High school Senior
Alexandra doesn't
really know what to do
with her life. She's
applying to colleges as
she is 'expected to do'
- until she receives a
mysterious cell phone
text message. The text
claims that going to
college straight from
high school is NTOW
(not the only way) for
her to achieve financial
security & reach her
dream of studying in
Hawaii & making a
difference in the world.
Alex's family is about
to have their secure
life shaken - and

following the advice of
the unknown Texter
might be the only way
for them to hold onto
the life they know. Is
network marketing a
realistic plan for two
professionals and their
teenage daughter? If
Alex's 'text angel' is
right, it may be their
best option. Told in the
parable style of the
great Og Mandino,
Passive Income 101
reveals: * What to look
for in a home-based
business. * The
potential of network
marketing. * The
importance of cash
flow. * How to create
easily duplicated
systems. * Methods for
addressing people
afraid of Get Rich
Quick Scams &
Pyramid Schemes. If
Alex can do it, why
can't you? * * * "Most
people don't even
question spending

\$60,000-\$100,000 for a college degree. They will even take out loans to attain one. And there are no guarantees of anything but a piece of paper called a diploma. Take a look at the bank account of the average college graduate after working for 40 years. It's grim. Sandy's story is the fictional account of a family that discovers an option that is becoming much more widely accepted. But it's based on a true story. It's fun and dramatic. It will leave you with hope that there is a better way. Those considering college may want to read this book before pulling the trigger!"

Jordan Adler, Network Marketing Millionaire & Author of #1 Best Seller, Beach Money

Passive Income 101

Lampo

What if there was a secret road or a less traveled pathway to your dreams? One that was 100 times shorter and one that required little-to-no struggle? What if this path became ridiculously obvious once someone pointed it out? Sometimes by simply shifting your viewpoint, invisible things will become visible and new opportunities to rapidly reach your dreams will appear. Have you ever noticed that breakthroughs in business are occurring at light speed all around us as a result of entrepreneurs that have chosen to see the world through a different set of lenses? In Better Than Beach Money, Jordan Adler shares real life stories that will help you to

view your life from a different angle. From this new point of view, you will discover roads and pathways, and see opportunities that can cause your dreams to materialize almost instantaneously. You will realize that you don't have to wait. You can begin to stray from that long, tedious path to achieving your goals and embrace a new way that can take you there much quicker. Most personal development trainers and efficiency experts propose writing down your dreams and taking daily action towards them. Sounds logical; this is a linear and very human process. But our brains don't exactly work in this way when it comes to attaining our dreams. Our dreams rarely come to us in a

linear fashion. Our dreams happen quickly once we meet the right people, shift our perspective and open our minds to the quantum growth opportunities that are all around us. Better than Beach Money can take you there.

Limitless Simon and Schuster

*** Now a USA TODAY BESTSELLER! *** She's 43 years old... ..and starting over from scratch. How did this happen? She had it all together. A stable marriage of two decades. Two grown daughters. And now she and her husband, empty nesters, were moving to a beach house. Until he showed up late one night and tore their marriage apart. A secret life. A different woman. Another family. Left

alone, she has to begin again. And then her estranged sister and mother get thrown into the mix. When she buys a house on a small South Carolina island, will she learn what life is really about? Or will she find out that some relationships can never be mended? This women's divorce fiction book will give you all the feels. Grab your tissues and go on a journey with this quirky cast of characters. If you love women's fiction and clean romance, this series is a great fit for you!

MoneyCreating Your Dream Life Through Network

MarketingUnravel the mystery around creating a large

residual income in network marketing! Have you ever wondered if the average person can really make it big in network marketing? Have the secrets to success in network marketing always been a mystery to you? Have you given up on your dream lifestyle because it just seems too difficult or too far out of reach? Beach Money shows you how to compress a 30-year career into 3 to 5 years, design your life around your free time instead of around your work schedule, and turn your yearly income into your monthly income!Beach MoneyCreating Your Dream Life Through Network Marketing "This fascinating little volume explores the stuff that dreams are

made of and the role the pandemic is playing in them. The dreams from Barrett's survey are riveting vignettes--from terrifying to touching to hilarious. Her decades of scientific research and clinical practice inform incisive commentary on what these dreams reveal about society's response. She offers simple exercises for managing anxieties over COVID-19 and for inspiring adaption in this unique period of history. A great read!" - Amy Tan, author of *The Joy Luck Club*

DREAM: I looked down at my stomach and saw dark blue stripes. I "remembered" these were the first sign of being infected with COVID-19. DREAM: My home was a Covid-19 test center. People

weren't wearing masks. I'm taken aback because I wasn't asked to be a test site. I'm worried that my husband and son (who actually lives out of state) will catch it because of my job as a healthcare worker.

DREAM: I was a giant antibody. I was so angry about COVID-19 that it gave me superpowers, and I rampaged around attacking all the virus I could find. I woke so energized! Since the COVID-19 pandemic swept around the world, people have reported unusually a vivid and bizarre dream lives. The virus itself is the star of many--literally or in one of its metaphoric guises. As a dream researcher at Harvard Medical School, Deirdre Barrett was

immediately curious to see what our dream lives would tell us about our deepest reactions to this unprecedented disaster. *Pandemic Dreams* draws on her survey of over 9,000 dreams about the COVID-19 crisis. It describes how dreaming has reflected each aspect of the pandemic: fear of catching the virus, reactions to sheltering at home, work changes, homeschooling, and an individual's increased isolation or crowding. Some patterns are quite similar to other crises Dr. Barrett has studied such as 9/11, Kuwaitis during the Iraqi Occupation, POWs in WWII Nazi prison camps, and Middle Easterners during the Arab Spring. There are

some very distinctive metaphors for COVID-19, however: bug-attack dreams and ones of invisible monsters. These reflect that this crisis is less visible or concrete than others we have faced. Over the past three months, dreams have progressed from fearful depictions of the mysterious new threat . . . to impatience with restrictions . . . to more fear again as the world begins to reopen. And dreams have just begun to consider the big picture: how society may change. The book offers guidance on how we can best utilize our newly supercharged dream lives to aid us through the crisis and beyond. It explains practical exercises for dream interpretation, reduction of

nightmares, and incubation of helpful, problem-solving dreams. It also examines the larger arena of what these collective dreams tell us about our instinctive, unconscious responses to the threat and how we might integrate them for more livable policies through these times. Deirdre Barrett, PhD is a dream researcher at Harvard Medical School. She has written five books including *Pandemic Dreams* and *The Committee of Sleep*, and edited four including *Trauma and Dreams*. She is Past President of The International Association for the Study of Dreams and editor of its journal, *DREAMING*.

The Old Man And

The Sea Oneiroi Press Santiago, an old Cuban fisherman, has gone 84 days without catching a fish. Confident that his bad luck is at an end, he sets off alone, far into the Gulf Stream, to fish. Santiago's faith is rewarded, and he quickly hooks a marlin...a marlin so big he is unable to pull it in and finds himself being pulled by the giant fish for two days and two nights.

**Tapping Into Your
Limitless Potential
To Create The Life
You've Always
Wanted** GENERAL

PRESS

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons.

"Terrifying...

Eloquent... A heart-rending drama of human yearning."

—New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the

wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would

give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes

the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page. The Most Complete

Into the Wild Hay House, Inc
Helping women gain self-confidence and self-belief in their potential, unique gifts and capacities, so they can achieve their goals, dreams and aspirations and enjoy

their dream life in personal and professional areas. Building an Empire (Next Level Edition) Hachette Books "We cannot change the cards we are dealt, just how we play the hand."---Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he

didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave-- "Really Achieving Your Childhood Dreams"-- wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have...and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be

shared for generations to come.

A Mom's Guide to Making Millions with Network Marketing

Anchor

What if the real key to a richer and more fulfilling career was not to create and scale a new start-up, but rather, to be able to work for yourself, determine your own hours, and become a (highly profitable) and sustainable company of one? Suppose the better--and smarter--solution is simply to remain small? This book explains how to do just that. Company of One is a refreshingly new approach centered on staying small and avoiding growth, for any size business. Not as a freelancer who only gets paid on a per piece basis, and not as an entrepreneurial

start-up that wants to scale as soon as possible, but as a small business that is deliberately committed to staying that way. By staying small, one can have freedom to pursue more meaningful pleasures in life, and avoid the headaches that result from dealing with employees, long meetings, or worrying about expansion. Company of One introduces this unique business strategy and explains how to make it work for you, including how to generate cash flow on an ongoing basis. Paul Jarvis left the corporate world when he realized that working in a high-pressure, high profile world was not his idea of success. Instead, he now works for himself out of his home on a

small, lush island off of Vancouver, and lives a much more rewarding and productive life. He no longer has to contend with an environment that constantly demands more productivity, more output, and more growth. In *Company of One*, Jarvis explains how you can find the right pathway to do the same, including planning how to set up your shop, determining your desired revenues, dealing with unexpected crises, keeping your key clients happy, and of course, doing all of this on your own.

A Wrinkle in Time

Marika Ray

The Miracle Morning for Network Marketers uses Hal Elrod's global phenomenon to show you habits you can adopt from the best

performers in your field. By changing your strategies, mindsets, and rituals to match the top 1% of network marketers, you'll grow yourself and your business faster than you ever thought possible.

Time Millionaire

Thomas Nelson Inc

Customer First. Team

Second. Ego

Third. What if the key to

the next level of your business is to return to what motivated you at the beginning of your business? Network marketers are so often concerned with how to duplicate themselves in their business that they lose sight of what's most important: helping customers experience the life-changing properties of your product. Tasha Smith shows you how to increase your team

sales by focusing all of your energy on creating impact for customers. Tasha has been coaching and training people in sales for 19 years, and has been able to help thousands of people be successful without being "salesy" or pushy. Instead of asking a question like, "how do I find more committed builders?" Tasha asks, "how can we provide the very best experience possible for customers, and how can we lead a team to do the same?" In Customer First, Tasha shows you how to bust through the blocks you have in your business, communicate with customers authentically AND effectively to help them solve their problems. You will also

learn how to make more sales without all of the follow-up and nagging, grow and duplicate your team and show up consistently as the best version of yourself.

Ready to Harness the Remarkable Power of Consistency? Everyone wants to achieve long-term success, yet many people fall short. The question is, why? The answer is simple: it's a lack of performance consistency. Consistency is the baseline skill that unleashes all the others. And until this skill is mastered, true

potential is never realized. Yet most people struggle to keep up any kind of consistent effort, especially when it comes to building their network marketing business. If you've had a life-long challenge with consistency, you're finally going to understand why. More importantly, you're going to begin to change. And if you're a leader, you're going to understand how to support that change in others on your team. Author George Campbell readily admits for most of his life he had obvious talent and potential and yet was infuriatingly inconsistent. Co-author Jim Packard on the other hand, is a man with an unbroken string of successes, in

his personal life and in business. It is with their two unique perspectives that they share The Consistency Chain. The key to harnessing the power of consistency is in your hands. The only way this book won't help you, is if you don't read it. Scroll up and order your copy today!

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the

arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in

search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. *Why Staying Small Is the Next Big Thing for Business* Harper Collins 7-figure entrepreneur mommies, Denise Walsh & Kami Dempsey teach you how to start living the life of your dreams with your own direct sales business. Whether you're still thinking about starting your own business or wanting to get back into it after an unsuccessful prior attempt, these millionaire moms will teach you how to identify your own unique, God-given talents to build a business that provides a legacy of freedom and wealth for your

family for years to come. If you want to stop trading your time for money and want to start spending more time with the people you love, this book is for you. It doesn't matter if you have any experience in sales, what education you've had, or how old you are--if you're willing to spend a couple hours reading this book and you can commit to doing the exercises within, we know you will be successful with your own business. If you're ready to start creating a residual income that will serve you for a lifetime, we're ready to show you how!
