Certification Review for
Pharmacy Technicians has
been recognized as the
best review text for the
PTCB's National

Certification Exam by
pharmacy technicians
nationwide. But don't take
our word for it...here's
what just a few pharmacy
technicians and educators
have to say... "I am a
certified pharmacy
technician and an
instructor at the central
Arizona College,
Pharmacy Technician
Program. I have prepared
all of our technicians for
the national certification
exam with the text
Certification Review for

Pharmacy Technicians by
Noah Reifman. It is by far
the best study guide
available to prepare for
the PTCB exam." -Myela
Fox, CphT Banner Home
Care "I am a Pharmacy
Technician Instructor at
Stark State College and
Wayne College in Ohio.
Certification Review for
Pharmacy Technicians
written by Noah Reifman,
RPH, MS., changed fear
into confidence for the
PTCB exam. The text is
written in a 'reader
friendly' fashion yet very
'detail oriented'. It made
the difference for my
students." - Janice Norcia-
Sprinkle Pharmacy
Technician Instructor "I
found the review text
Certification Review for
Pharmacy Technicians to
cover all topics needed to
pass the national
certification exam. I
passed the exam with this
review book and have
personally recommended
it to many technicians
taking the exam. Written
by a pharmacist who
really cares about
technicians and their
future." Kelly Fash, CphT
With over 100,000 texts
sold, Certification Review
for Pharmacy Technicians

has an overall greater
than 96% pass rate.

recently developed scientific information to groups in industry, government, high schools, and universities, REA has since become a successful and highly respected publisher of study aids, test preps, handbooks, and reference works. REA's Test Preparation series includes study guides for all academic levels in almost all disciplines. Research & Education Association publishes test preps for students who have not yet completed high school, as well as high school students preparing to enter college. Students from countries around the world seeking to attend college in the United States will find the assistance they need in REA's publications. For college students seeking advanced degrees, REA publishes test preps for many major graduate school admission examinations in a wide variety of disciplines, including engineering, law, and medicine. Students at every level, in every field, with every ambition can find what they are looking for among REA's publications. While most test preparation books present practice tests that bear little resemblance to

the actual exams, REA's series presents tests that accurately depict the official exams in both degree of difficulty and types of questions. REA's practice tests are always based upon the most recently administered exams, and include every type of question that can be expected on the actual exams. REA's publications and educational materials are highly regarded and continually receive an unprecedented amount of praise from professionals, instructors, librarians, parents, and students. Our authors are as diverse as the fields represented *Hardwood Record* Houghton Mifflin Harcourt 100 Questions (and Answers) About Tests and Measurement asks (and answers) important questions about the world of social science measurement. It is ideal as an introduction to students new to the concepts, to advanced students and professionals looking to review ideas and procedures, as well as to those interested in knowing more about a test they have to take or how to interpret the score they receive.
