Secret Wife Harvard University Press
 A Hulu Original Series Coming Soon "Riveting, fearless, and vividly original" (Emily St. John Mandel, New York Times bestselling author), this instant New York Times bestseller explores the tension that unfurls when two young Black women meet against the starkly white backdrop of New York City book publishing. Twenty-six-year-old editorial assistant Nella Rogers is tired of being the only Black employee at Wagner Books. Fed up with the isolation and microaggressions, she's thrilled when Harlem-born and bred Hazel starts working in the cubicle beside hers. They've only just started comparing natural hair care regimens, though, when a string of uncomfortable events elevates Hazel to Office Darling, and Nella is left in the dust. Then the notes begin to appear on Nella's desk: LEAVE WAGNER. NOW. It's hard to believe Hazel is behind these hostile messages. But as Nella starts to spiral and obsess over the sinister forces at play, she soon realizes that there's a lot more at stake than just her career. Having joined Wagner Books to honor the legacy of Burning Heart, a novel written and edited by two Black women, she had thought that this animosity was a relic of the past. Is Nella ready to take on the fight of a new generation? "Poignant, daring, and darkly funny, *The Other Black Girl* will have you stressed and exhilarated in equal measure through the very last twist" (Vulture). Three decades of celebrity portraiture from an acclaimed master of the genre The celebrity portraits of Austrian photographer Manfred Baumann (born 1968) capture distinct personalities while also framing them as special--larger than life. Through the lens of his Leica, Baumann has photographed countless celebrities of international renown, among them Sandra Bullock, William Shatner, Jack Black, Natalie Portman, Martin Sheen, Lionel Richie, Olivia Newton John, Bruce Willis, John Malkovich, Juliette Lewis, Angelina Jolie and Evander Holyfield. Baumann's mostly black-

and-white portraits often position the subject outside of the studio and within a scrupulously chosen backdrop--although Baumann calls Vienna and Los Angeles home, he frequently travels to shoot on location. The hardcover survey *Face to Face* compiles the best of the photographer's celebrity portraits. Viewed together, they give shape to the storyteller behind the camera and testify to the consistency and richness of his style.

Get married or lose my fortune. I'm Walker Allard, heir to a billion-dollar empire. My father is an overbearing man who won't quit until I do two things: get married, choosing from his approved list of women, and make his newest acquisition, a small-town restaurant, ultra-successful. But this is easier said than done. Everyone hates me. The entire restaurant staff has been fired, along with the owner and the only person who knows anything about the business, the owner's sexy daughter, Jaylyn Wilson, who is pissed at me. Then it gets worse. I hire her to work in my house and stupidly fall for her. I should know better - Jaylyn will never make my father's list; she's just an in-home cook. But never ask a man to choose between the woman he desperately loves and his family. You never know how it'll turn out. Of course I'm left with no choice but to make her my secret wife. **SECRET WIFE** is a standalone novel.

Wonkenstein

In order to survive in the wilderness, they'll have to survive each other. After the case they just closed, it's unsurprising FBI Special Agents Ty Grady and Zane Garrett are having trouble passing their psych evaluations. The only thing worse than a near-death experience is trying to lie to a shrink about it. And the only thing worse than that is being stuck on desk duty after failing. The two of them are soon ordered to take a vacation, before their exasperated coworkers finish what the serial killer started. Hoping to bolster their partnership in every sense of the word Ty invites Zane to visit his family in West Virginia, and Zane accepts. The mountains can't be that different from Texas, right? Snakes are snakes. When they join Ty's father and brother for a hike deep into the woods, the Grady family's dysfunction quickly becomes the least of their worries. The weather is bad, the wildlife is bloodthirsty, and their fellow hikers are ready to break out the banjos. Zane and Ty still have each other, but whether that will make the trip or break it remains to be seen.

Hated to Death

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-

from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is

an enemies-to-lovers, fake-dating.

It's at times like this I'm inspired by The Stupendous Santini. He toured the mid-West during the 1930s, entertaining farmers affected by the Dust Bowl. No one would have remembered him were it not for the fact that during his most famous trick - sword swallowing - he accidentally punctured a lung and died on the spot. He became a legend. Donny has committed an act that shocked everyone. Tabloids called him The Most Hated Boy Alive. But Donny doesn't want forgiveness. All Donny wants is . . . his own television show. Written by internationally acclaimed writer Philip Ridley, *Tonight With Donny Stix* is the companion piece to Ridley's 2013 Fringe First-winner *Dark Vanilla Jungle*, and received its premiere at the Soho Theatre, London, on 27 July 2015 before premiering at the Edinburgh Festival Fringe.
