Culture Little, Brown Books for Young Readers Get your spook on with the classic Monster High characters—the ghouls that started it all—while they hit up their old haunts in this all-new, original YA novel starring Draculaura, set in the world of Mattel’s Monster High, and written by author Tiffany Schmidt When a horrific loss throws Monster High into a state of grave upheaval, Draculaura

and the other ghouls find themselves coping in different ways. Cleo and her family sense opportunity in the mayhem, grasping at control and leaving the rest of the ghouls’ loyalties divided. For her part, the chaos at school is making Draculaura sick. She feels more exhausted by the day, and she finds escape only by slipping away to the cemetery to pore over her

mom’s old journals. It’s there that she meets Poe, a handsome human harboring some darkness of his own. Soon Draculaura finds herself caught in an impossible web of lies. If her ghoulfriends find out she’s fallen for a normie, they’ll freak. And if Poe discovers she’s a vampire, his monster-hunting dad may have a stake in the matter. Meanwhile, dangerous events have

the "horrors" of trying to fit in. The monster community has kept a low profile at the local high school, but when two new girls enroll, the town will never be the same. Created just fifteen days ago, Frankie Stein is psyched to trade her father's formaldehyde-smelling basement lab for parties and prom. But with a student body totally freaked out by rumors of monsters stalking the halls, Frankie

learns that high school can be rough for a chic freak like her. She thinks she finds a friend in fellow new student Melody Carver-but can a "normie" be trusted with her big secret?
Monster High: Ghoulfriends Forever
 Little, Brown Books for Young Readers
 When Draculaura is led to believe she's the rightful heir to the vampire throne, she and her best

ghoulfriends are whisked away to Transylvania for a royal coronation to die for. But they soon discover the hunt for the queen is not over yet. The Ghouls must locate an ancient artifact known as the Vampire's Heart in order to discover the identity of the true Vampire Queen. It's a fangtastic adventure that will lead them from the Tower of Londoomb, to a haunted river boat in New

Goreleans and finally to the glamorous boo-vie lots of Hauntlywood. Could this be the moment when Draculaura finally receives her vampire powers and discovers screams really can come true?
