 "The year 2021 is a momentous one for Porsche as the marque looks back on 70 complete years of competition in the world's

greatest motor race. Packed with photography, narrative, and race results, Porsche at Le Mans is the definitive detailed illustrated history of this race legacy. Since the marque's memorable debut in 1951, Porsche has won outright at Le Mans more than any other marque, with a record series of seven consecutive victories from 1981 to 1987. This beautifully designed and extensively

illustrated book is the definitive history of Porsche's participation at Le Mans, chronicling both the works team cars and privateer entries. Readers will witness legendary Porsche models such as the 550 Spyder, 718 RSK, 904, 906, 907, 908, 910, 911, 917, 936, 935, 956, 962, and GT1-right up to the hybrid 919 that won from 2015 through 2017. In addition they will bear

witness to the exploits of great drivers like Derek Bell, Herbert Muller, Mario Andretti, Jacky Ickx, Jo Siffert, Jochen Rindt, Mark Donohue, and Vic Elford, to name a few. Meticulously researched by noted Porsche historian Glen Smale, Porsche at Le Mans is created with full access to the Porsche archives in Stuttgart. The result is a treasure trove of history, photographs, and data indispensable to any serious

Porsche or motorsport enthusiast"--
