The highly acclaimed and successful approach of Language in Use continues from the Beginner and contains the same supportive approach for learners. 2019 Edition Teacher Created Resources Grammar provides a multitude of activities designed to instill basic

grammar skills vital to good communication. Learning to identify parts of speech such as nouns, verbs, and adjectives, as well as their relationships to one another, is the foundation for building excellent grammar. These skills are essential to help children develop confidence and skill in writing and speaking the English language. Activities review the basics of capitalization and provide additional practice in identifying and writing sentences. Exercises are designed so a

child can work with a minimum of supervision in a classroom or at home. Answer keys included.

Study efficiently with Nursing Key Topics Review: Pediatrics! This quick review and accompanying mobile web app focus on the most critical, practical, and relevant maternal nursing information to prepare you for success on course exams. Concise coverage includes topics from physical assessment and family-centered care to laboratory tests, nursing interventions, and care of the child with issues such as respiratory or cardiac problems. Summary tables and quick, bulleted lists make it easier to glance through and remember concepts. Mobile web app audio summaries

reinforce content when you are on the go. Best of all, it's easy to assess your understanding as you go along — because key pediatric topics are always immediately followed by review questions with correct answers and rationales. Emphasis on critical, practical, and relevant information helps you study and learn pediatric nursing in the most time-efficient way possible. Quick-access format reflects what busy students want — quality content sprinkled with review questions. Audio summaries on a mobile web app make it easy to review anytime, anywhere. NCLEX® exam-style review questions include answers and rationales, allowing you to assess your understanding and retention of the material. Bulleted lists let you see key content at a glance,

allowing for quick comprehension. Summary tables and illustrations make learning and review easier.
