possibly present a real picture of the marginalized class of Afro-

American women. 1.2. Problem statement The most conspicuous

aspect of this research is that Marxist Feminist ideology is not

applied on Toni Morrison's fictional work and there is a dire need

to fill that gap. So, this study willAn Exploration of Characteristics

of Marxist Feminist ...Ecofeminism, branch of feminism that

examines the connections between women and nature. Its name

was coined by French feminist Françoise d'Eaubonne in 1974.

Ecofeminism uses the basic feminist tenets of equality between

genders, a revaluing of non-patriarchal or nonlinear structures,

and a view ofEcofeminism | sociology and environmentalism |

BritannicaToni Morrison a famous African American woman writer,

portrays the plight of black women in her works. The status of

African American women was pathetic, and also oppressed by the

patriarchal society. In the contemporary world still they are not

able to come up with their own identity, because of the male and

whites domination.A FEMINIST STUDY OF TONI MORRISON'S THE

BLUEST EYEModern ecofeminism, or feminist eco-criticism,

eschews such essentialism and instead focuses more on

intersectional questions, such as how the nature-culture split

enables the oppression of female and nonhuman bodies. It is also

an activist and academic movement that sees critical connections

between the exploitation of nature and the domination over

women both caused by men.Ecofeminism - Wikipedia(ii)

Understanding the nature of these connections is necessary to

any adequate understanding of the oppression of women and the

oppression of nature. (iii) Feminist theory and practice must

include an ecological perspective. (iv)Solution to ecological

problems must include a feminism perspective.Ecofeminism In
