[I Love You, Mouse](#) Candlewick Press

A great way to introduce the Mother Goose rhymes to the youngest readers, this charming collection includes "Baa Baa Black Sheep," "Jack and Jill," "Little Miss Muffet," and "Hey Diddle Diddle." Featuring some of Tomie's warmest and funniest illustrations, Tomie's Baa Baa Black Sheep and Other Rhymes will instantly become a nursery favorite.

**Tomie's Baa, Baa, Black Sheep** Penguin

An introduction to Mother Goose rhymes includes "Baa, Baa, Black Sheep," "Jack and Jill," "Little Miss Muffet," and "Hey Diddle Diddle."

**26 Fairmount Avenue** Springer

This beautiful edition of Tomie dePaola's progressive 1979 classic stars a special little boy who won't give up on the dreams that make him unique. Oliver Button is a sissy. At least that's what the other boys call him. But here's what Oliver Button really is: a reader, and an artist, and a

singer, and a dancer, and more. What will his classmates say when he steps into the spotlight?

[Little Tommy Tucker and Other Nursery Rhymes](#) Penguin

Charming watercolor illustrations enhance a delightful collection of sixty classic Mother Goose rhymes, including "Hey Diddle, Diddle," "Pat-a-Cake," "Little Jack Horner," and many others.

[Tomie de Paola's the Three Little Kittens and Other Poems and Songs from Mother Goose](#) Penguin

When Diego is out gathering flowers for the Springtime Fiesta, he comes upon a rabbit who is missing her babies, so he helps look for them.

**Tomie's Little Mother Goose** Penguin

The Beloved Children's Lullaby Twinkle, Twinkle, Little Star comes to life in this cute children's book illustrated by Katherine White. Additional verses will have you reading and singing along to this children's classic.

[Tony's Bread](#) Simon and Schuster

You have in your hands the most rigorous, complete and readable book ever written about the fascinating science of human sexuality. This book goes beyond the well-worn sexual education advice and the usual evolutionist psychology. After *The Brain Snatcher*, Pere Estupinyà comes back

with the first popular science book on sex aimed at a wide audience. While there are some tips for the more adventurous, there is also a wealth of new information to be discovered. Distancing himself from the many books on advice or techniques, Estupinyà brings sex to another dimension by combining popular beliefs and science. Do you want proof that our decision-making in the "heat of the moment" is less rational than we think? Did you know that mind and vagina each go their own way? Are you interested in learning about the effects of yoga on sexual pleasure? Did you know about the attempts in the 60s to "cure" homosexuals with electric shock therapy, the chemical analysis of female ejaculation, or the fundamental relationship between the sympathetic and parasympathetic nervous system? The author has spoken directly with asexual and intersexual individuals, fetishists, multi-orgasmic women, women who never have orgasms through penetration, and men who have no refractory period. He has also participated in sadomasochistic events; learned tantric techniques with a couple of coaches, spoken with porn performers at Barcelona's Bagdad, and attended workshops in which a woman teaches how to have orgasms with your mind and breathing. The result is an incredible miscellany of information that appeals to both the scientific community and the curious.

**Pulmonary Complications of Non-Pulmonary Pediatric Disorders** Xist Publishing

A Newbery Honor Book Tomie's family starts building their new house at 26 Fairmount Avenue in 1938, just as a hurricane hits town, starting off a busy, crazy year. Tomie has many adventures all his own, including eating chocolate with his Nana Upstairs, only to find out--the hard way--that they have eaten chocolate laxative. He tries to skip kindergarten when he finds out he won't learn to read until first grade. "I'll be back next year," he says. When Tomie goes to see Snow White, he creates another sensation. Tomie dePaola's childhood memories are hilarious, and his charming illustrations are sure to please. "A thoroughly entertaining and charming story."—School Library Journal "DePaola successfully evokes the voice of a precocious, inquisitive five-year-old everyone would want to befriend. Charming black-and-white illustrations animate the scenes and add a period flare, including a photo album-like assemblage of the characters' portraits at the book's start."—Publishers weekly

*Ten Little Fingers* Methuen Childrens Books

Since its original publication in 1985, Tomie dePaola's Mother Goose has become a staple on children's bookshelves everywhere, and features over two hundred Mother Goose rhymes charmingly illustrated by one of today's most beloved artists. This special anniversary edition includes a framable print with brand-new art and an author's note from Tomie, and is sure to continue as a family favorite for generations to come.

**My Very First Mother Goose** Tomie's Little Mother Goose

An illustrated selection of the traditional rhymes.

*Sleeping Bunnies* Putnam Publishing Group

Collections of Mother Goose rhymes.

*Monster Goose* Houghton Mifflin Harcourt

This board book of classic nursery rhymes introduces children to the magic of Mother Goose! Heartwarming illustrations and over 24 traditional rhymes and verses -- taken from the classic versions -- will delight babies, toddlers, and parents alike. This charming board book lovingly brings to life Little Miss Muffett, Humpty Dumpty, Mary, Mary Quite Contrary, and Little Boy Blue, as well as a host of other favorites for children to laugh with and treasure. This Mother Goose collection is the perfect addition to any family's library.

Penguin

Illustrates Mother Goose rhymes such as "Jack Sprat," "He Loves Me," and "Twinkle Twinkle Little Star."

*Tomie dePaola's Mother Goose Favorites* Simon and Schuster

An illustrated collection of 204 Mother Goose nursery rhymes, including well-known ones such as "Little Boy Blue" and less familiar ones such as "Charlie Warlie and his cow."

*Oliver Button Is a Sissy* Putnam Publishing Group

This book presents a systematic approach to the potential pulmonary complications of various systemic non-pulmonary pediatric disorders. Chapters focus on the pulmonary complications associated with: the major organ systems, types of disorders, metabolic conditions, and various modalities. Although specific diseases will be discussed, the main focus will be on describing the associated organ mechanisms and how they can negatively affect the respiratory system. Each chapter will also discuss methods of prevention, the diagnostic test(s) that may be necessary to diagnose or monitor these complications, and, if applicable, the recommended therapeutic modalities. *Pulmonary Complications of Non-Pulmonary Pediatric Disorders* provides pulmonologists, pediatricians, and other clinicians with a detailed, reliable explanation of

seemingly unrelated signs and symptoms so they can form a more thorough differential diagnosis and prescribe the appropriate diagnostic tests and treatment.

*Classic Fairy Tales* Penguin

This award winning series has been specifically designed for babies. A great introduction to books through well-known nursery rhymes and interactive text. Singing songs and rhymes is the perfect way to bond with your baby and share quality time. It also aids language development by introducing them to the natural sounds and patterns of speech. Combining these with actions also stimulates the brain and helps muscle development.

*Mother Goose Story Streamers* Baby Board Books

Enchanting illustrations perfectly complement a tender story about a young boy who has plenty of love to give—and is loved in return—in this gentle, rhythmic picture book illustrated by Tomie dePaola! A young boy tells his animal friends just how much he loves them, starting with a little mouse who deserves a warm nest and a nibble of cheese and ending when his own father tucks him lovingly into bed. Sweet and comforting, this is the perfect story to share with little ones.

*Pocketful of Posies* Putnam Juvenile

A collection of twenty-five nursery rhymes, rewritten to feature vampires, ghouls, mummies, the Loch Ness monster, and other fearsome creatures.

*The Ultimate Guide To Choosing a Medical Specialty* Humana Press

Collects poetry that features authors such as Dorothy Aldis, Aileen Fisher, Robert Louis Stevenson, Yayău, and Tomie dePaola, all with themes that children can directly relate to.

*Mother Goose* Baby Board Books

Small children discover the world around them and declare their relationship to all the wonders in that world. On board pages.
