Bow Before Your Queen
Or Bleed Before Her...
From #1 New York Times
bestselling author Jennifer
L. Armentrout comes book
three in her Blood and
Ash series. She's been the
victim and the survivor...
Poppy never dreamed she
would find the love she's
found with Prince Casteel.
She wants to revel in her
happiness but first they
must free his brother and
find hers. It's a dangerous
mission and one with far-
reaching consequences
neither dreamed of.
Because Poppy is the
Chosen, the Blessed. The
true ruler of Atlantia. She
carries the blood of the
King of Gods within her.
By right the crown and
the kingdom are hers. The
enemy and the warrior...
Poppy has only ever
wanted to control her own
life, not the lives of
others, but now she must
choose to either forsake
her birthright or seize the
gilded crown and become
the Queen of Flesh and
Fire. But as the kingdoms'
dark sins and blood-

drenched secrets finally
unravel, a long-forgotten
power rises to pose a
genuine threat. And they
will stop at nothing to
ensure that the crown
never sits upon Poppy's
head. A lover and
heartmate... But the
greatest threat to them
and to Atlantia is what
awaits in the far west,
where the Queen of Blood
and Ash has her own
plans, ones she has
waited hundreds of years
to carry out. Poppy and
Casteel must consider the
impossible—travel to the
Lands of the Gods and
wake the King himself.
And as shocking secrets
and the harshest
betrayals come to light,
and enemies emerge to
threaten everything
Poppy and Casteel have
fought for, they will
discover just how far they
are willing to go for their
people—and each other.
And now she will become
Queen...

No serious

relationships. This is the one rule Tara Park made for herself and it has been working swimmingly, thank you very much. The occasional fling is fine, especially since she's busy with Weldon Brewery. But when Seth Kim, temptation personified and her best friend's new brother-in-law walks into her life, Tara might be willing to bend her golden rule...but only for four dates—the four dates she agreed to after a few good rounds of beer and a game of truth or dare. It'll be fun. No biggie. Seth Kim can't believe Tara agreed to his dating dare. He's leaving for a new job in Paris in a month and a no-strings attached fling seemed like a nice little distraction for both... But their secret dates, while sweet and sexy, always hit roadblocks straight out of a romantic comedy. Thankfully, their non-dates and chance meetings are smoother, frequent, and heated. However, the more Seth sees of Tara, the less willing he is to let her go—and what was supposed to be a fun little game turns into something that neither of them are ready for. His survival has won him his freedom, at a cost: Cas is now haunted by the souls of those with unfinished business left in the realm. When Cas finally returns to his home in the mountains, he arrives just in time to celebrate the king and queen's newborn son. But when an assassin interrupts the festivities, Cas finds himself thrust into the dark underpinnings of court life. Nothing is as he remembers, and his only solace is Lena, a royal historian with a penchant for stealing his horse and keeping him anchored to the present...even as the past rises to the surface. For the more Cas learns about the new queen—a former princess of Brisa, an old enemy—the more he is certain she harbors secrets. Secrets that threaten the one person Cas holds most dear. Lucky for him, the past never forgets, and the secrets of the dead aren't always buried with them. *White Hot Kiss* Evil Eye Concepts, Incorporated Some believe the Ambhan

Empire is cursed. But Arwa doesn't simply believe it - she knows it's true. Widowed by the infamous, unnatural massacre at Darez Fort, Arwa was saved only by the strangeness of her blood - a strangeness she had been taught all her life to suppress. She offers up her blood and service to the imperial family and makes common cause with a disgraced, illegitimate prince who has turned to forbidden occult arts to find a cure to the darkness hanging over the Empire. Using the power in Arwa's blood, they seek answers in the realm of ash: a land where mortals can seek the ghostly echoes of their ancestors' dreams. But the Emperor's health is failing, and a terrible war of succession hovers on the horizon, not just for the imperial throne, but for the magic underpinning Empire itself. To save the Empire, Arwa and the prince must walk the bloody path of their shared past, through the realm of ash and into the desert, where the cause of the Empire's suffering-and its only chance of salvation - lie in wait. But what they find there calls into question everything they've ever valued . . . and whether

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her

life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance.
