.C., during the 1950s, Black survived Hebrew school and a bar mitzvah (barely), went to college in the South during the tumultuous 1960s, and witnessed firsthand the unsettling parallels between religious rapture and drug-induced visions (even if none of his friends did). He explored the self-actualization movements of the 1970s (and the self-indulgence that they produced), and

since then has turned an increasingly skeptical eye toward the politicians and televangelists who don the cloak of religious rectitude to mask their own moral hypocrisy. What he learned along the way about the inconsistencies and peculiarities of religion infuriated Black, and in *Me of Little Faith* he gives full vent to his comedic rage. Black explores how the rules and constraints of religion have affected his life and the lives of us all. Hilarious experiences with rabbis, Mormons, gurus, psychics, and even the joy of a perfect round of golf give Black the chance to expound upon what we believe and why—in the language of a shock jock and with the heart of an iconoclast. "To put it as simply as I can," Black writes, "this is a book about my relationship with religion, where my—dare I say it?—spiritual journey has taken me...what it's meant and not meant to me, and why it makes me laugh." By the end of *Me of Little Faith*, you'll be a convert.
