Cricket McKay and her best friend, Shilo, are enjoying the last few weeks of summer vacation when they discover that something is killing bats around Grandpa McKay's farm. Could the new wind turbines be the cause? The kids do some detective work and then jump into action coming up with a plan to save the bats. Bats in Trouble is the third book featuring animal-activist Cricket MacKay, following Ospreys in Danger and Salamander Rescue.

The Boys in the Boat Silver Publishing

This "novel of extraordinary humanity" (Madeleine Thien, author of Do Not Say We Have Nothing) from New York Times bestselling author Vaddey Ratner reveals "the endless ways that families can be forged and broken hearts held" (Chicago Tribune) as a young woman begins an odyssey to discover the truth about her missing father. Leaving the safety of America, Teera returns to Cambodia for the first time since her harrowing escape as a child refugee. She carries a letter from a man who mysteriously signs himself as "the Old Musician" and claims to have known her father in the Khmer Rouge prison where he disappeared twenty-five years ago. In Phnom Penh, Teera finds a society still in turmoil, where perpetrators and survivors of unfathomable violence live side by side, striving to mend their still beloved country. She meets a young doctor who begins to open her heart, confronts her long-buried memories, and prepares to learn her father's fate. Meanwhile, the Old Musician, who earns his modest keep playing

ceremonial music at a temple, awaits Teera's visit. He will have to confess the bonds he shared with her parents, the passion with which they all embraced the Khmer Rouge's illusory promise of a democratic society, and the truth about her father's end. A love story for things lost and restored, a lyrical hymn to the power of forgiveness, Music of the Ghosts is a "sensitive portrait of the inheritance of survival" (USA TODAY) and a journey through the embattled geography of the heart where love can be reborn.

The second book in the bestselling Chronicles of St Mary's series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. Wherever the historians go, chaos is sure to follow... Dispatched to Victorian London to seek out Jack the Ripper, things go badly wrong when he finds the St Mary's historians first. Stalked through the fog-shrouded streets of Whitechapel, Max is soon running for her life. Again. And that's just the start. Max finds herself in a race against time when an old enemy is intent on destroying St Mary's. An enemy willing, if necessary, to destroy History itself. From the Hanging Gardens of Nineveh to the murder of Thomas a Becket, via an unscheduled dodo rescue mission, join the historians of St Mary's as they hurtle around History on more hilarious, hair-raising escapades Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonista Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun'

'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force'

The Play of Daniel Keyes' Flowers for Algernon Headline

The debut poetry collection from Grammy-nominated recording artist and slam poet Tarriona "Tank" Ball about infatuation, love, and heartbreak. The real-life story of a relationship in the author's past told in verse and short prose pieces. Relatable and honest, with Tank's signature mix of whimsy and realness, *Vulnerable AF* is about the difference between love and infatuation, the danger and confusion of losing yourself in the idea of someone else, and coming out on the other side of heartbreak with your sense of self-worth—and your sense of humor—stronger for it.

A breakthrough novel from the acclaimed young American writer Boris Leonidovich, a North American professor who specializes in the history of prison architecture, has been invited to Buenos Aires for an academic conference. He's planning to present a paper on Moscow's feared Butyrka prison, but most of all he's looking forward to seeing his enigmatic, fiercely intelligent colleague (and sometime lover) Ana again. As soon as Boris arrives, however, he encounters obstacle after unlikely obstacle: he can't get in touch with Ana, he locks himself out of his rented room, and he discovers dog-feeding stations and water bowls set before every house and business. With night approaching, he finds himself lost and alone in a foreign city filled with stray dogs, all flowing with sinister, bewildering purpose though the darkness... Shadowed with foreboding, and yet alive with the comical mischief of César Aira and the nimble touch of a great stylist, *Dog Symphony* is an un-nerving and propulsive novel by a talented new American voice.

"A mesmerizing, mythic saga" of a Texas family damaged by a dark past, and a son driven by a need for redemption (The New York Times Book Review). On a moonless Texas night in 1895, an ambitious young landowner suffers the loss of his wife—"the only woman he's ever been fond of"—when she dies giving birth to their fourth son, Karel. The boy is forever haunted by thoughts of the mother he never knew and the bloodshot blame in his father's eyes, and is permanently marked by the yoke he and his brothers are forced to wear to plow the family fields. But from an early age, Karel proves remarkably talented on horseback, and his father enlists him to ride in horseraces against his neighbors, with acreage as the prize. Now, Karel prepares for a high-stakes race against a powerful Spanish patriarch and his alluring daughters—and hanging in the balance are his father's fortune, his brothers' futures, and his own fate—in this "powerful story of familial love, anguish, and hatred" (The Dallas Morning News). "[A] luminous and wrenching tale of four motherless brothers." —Entertainment Weekly "This intense, fast-paced debut novel is hard to put down. Machart's hard-hitting style is sure to capture fans of Cormac McCarthy and Jim Harrison." —Library Journal, starred review "A gripping American drama." —Tim O'Brien, author of *The Things They Carried*

The Portages Grow Longer Candlewick Press

National Outdoor Book Awards Winner Winner of the BANFF Adventure Travel Award "A thrilling and harrowing story. If it's a cliché to say I couldn't put this book down, well, too bad: I couldn't put this book down." —Jess Walter, bestselling author of *Beautiful Ruins* "Polar exploration is utter madness. It is the insistence of life where life shouldn't exist. And so, *Labyrinth of Ice* shows you exactly what happens when the unstoppable meets the unmovable. Buddy Levy outdoes himself here. The details and story are magnificent." —Brad Meltzer, bestselling author of *The First Conspiracy*: The Secret Plot to Kill George Washington Based on the author's exhaustive research, the incredible true story of the Greely Expedition, one of the most harrowing adventures in the annals of polar exploration. In July 1881, Lt. A.W. Greely and his crew of 24 scientists and explorers were bound for the last region unmarked on global maps. Their goal: Farthest North. What would follow was one of the most extraordinary and terrible voyages ever made. Greely and his men confronted every possible challenge—vicious wolves, sub-zero temperatures, and months of total darkness—as they set about exploring one of the most remote, unrelenting environments on the planet. In May 1882, they broke the 300-year-old record, and returned to camp to eagerly await the resupply ship scheduled to return at the end of the year. Only nothing came. 250 miles south, a wall of ice prevented any rescue from reaching them. Provisions thinned and a second winter descended. Back home, Greely's wife worked tirelessly against government resistance to rally a rescue mission. Months passed, and Greely made a drastic choice: he and his men loaded the remaining provisions and tools onto their five small boats, and pushed off into the treacherous waters. After just two weeks, dangerous floes surrounded them. Now new dangers awaited: insanity, threats of mutiny, and cannibalism. As food dwindled and the men weakened, Greely's expedition clung desperately to life. *Labyrinth of Ice* tells the true story of the heroic lives and deaths of these voyagers hell-bent on fame and fortune—at any cost—and how their journey changed the world.

Dead End in Norvelt is the winner of the 2012 Newbery Medal for the year's best contribution to children's literature and the Scott O'Dell Award for Historical Fiction! Melding the entirely true and the wildly fictional, *Dead End in Norvelt* is a novel about an incredible two months for a kid named Jack Gantos, whose plans for vacation excitement are shot down when he is "grounded for life" by his feuding parents, and whose nose spews bad blood at every little shock he gets. But plenty of excitement (and shocks) are coming Jack's way once his mom loans him out to help a feisty old neighbor with a most unusual chore—typewriting obituaries filled with stories about the people who founded his utopian town. As one obituary leads to another, Jack is launched on a strange adventure involving molten wax, Eleanor Roosevelt, twisted promises, a homemade airplane, Girl Scout cookies, a man on a trike, a dancing plague, voices from the past, Hells Angels . . . and possibly murder. Endlessly surprising, this sly, sharp-edged narrative is the author at his very best, making readers laugh out loud at the most unexpected things in a dead-funny depiction of growing up in a slightly off-kilter place where the past is present, the present is confusing, and the future is completely up in the air.

Labyrinth of Ice Heinemann

The tenth book in the bestselling *Chronicles of St Mary's* series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde, Ben Aaronovitch or Doctor Who, you won't be able to resist Jodi Taylor. 'Jodi Taylor does it again. A brilliant yomp through history' - Reader Review You can't change History. History doesn't like it. There are always consequences. Max is no stranger to taking matters into her own hands. Especially when she's had A Brilliant Idea. Yes, it will mean breaking a few rules, but - as Max always says - they're not

her rules. Seconded to the Time Police to join in the hunt for the renegade Clive Ronan, Max is a long way from St Mary's. But life in the future does have its plus points - although not for long. A problem with the Time Map reveals chaos in the 16th century and the wrong Tudor queen on the throne. History has gone rogue, there's a St Mary's team right in the firing line and Max must step up. You know what they say. Hope for the best. But plan for the worst. Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonista Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force'

From Pura Belpré Award-winning author Margarita Engle comes a lively, rhythmic picture book about a little girl visiting her grandfather who is a pregonero—a singing street vendor in Cuba—and helping him sell his frutas. When we visit mi abuelo, I help him sell frutas, singing the names of each fruit as we walk, our footsteps like drumbeats, our hands like maracas, shaking... The little girl loves visiting her grandfather in Cuba and singing his special songs to sell all kinds of fruit: mango, limón, naranja, piña, and more! Even when they're apart, grandfather and granddaughter can share rhymes between their countries like un abrazo—a hug—made of words carried on letters that soar across the distance like songbirds.

The fourth book in the bestselling *Chronicles of St Mary's* series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. Sometimes, surviving is all you have left. Max and Leon are safe at last. Or so they think. Snatched from her own world and dumped into a new one, Max is soon running for her life. Again. From a 17th century Frost Fair to Ancient Egypt; from Pompeii to 8th century Scandinavia; Max and Leon are pursued up and down the timeline, playing a dangerous game of hide-and-seek, until finally they're forced to take refuge at St Mary's where a new danger awaits them. Max's happily ever after is going to have to wait a while... Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonista Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force'

The Symphony of Mission Headline

A special *Chronicles of St Mary's* Christmas short story that is sure to entertain. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. It's Christmas at St Mary's and time for the traditional illicit jump. Except this one is perfectly legal. It's Major Guthrie's last jump. To the Battle of Bannockburn, no less. An important moment in History for two nations - one that warrants everyone's full attention. But Max soon finds herself grappling with a near-lethal game of pooh sticks, another avian incursion and two turbulent teenagers intent on piloting their own illegal jump. And that's all before they even get near fourteenth-century Scotland. For this is St Mary's and nothing is ever simple . . . Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Jodi Taylor and her protagonista Madeleine "Max" Maxwell have seduced me' 'A great mix of British proper-ness and humour with a large dollop of historical fun' 'Addictive. I wish St Mary's was real and I was a part of it' 'Jodi Taylor has an imagination that gets me completely hooked' 'A tour de force'

The first three extraordinary adventures in the *Chronicles of St Mary's* series, now available together in ebook. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. 'The *Chronicles of St Mary's* are the stories of a bunch of time travelling historians who investigate major historical events in contemporary time. Do NOT call it time travel. They are frequently described as "a bunch of tea-sodden disaster magnets", bouncing from crisis to catastrophe and back again. For is it not written, where historians go disaster is sure to follow?' - Jodi Taylor In these first three novels, meet the disaster magnets of St Mary's as they hurtle their way around History. JUST ONE DAMNED THING AFTER ANOTHER When Madeleine Maxwell is recruited by the St Mary's Institute of Historical Research, she discovers the historians there don't just study the past - they revisit it. But one wrong move and History will fight back - to the death. And she soon discovers it's not just History she's fighting... A SYMPHONY OF ECHOES Dispatched to Victorian London to seek out Jack the Ripper, things go badly wrong when he finds the St Mary's historians first. Stalked through the fog-shrouded streets of Whitechapel, Max is soon running for her life. Again. A SECOND CHANCE It began well. A successful assignment to 17th century Cambridge to meet Isaac Newton, and another to witness the historic events at The Gates of Grief. So far so good. But then came the long-awaited jump to the Trojan War that changed everything. And for Max, nothing will ever be the same again. Readers love Jodi Taylor: 'Once in a while, I discover an author who changes everything... Bats in Trouble A Symphony of Echoes

The exodus—the story of God leading his chosen people out of slavery in Egypt—stands as a pivotal event in the Old Testament. But if you listen closely, you will hear echoes of this story of redemption all throughout God's Word. Using music as a metaphor, the authors point us to the recurring theme of the exodus throughout the entire symphony of Scripture, shedding light on the Bible's unified message of salvation and restoration that is at the heart of God's plan for the world.

Echoes of Exodus Farrar, Straus and Giroux (BYR)

Marty Strauss, a gambling addict recently released from prison, is hired to be the personal bodyguard of Joseph Whitehead, one of the wealthiest men in the world. The job proves more complicated and dangerous than he thought, however, as Marty soon gets caught up in a series of supernatural events involving Whitehead, his daughter (who is a heroin addict), and a devilish man named Mamoulia, with whom Whitehead made a Faustian bargain many years earlier, during World War II. As time passes, Mamoulia haunts Whitehead using his supernatural powers (such as the ability to raise the dead), urging him to complete his pact with him. Eventually Whitehead decides to escape his fate after a few encounters with Mamoulia and having his wife, former bodyguard, and now his daughter Carys taken away from him. With hope still left to save Carys, Marty Strauss, although reluctant to get involved in the old man Whitehead's deserved punishment, decides to get involved and attempt to save the innocent gifted addict

from being another victim to the damnation game

The #1 New York Times–bestselling story about the American Olympic rowing triumph in Nazi Germany—from the author of *Facing the Mountain*. Soon to be a major motion picture directed by George Clooney For readers of *Unbroken*, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington's eight-oar crew team was never expected to defeat

the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys' own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man's personal quest.
