*The History of a National Minority* Hitler's Forgotten Ally  
 Ion Antonescu and his Regime, Romania 1940-1944  
 Ch. 1 (pp. 1-48) deals with the period before 1917, discussing Church-inspired anti-Jewish policies from the 15th century onwards, the ban on Jewish settlement up to the 18th century, and restrictions on the Jews

under Tsarist rule, culminating in a series of pogroms. Distinguishes three stages in Soviet Jewish history, with a section on antisemitism in each period. During 1917-1939, "the years of construction, " antisemitism was officially outlawed, yet it persisted due to a deep-rooted tradition and the need for an outlet for resentment against the regime. During 1939-1953, "the years of destruction, " Soviet Jews were victims of the Nazi extermination policy and Stalin's campaign against "Jewish cosmopolitanism" and Zionism. In the post-Stalin period, 1953-1983, antisemitic propaganda appeared in the mass

media and in literature, expressing traditional stereotypes as well as anti-Zionism. Mentions also discrimination in education and employment.

 This book is the first complete study in English of Antonescu's part in the Second World War. Antonescu was a major ally of Hitler and Romania fielded the third largest Axis army, joined the Tripartite Pact in November 1940 as a sovereign state and participated in the attack on the Soviet Union of 22 June 1941 as an equal partner of Germany.
