JAMARI CASSIDY

Fast Food! Gulp! Gulp!
Simon and Schuster
Funny, clever, surreal,
and thought-provoking,
this Kafkaesque
masterpiece introduces
the unforgettable
Bjorn, an exceptionally

meticulous office
worker striving to live
life on his own terms.
Bjorn is a compulsive,
meticulous bureaucrat
who discovers a secret
room at the
government office
where he works--a
secret room that no
one else in his office
will acknowledge.
When Bjorn is in his

room, what his co-workers see is him standing by the wall and staring off into space looking dazed, relaxed, and decidedly creepy. Bjorn's bizarre behavior eventually leads his co-workers to try and have him fired, but Bjorn will turn the tables on them with help from his secret room. Debut author Jonas Karlsson doesn't leave a word out of place in this brilliant, bizarre, delightful take on how far we will go--in a world ruled by conformity--to live an individual and examined life.

Tops & Bottoms Harper Collins

"To read Cove is to take a masterclass in taking out everything but the essentials. This is writing stripped back to the bone, and storytelling that gets

under the skin.

Powerful, terrifying, brilliantly done."—Jon McGregor, author of *Reservoir 13* Out at sea, in a sudden storm, a man is struck by lightning. When he wakes, injured and adrift on a kayak, his memory of who he is and how he came to be here is all but shattered. He will need to rely on his instincts, resilience, and imagination to get safely back to the woman he dimly senses is waiting for his return. This is an extraordinary, visceral portrait of a man locked in a struggle with the forces of nature.

Bat Loves the Night

Bearport Publishing
How does it feel to be near the North Pole when it's so cold that a cup of hot water,

thrown in the air, explodes into ice particles? What's it like to be somewhere even colder - the South Pole, where a refrigerator containing fruits and vegetables has to be heated? Come and explore these two places where few people have ever been. Life on the Ice is brimming with fabulous photos and frigid facts about working and living in these exotic frozen worlds.

Bold As Love Penguin
After endless practice hours on the court, a young Michael Jordan reached the day when his moves were as good as his older brother Larry, and so challenged him to a game for all to see-- becoming the victor to the surprise of his family.

Mountains Houghton

Mifflin Harcourt

A young man realizes his dream by listening the voice of nature. *A Novel* Little, Brown
Tells about the structure of trees and how they grow, as well as their uses.

Nine Americans and Their Epic Quest for Gold at the 1936 Berlin Olympics Houghton

Mifflin Harcourt

The Kamishibai man used to ride his bicycle into town where he would tell stories to the children and sell them candy, but gradually, fewer and fewer children came running at the sound of his clappers. They were all watching their new televisions instead. Finally, only one boy remained, and he had no money for candy. Years later, the Kamishibai man and his wife made another

batch of candy, and he pedaled into town to tell one more story—his own. When he comes out of the reverie of his memories, he looks around to see he is surrounded by familiar faces—the children he used to entertain have returned, all grown up and more eager than ever to listen to his delightful tales. Using two very different yet remarkable styles of art, Allen Say tells a tale within a tale, transporting readers seamlessly to the Japan of his memories.

The Amazing Adventures of Phoenix Jones Houghton Mifflin Harcourt

Hare solves his family's problems by tricking rich and lazy Bear in this funny, energetic version of an old slave story. With roots in

American slave tales, *Tops & Bottoms* celebrates the trickster tradition of using one's wits to overcome hardship. "As usual, Stevens' animal characters, bold and colorful, are delightful. . . . It's all wonderful fun, and the book opens, fittingly, from top to bottom instead of from side to side, making it perfect for story-time sharing."--Booklist

From the Life of Michael Jordan
Houghton Mifflin Harcourt

Destiny loves words, and her favorite place in the world is Mrs. Wade's bookstore, where words abound.

Life on the Ice
Houghton Mifflin Harcourt

Arthur and Stella Crandall, two dogs, are for the most part

content with their lives until a fly gets mixed up while granting Arthur three wishes.

Stillicide Penguin

How did Thomas Edison grow up to be America's greatest inventor? Michael Dooling explores the beginnings of Edison's genius as a young scientist to the man everyone called "The Wizard."

A Novel Gateway

Shows two illustrators going through all the steps involved in creating new picture books of "Jack and the Beanstalk," including layout, scale, and point-of-view.

A Novel Candlewick Press

Bestselling author Jon Ronson walks the mean streets of America where he finds real life, modern day superheroes. Fighting

crime, saving old ladies, and chasing away drug dealers - all while wearing a mask and a cape. Phoenix Jones patrols Seattle, masked, muscles rippling, while corner boys scatter and teenage runaways are helped, whether they want it or not. He might still see his pediatrician when superhero-ing gets a little too intense, but he'll be back out there with his ass-kicking comrades as soon as he's bandaged up. These do-gooding citizens talk the talk, and walk the walk of mythical superheroes - the only thing they're missing is actual supernatural powers. The Amazing Adventures of Phoenix Jones is an inside, intimate look at the world of amateur

superheroes and a front row seat to their adventures.

The Thursday Murder Club Simon and Schuster

An inspiring story with lessons on teamwork—written for kids, but valuable to everyone Adapted from Jon Gordon’s bestseller *The Hard Hat*, *The Hard Hat for Kids* is an inspiring story that teaches children how to be a great teammate. An engaging tale that resonates with all children, the *10 Ways to be a Great Teammate* and the “We before Me” philosophy, make this book an enjoyable read and an invaluable teaching tool for coaches, teachers, and parents. *The Hard Hat for Kids* presents practical insights and

life-changing lessons that are immediately applicable to everyday situations, giving kids—and adults—a new outlook on cooperation, friendship, and the selfless nature of true teamwork. Mickey is a spunky talented basketball lover who has always dreamed about playing on her school’s team. On the first day of practice, she learns of a special award given to the best teammate—and soon discovers that there is a big difference between being the best player and being the best teammate. What follows is an unforgettable story about selflessness, loyalty, hard work, and compassion, and a clear lesson on putting the team first. Author

Jon Gordon is a renowned storyteller with a knack for making life lessons stick. For this book he has teamed up with Dr. Lauren Gallagher, a school psychologist and mental skills coach who shares her passion for bringing valuable lessons to children in a way that is fun and educational. Fittingly, Dr. Gallagher is also the wife of Jon's college lacrosse teammate at Cornell University where the Hard Hat tradition began. This book continues Jon's unique way of merging everyday wisdom with practical advice to make you better at everything that you do. *The Hard Hat for Kids* tells a moving story of teamwork and friendship which is sure to be enjoyed by

families, sports teams, and classrooms of children everywhere. *A World War II Story of Survival, Resilience, and Redemption* Penguin
The #1 New York Times–bestselling story about the American Olympic rowing triumph in Nazi Germany—from the author of *Facing the Mountain*. For readers of *Unbroken*, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a

team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington's eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys' own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable

achievement, and a chronicle of one extraordinary young man's personal quest. Hogarth
Two individuals from different countries but who share one ancestral bloodline race to thwart a terrorist plot in Jerusalem—the first heart-pounding book in a new epic trilogy that delves into the dark underbelly of the Holy City. Bilal, a radicalized Palestinian youth, is promised paradise if he destroys the Western Wall. But his attempted terrorist attack fails and he finds himself in the hands of a young Jewish surgeon, Yael Cohen. After saving his life, Yael makes the startling discovery that her DNA and Bilal's are nearly identical, sparking suspicion that their connection is

greater than mere coincidence. Their search for answers soon puts them in the middle of a high-stakes international conspiracy—one that has its roots in the blood of thousands, and now threatens to spill the blood of thousands more. Unknown to Bilal and Yael, theirs is the last chapter in a story that crosses millennia. Century after century, two ancient families—bloodline ancestors of Yael and Bilal—defied the power of corrupt kings and conquerors, fighting to forge an alliance and lasting peace. But through many years of secret dealings and war, kinships were shattered, dynasties fell apart, and evil gained a foothold. Now, in modern Israel,

those same sinister forces are at work, stopping at nothing to take control of the Holy Land and silence anyone in their way. Through imprisonment, assassination attempts, and political machinations, Bilal and Yael must ultimately confront the truth of who they are. But is the common blood of two individuals enough to bring two enemy peoples together, and stave off the destruction that threatens them both? Crossing borders, centuries, and battlegrounds, *Bloodline* is a thrilling, ultimately redemptive story taking place in the shadows of one of the oldest, most sacred cities in the world. *The Trial of Cardigan Jones Beyond Words/Atria Books*

Beginning with the absolutely critical first moments of the outbreak in China, and ending with an epilogue on the vaccine rollout and the unprecedented events between the election of Joseph Biden and his inauguration, Lawrence Wright's *The Plague Year* surges forward with essential information--and fascinating historical parallels--examining the medical, economic, political, and social ramifications of the COVID-19 pandemic.

America in the Time of COVID Knopf

An astonishingly realised dystopian world from a master storyteller, first heard on BBC Radio 4.

[The Ultimate Guide to Crafting Fiction for Young Adult and Middle Grade Readers](#)

Houghton Mifflin Harcourt

"In 1790, Lavinia, a seven-year-old Irish orphan with no memory of her past, arrives on a tobacco plantation where she is put to work as an indentured servant with the kitchen house slaves. Though she becomes deeply bonded to her new family, Lavinia is also slowly accepted into the world of the big house, where the master is absent and the mistress battles opium addiction. As time passes she finds herself perilously straddling two very different worlds and when loyalties are brought into question, dangerous truths are laid bare and lives are at risk."--Publisher's description.

Aero and Officer

Mike Catapult

Three extraordinary people in some most extraordinary times:

It's Dissolution

Summer and as the United Kingdom

prepares to break up into separate nations,

the Counterculturals have gathered for a festival where

everything's allowed.

Among them is a

talented little brat

called Fiorinda, rock

and roll princess by

birth, searching for her father, the legendary Rufus O'Niall. Instead, she finds Ax Preston, the softly spoken guitarman with bizarre delusions about saving the country from the dark ages. Together with Sage Pender, techno-wizard king of the lads, they join the pop-icon team that's supposed to make the government look cool. Rock Legends. True Romance. A stunning fantasy about England.
