LEONIDAS JEFFERSON

[With Willful Intent](#) InterVarsity Press

This introduction to contemporary theology looks at the origin and history of each movement, their major figures, and doctrinal emphases. The author evaluates the teachings and practices of each system in light of biblical Christianity.

Bloomsbury Publishing

The Oxford Handbook of Systematic Theology brings together a set of original and authoritative accounts of all the major areas of current research in Christian systematic theology, offering a thorough survey of the state of the discipline and of its prospects for those undertaking research and teaching in the field. The Handbook engages in a comprehensive examination of themes and approaches, guiding the reader through current debates and literatures in the context of the historical development of systematic theological reflection. Organized thematically, it treats in detail the full array of topics in systematic theology, as well as questions of its sources and norms, its relation to other theological and non-theological fields of enquiry, and some major trends in current work. Each chapter provides an analysis of research and debate on its topic. The focus is on doctrinal (rather than historical) questions, and on major (rather than ephemeral) debates. The aim is to stimulate readers to reach theological judgements on the basis of consideration of the range of opinion. Drawn from Europe, the UK, and North America, the authors are all leading practitioners of the discipline. Readers will find expert guidance as well as creative suggestions about the future direction of the study of Christian doctrine.

The Handbook of Global Contemporary Christianity: Themes and Developments in Culture, Politics, and Society maps the transformations of the largest of the major religions. International experts in the area detail challenges and dilemmas facing Christianity via its various global expressions, both old and new.

[Handbook of Contemporary Paganism](#) BRILL

"Janz has provided a wonderful reference tool for students, pastors, or anyone else interested in learning more about Martin Luther. In clear and concise language, Janz explains Luther's thought and opinion on a broad list of theological terms and topics."---David M. Whitford, Professor of the History of Christianity, United Theological Seminary; Associate Editor,

Sixteenth Century Journal; and author of Luther: A Guide for the Perplexed "As a user-friendly alternative to previous overviews of the reformer's thought in traditional forms, Janz's Handbook marshals insights from his years of engagement with Luther's writings to provide readers with succinct summaries of approximately sixty topics of general and scholarly interest, along with brief, lively digests on doctrinal, ethical, and related topics that have a significant place in the reformer's thinking. Throughout Janz displays his sensitivity to the larger framework of Luther's way of rendering the biblical message for his hearers and readers. This volume will serve its readers well."---Robert Kolb, Missions Professor Emeritus of Systematic Theology, Concordia Seminary, and author of Martin Luther, Confessor of the Faith This volume in the Westminster Handbooks to Christian Theology series provides a compact and lucid treatment of the main elements of the theology of Martin Luther (1483-1546). Janz, a top Luther expert, discusses the theological understandings that made Luther a leading figure in the sixteenth-century Protestant Reformation. This splendid guide will serve as a welcome reference for careful and accurate descriptions of the key components of Luther's theology.

[Handbook of Evangelical Theology](#) Wipf and Stock Publishers Explores more than 100 Old Testament themes. Each entry states the consensus reading, identifies what is at issue in the interpretive question, and discusses the practical significance of the issue for the church today, in part by suggesting contemporary connections to the ancient texts.--

[The Rowman & Littlefield Handbook of Contemporary Christianity in the United States](#) Emeth Press

What theologies are popular and formative of Christian thinking in the present day? How should they be assessed by those Christians who want to be "in the world" without being "of the world"? Theologies of the 21st Century begins with an overview of the historical roots from which current theological thinking has developed, and then moves on to a detailed evaluation of the chief doctrinal and practical emphases, taking an evangelical biblical perspective that seeks to be at once both critical and irenic.

[Handbook of Global Contemporary Christianity](#) Oxford University Press

The Moody Handbook of Theology leads the beginner into the appreciation and understanding of this essential field of study. It introduces the reader to the five dimensions that provide a comprehensive view of theology: biblical, systematic, historical, dogmatic and contemporary. The apostle Paul wrote that all Scripture is 'profitable for teaching' (2 Tim. 3:16), that Timothy

should 'pay close attention to...your teaching' (1 Tim. 4:16), and that leaders should 'be able both to exhort in sound doctrine and to refute those who contradict' (Titus 1:9). When he wrote these statements, Paul was referring to theology. Beyond giving basic definitions and general descriptions, author Paul Enns summarized the substantial features of theology. In this way, he provides a concise doctrinal reference tool for the newcomer as well as the seasoned scholar seeking a refresher. There are fifty-five informative charts located at strategic points throughout the book.

[A Handbook of Christian Theology](#) Routledge

This handbook provides thorough introductory articles on important themes in Christian theology. Along with cross-references and select bibliographies, it is an indispensable reference source. The Handbook consists of 148 topical entries arranged alphabetically. Instead of a Table of Contents, a "Routes For Reading" page suggests related entries, and cross-referencing makes 'surfing' this volume easier than ever.

[A Handbook of Theological Terms](#) Crossroad 8 Avenue Annotation What are the practical and theoretical issues that concern and shape theological ethics? This handbook offers a guide to the discipline. Written by an international group of 30 scholars, the book is aimed at all students and academics who want to explore more fully essential topics in Christian ethics.

[The Westminster Handbook to Medieval Theology](#) Baker Academic

In this quick and vibrant little book, Kelly Kapic presents the nature, method and manners of theological study for newcomers to the field. He emphasizes that theology is more than a school of thought about God, but an endeavor that affects who we are. "Theology is about life," writes Kapic. "It is not a conversation our souls can afford to avoid."

[The Oxford Handbook of Natural Theology](#) Rowman & Littlefield This Handbook provides an unprecedented overview of Brazil's religious landscape. Its three sections discuss specific religions/groups of traditions, Brazilian religions in the diaspora, and related issues (e.g., women, possession, politics, race and material culture).

[A Handbook of Contemporary Theology](#) A Handbook of Contemporary Theology

A growing number of nonprofessional readers of theology, whether as individuals, in study groups, or in college courses, treat religion as the subject of disciplined study. Some acquaintance with the technical and traditional vocabulary is an asset to them. This guide to the meaning and use of nearly 350 theological terms provides something of the history and

background of the terms it deals with. Copious cross-references add to the resources available for every entry. In the choice of terms to be explained, the primary emphasis is on those from systematic and philosophical theology. The text gives particular attention both to contemporary theology and to the historical differences between Protestants and Roman Catholics, and among Catholics.

The Westminster Handbook to Evangelical Theology Oxford University Press on Demand

This Handbook surveys the complex history of Trinitarian theology and reveals the Nicene unity still at work among Christians today despite ecumenical differences. Forty-five contributors examine doctrinal developments and variations from biblical times to the present day.

The Oxford Handbook of Early Modern Theology, 1600-1800 Moody Publishers

Accessible and comprehensive, *Contemporary Theology: An Introduction* by professor and author Kirk R. MacGregor provides a chronological survey of the major thinkers and schools of thought in modern theology in a manner that is both approachable and intriguing. Unique among introductions to contemporary theology, MacGregor includes: Evangelical perspectives alongside mainline and liberal developments The influence of philosophy and the recent Christian philosophical renaissance on theology Global contributions Recent developments in exegetical theology The implications of theological shifts on ethics and church life *Contemporary Theology: An Introduction* is noteworthy for making complex thought understandable and for tracing the landscape of modern theology in a well-organized and easy-to-follow manner.

A Handbook of Contemporary Theology Baker Academic

The Oxford Handbook of Evangelical Theology Oxford University Press

The Oxford Handbook of Natural Theology is the first collection to consider the full breadth of natural theology from both historical and contemporary perspectives and to bring together leading scholars to offer accessible high-level accounts of the major themes. The volume embodies and develops the recent revival of interest in natural theology as a topic of serious critical engagement. Frequently misunderstood or polemicized, natural theology is an under-studied yet persistent and pervasive presence throughout the history of thought about ultimate reality - from the classical Greek theology of the philosophers to twenty-first-century debates in science and religion. Of interest to students and scholars from a wide range of disciplines, this authoritative handbook draws on the very best of contemporary scholarship to present a critical overview of the subject area.

Thirty-eight new essays trace the transformations of natural theology in different historical and religious contexts, the place of natural theology in different philosophical traditions and diverse scientific disciplines, and the various cultural and aesthetic approaches to natural theology to reveal a rich seam of multifaceted theological reflection rooted in human nature and the environments within which we find ourselves.

The Westminster Handbook to Martin Luther Moody Publishers

The Handbook of Reading Theological German is the premier resource for equipping those interested in reading and translating original German source materials and preparing academics for German comprehension examination. The book is ideal for students in biblical studies, church history, Jewish studies, and theology. Coauthored by Katharina Hirt, a native German speaker and professional linguist, and Christopher Ryan Jones, a native English speaker and doctoral candidate in biblical studies, this collaboration draws on the latest developments in linguistics to present a cutting-edge teaching methodology for graduate students learning to read German for research. Attuned to the specific needs of English speakers learning German, this handbook is well suited for independent study or for use in the classroom. Providing abundant exercises and readings, Jones and Hirt's work provides an excellent entry point for students required to learn theological German. The Handbook of Reading Theological German provides: An introduction to German grammar A demonstration of the role that German theology has had in the development of modern Jewish and Christian practices. Guided readings and biographies of six major German theologians and philosophers Further, advanced readings with minimal guidance from contemporary authors in the areas of Hebrew Bible, New Testament, Jewish studies, church history, and theology, so that students can focus on literature from their chosen field of study

The Routledge Handbook of African Theology OUP Oxford

Theology has a rich tradition across the African continent, and has taken myriad directions since Christianity first arrived on its shores. This handbook charts both historical developments and contemporary issues in the formation and application of theologies across the member countries of the African Union. Written by a panel of expert international contributors, chapters firstly cover the various methodologies needed to carry out such a survey. Various theological movements and themes are then discussed, as well as biblical and doctrinal issues pertinent to African theology. Subjects addressed include: • Orality and theology • Indigenous religions and theology • Patristics • Pentecostalism • Liberation theology • Black theology • Social justice • Sexuality and theology • Environmental theology •

Christology • Eschatology • The Hebrew Bible and the New Testament The Routledge Handbook of African Theology is an authoritative and comprehensive survey of the theological landscape of Africa. As such, it will be a hugely useful volume to any scholar interested in African religious dynamics, as well as academics of Theology or Biblical Studies in an African context.

The Oxford Handbook of Systematic Theology BRILL

"The SCM Press A-Z of Evangelical Theology" is a comprehensive critical survey of the main persons, events, controversies, concepts, and institutions of twentieth-century evangelical theology. It will introduce readers to and be a reference work for the study of evangelicalism's distinctive theological vision in its unity and diversity. Olson explores evangelical theology through five lenses: The Story of Evangelical Theology; Movements and Organisations Related to Evangelical Theology; Key Figures in Evangelical Theology; Traditional Doctrines in Evangelical Theology; and Issues in Evangelical Theology. Here is a unique, compact narrative description of the origins, rise and significance of evangelical theology today. About the Author Roger E Olson is Professor of Theology at George W Truett Theological Seminary, Baylor University, USA.

Contemporary Theology: An Introduction, Revised Edition Kregel Academic

'With Willful Intent: A Theology of Sin' is a full orb'd examination of sin and the human Fall. Its intention is to provide the reader/student with both the materials and methodology to formulate his or her own biblically based theology of sin. The book is arranged in four sequential sections to guide the reader through the process of theological development. The first section, "A Historical Theology of Sin," furnishes a detailed outline of Christian thought on sin from the time of the early church to the present day. These chapters will help the reader to understand why so many differing views of sin and the Fall exist. The second section, "A Biblical Theology of Sin," is the keystone of theological formulation. It apprises the student of the biblical teaching on the human Fall and its subsequent ramifications. Because believers hold the Bible to be the fully inspired, all-sufficient Word of God, what it says about sin must be determinative in one's development of a theology of sin. The third section, "A Systematic Theology of Sin," seeks to synthesize the teaching of the Bible while drawing on the insights of history, science, and the social sciences. Topics covered include the nature of sin, its universality, its transmission, its relationship to Satan and the demonic, and its conquest through Jesus Christ. Any theology is worthless if it cannot be related to daily living. The conclusion, "A Practical Theology of Sin," demonstrates how the theology which has been formulated may be applied to the individual life of the believer and to the church's ministry.
