Laura's daddy told her that, if anything seemed too good to be true, it probably is. When she met and married Walter, she

found him to be not only an attractive husband but also a good provider and a father for her son. Walter was active in the church and youth groups. He loved music, and everyone liked him. Laura felt truly blessed. Little did she know that, in five short years, all those dreams would turn to nightmares. It is still difficult for her to realize how much pain and suffering one man could cause to so many. The boys, the children, and Laura will never be the same. They are scarred forever. They deal with it. But they don't want anyone else to

have to deal with it. That is why they have put their story in writing to warn you that there are pied pipers in this world. They are good at what they do. That is why they can fool so many trusting souls. The one thing Laura would change is that she would ask questions when things don't make sense. She advises you to ask questions. If you don't, she says that everyone loses.

I Ain't Much, Baby--But I'm All I've Got
HMH

From the author of *She Regrets Nothing*, which BuzzFeed called a “sharp, glittering story of wealth, family, and fate,” a vivid novel about a young Olympic skier who loses everything and reinvents herself in Buenos Aires, where she meets a man keeping dark secrets of his own. Katie Cleary has always known exactly what she wants: to be the best skier in the world. As a teenager, she leaves her home to live and train full time with her two best friends, brothers Luke and Blair. Their wealthy father hires the best coaches money can buy and after years of training, the three friends are the USA's best shot at bringing home Olympic gold. But as the upward trajectory of Katie's elite skiing

career nears its zenith, a terrifying truth about her sister becomes impossible to ignore—one that will lay ruin not only to Katie's career but to her family and her relationship with Luke and Blair. With her life shattered and nothing left to lose, Katie flees the snowy mountainsides of home for Buenos Aires. There, she reinvents herself and meets a colorful group of ex-pats and the alluring, charismatic Gianluca Fortunado, a tango teacher with secrets of his own. This beautiful city, with its dark history and wild promise, seems like the perfect refuge, but can she really outrun her demons? “Searing, gripping...a complicated story of sisterhood unlike any told before” (Taylor Jenkins Reid, author of *Daisy Jones & The Six*), *We Came Here to Forget* explores what it means to dream, to desire, to achieve—and what's left behind after it all disappears.

Third series Simon and Schuster
WILL HER FLING BECOME HIS FOREVER?
Leia Scott has sworn off love. Fresh from a messy, public divorce from her hockey player ex, the twenty-six-year-old fashion designer temporarily trades New York for London to heal and embrace her freedom.

Her vow? To protect her heart, steer clear of relationships, and say yes to flings without strings. She throws herself into designing upcycled dresses and exploring London with her sister. But Leia's carefully curated plan encounters a flirty complication with an irresistible British accent. Wealthy, charming, and devastatingly attractive, Tarquin Balfour is tired of meaningless hookups and dates that go nowhere. For years, he has played the bon viveur with reckless abandon, throwing decadent parties, sleeping with a parade of women, and diving into extreme sports around the globe. But now the young property developer wants more. He craves love and commitment, to prove his kind heart matters more than the abundance of zeroes attached to his bank balance. Struggling with undiagnosed depression, Tarquin worries he'll never find The One...until he meets his princess, a fashion designer named Leia. Afraid of falling in love and fearful of being alone, Leia and Tarquin enter into an entanglement that threatens to hurt them both. From Jacquelyn Middleton, the award-winning author of *UNTIL THE LAST STAR FADES*, comes a sexy story of love,

second chances, gratitude, and finding beauty in the broken and the forgotten.

A Bad Boy Billionaire Romance

Sourcebooks, Inc.

"What are some of the discoveries I have made? I found I needed people because I needed the love they could give me. I found that love was something I did. I found that the way I showed people my need and love for them was to tell how it was with me in my deepest heart. I came to feel that was the most loving thing I could do for anyone -- tell them how it was with me and share my imperfections with them. When I did this, most people came back at me with what was deep within them. This was love coming to me. And the more I had coming to me, the more I had to give away. I ain't much, baby -- but I'm all I've got." From his experience comes "I Ain't Much, Baby -- But I'm All I've Got." Lair originally wrote this book for his students, but when it gained widespread popularity he rewrote it for publication. It is a book meant to help people share in the success of finding themselves. From the Paperback edition.

What do you do when you're the reigning kissing booth champion but the only

person you want to kiss is your best friend's brother? Let me make this clear right here, right now: I, Halley Dawson, do not care that Preston Wright is kissing other women. Not a lick. Not at all. Nuh-uh-freakin'-uh. I do care that he's doing it six feet away from me behind a gaudy velvet curtain--making him my competition in this year's kissing contest. Why do I care, you ask? Because I've had an unfortunate crush on the insufferable idiot since I was sixteen years old, but I also know it's never going to happen. He's the Creek Falls bachelor to die for, and I'm the Creek Falls racoon lady who puts peanut butter sandwiches out for them every night. I'm not going to let him break my four-year-long reign--no matter how many times he breaks the rules and slides the curtain across to do the one thing he's not allowed to: Kiss me.

Kiss Me Hello Silver Falcon Press
From #1 New York Times Bestseller Vi Keeland, comes a new, sexy standalone novel. Bennett Fox walked into my life on one hell of a crappy Monday morning. I was late for the first day at my new job—a job I'd now have to compete for even though I'd already worked eight years to earn it, because of an unexpected merger. While I lugged my belongings up to my new office, a meter maid wrote me a parking summons. She'd ticketed a long line of cars—except for the Audi parked in front of me, which happened to be the same make and model as mine. Annoyed,

I decided to regift my ticket to the car that had evaded a fine. Chances were, the owner would pay it and be none the wiser. Except, I accidentally broke the windshield wiper while slipping the ticket onto the car's window. Seriously, my day couldn't get any worse. Things started to perk up when I ran into a gorgeous man in the elevator. We had one of those brief moments that only happened in movies. You know the deal...your body lights up, fireworks go off, and the air around you crackles with electricity. His heated stare left me flush when I stepped off the elevator. Maybe things here wouldn't be so bad after all. Or so I thought. Until I walked into my new boss's office and met my competition. The gorgeous man from the elevator was now my nemesis. His heated stare wasn't because of any mutual attraction. It was because he'd saw me vandalize his car. And now he couldn't wait to annihilate his rival. There's a fine line between love and hate—and we shouldn't cross it. We shouldn't—but straddling that line could be so much fun.
