*Nature and Authenticity* Oxford University Press, USA  
The extraordinary life of the man who founded Islam, and the world he inhabited—and remade. Lesley Hazleton's new book, *Agnostic: A Spirited Manifesto*, is out now from Riverhead Books. Muhammad's was a life of almost unparalleled historical importance; yet for all the iconic power of his name, the intensely dramatic story of the prophet of Islam is not well known. In *The First Muslim*, Lesley Hazleton brings him vibrantly to life. Drawing

on early eyewitness sources and on history, politics, religion, and psychology, she renders him as a man in full, in all his complexity and vitality. Hazleton's account follows the arc of Muhammad's rise from powerlessness to power, from anonymity to renown, from insignificance to lasting significance. How did a child shunted to the margins end up revolutionizing his world? How did a merchant come to challenge the established order with a new vision of social justice? How did the pariah hounded out of Mecca turn exile into a new and victorious beginning? How did the outsider become the ultimate insider? Impeccably researched and thrillingly readable, Hazleton's narrative creates vivid insight into a man navigating between idealism and pragmatism, faith

and politics, nonviolence and violence, rejection and acclaim. The First Muslim illuminates not only an immensely significant figure but his lastingly relevant legacy.

**The Definitive Biography** Blurb

Drawing on traditional Muslim sources, Michael Cook describes Muhammad's life and teaching. He also attempts to stand back from this traditional picture to show how far it is historically justified.

Kube Publishing Ltd

Ten revised versions of presentations at an international colloquium held in October 1997 in Nijmegen, the Netherlands, provide a range of methodological approaches and use varying types of evidence to examine issues around the sources for the several biographies of The Prophet written between the end of the second and end of the third Islamic centuries. Five of them look at the development of the sira tradition of writing the life of Muhammad; the other five at the historical reliability of the biographical source material, including that used by the earliest Christian writings. Life and Times of Elijah Muhammad

**A Biography of the World's Most Notorious Prophet**

Penguin UK

The Complete Biography of Prophet Muhammad SAW The Last Messenger of God In Islam Faith. Biografi Nabi Muhammad SAW Edisi Bilingual. Prophet Muhammad SAW from Mecca, unified Arabia into a single religious polity under Islam faith. Believed by Muslims to be a prophet and messenger of Allah SWT (God), Muhammad is almost universally considered by Muslims as the last prophet sent by God to mankind. While non-Muslims generally regard Muhammad as the founder of Islam, Muslims consider him to have restored the unaltered original monotheistic faith of Prophet Abraham, Prophet Moses, Prophet Jesus and other prophets. Born approximately in 570 CE in the Arabian city of Mecca, Prophet Muhammad SAW was orphaned at an early age; he was raised under the care of his paternal uncle Abu Talib. After his childhood Muhammad primarily worked as a merchant. Occasionally he would retreat to a cave in the mountains for several nights of seclusion and prayer; later, at age 40, he reported at this spot, that he was visited by Angel Gabriel and received his first revelation from Allah SWT (God). Three years after this event Prophet Muhammad SAW started preaching these revelations publicly, proclaiming that "God is One." Prophet Muhammad SAW, may the mercy and blessings of God be upon him, is the man beloved by more than 1.5 billion Muslims. He is the man who taught us patience in the face of adversity, and taught us to live in this world but seek eternal life in the hereafter. It was to Prophet Muhammad SAW that God revealed the Quran. Along with this Book of guidance God sent Prophet

Muhammad SAW, whose behavior and high moral standards are an example to us all. Prophet Muhammad's life was the Quran. He understood it, he loved it and he lived his life based on its standards. He taught us to recite the Holy Quran, to live by its principles and to love it. When Muslims declare their faith in One God, they also declare their belief that Muhammad is the slave and final messenger of God.

**The Life of Muhammad** Rowman & Littlefield

Muhammad, the prophet-founder of Islam, is one of the most influential and misunderstood figures of history. The religion he founded in mid-seventh century Arabia now has over 1.5 billion followers and his impact on world affairs is immense. In this small volume, a Muslim and non-Muslim come together to tell the story of Muhammad's life and teachings in straightforward language that will appeal to all who seek an easy to read primer on the Prophet and his teachings.

When The Moon Split Penguin

Muslims all over the world see Muhammad as God's last messenger to mankind. Through his actions, he showed the way to live a life that provides for all the needs of body, mind, and soul, and elevates man's aspirations towards a sublime ideal in a very simple, direct, and truthful manner. He built a state that was dedicated to truth and justice and to the liberation of man throughout the world. He wrote to emperors, kings, and rulers, calling on them to believe in God and to follow His message, yet, at the same time, he lived a life of poverty, leaving aside the riches that were offered to him. At a time when the Prophet is much maligned by writers, cartoonists, and various other detractors, this book aims to show Muhammad's true character in

detail, both in its most everyday and most extraordinary moments. Adil Salahi's writings include the acclaimed Muhammad: Man and Prophet and Pioneers of Islamic Scholarship, and the English translation of the eighteen-volume In the Shade of the Qur'an. His main career has been in radio and print journalism, and for over thirty years he was editor of "Islam in Perspective," a twice-weekly full-page column in the Arab News, a Saudi daily newspaper.

**The Story of Muhammad** UNC Press Books

Award-winning Boston University educator and researcher Muhammad H. Zaman provides a chilling look at the rise of antibiotic-resistant superbugs, explaining how we got here and what we must do to address this growing global health crisis. In September 2016, a woman in Nevada became the first known case in the U.S. of a person who died of an infection resistant to every antibiotic available. Her death is the worst nightmare of infectious disease doctors and public health professionals. While bacteria live within us and are essential for our health, some strains can kill us. As bacteria continue to mutate, becoming increasingly resistant to known antibiotics, we are likely to face a public health crisis of unimaginable proportions. "It will be like the great plague of the middle ages, the influenza pandemic of 1918, the AIDS crisis of the 1990s, and the Ebola epidemic of 2014 all combined into a single threat," Muhammad H. Zaman warns. The Biography of Resistance is Zaman's riveting and timely look at why and how microbes are becoming superbugs. It is a story of science and evolution that looks to history, culture, attitudes and our own individual choices and collective human behavior. Following the trail of resistant bacteria from previously

uncontacted tribes in the Amazon to the isolated islands in the Arctic, from the urban slums of Karachi to the wilderness of the Australian outback, Zaman examines the myriad factors contributing to this unfolding health crisis—including war, greed, natural disasters, and germophobia—to the culprits driving it: pharmaceutical companies, farmers, industrialists, doctors, governments, and ordinary people, all whose choices are pushing us closer to catastrophe. Joining the ranks of acclaimed works like *Microbe Hunters*, *The Emperor of All Maladies*, and *Spillover*, *A Biography of Resistance* is a riveting and chilling tale from a natural storyteller on the front lines, and a clarion call to address the biggest public health threat of our time.

*The Lives of Muhammad* University of Pennsylvania Press  
Available in Canada for the first time since its initial publication in 1981, this is acclaimed author Karen Armstrong's classic memoir of her life as a young woman in a convent — the precursor to the bestseller *The Spiral Staircase*. *Through the Narrow Gate* is Karen Armstrong's intimate memoir of life inside a Catholic convent. With honesty and clarity, she explains what drove her at age seventeen to devote herself to God. Over the next seven years, she endures the difficulties of convent life — the enforced silence, the lack of friendship and family, her own guilt at not being able to stifle her voracious intelligence — and unveils the secrets of religious life during the post-Vatican II years. *Through the Narrow Gate* is a moving account of a young woman's search for God and the experiences that put Karen Armstrong on her way to becoming one of the most admired and most respected interpreters of religious faith.

*Muhammad* Harper Collins

This book narrates the life of Prophet Muhammad, peace be upon him, shedding light upon segments of his life that are either neglected or glossed over in conflict-focused biographies. The narrations in this book revolve around the Prophet's various strategies of diplomacy and reconciliation to avoid conflicts. In narrating these events, the book helps the readers broaden their perspective on the life of the Messenger of God and better capture the ethos of his life. Indeed, both Muslims and non-Muslims may benefit from this understanding at a time when violent extremist groups such as ISIS are causing carnage with their brutality while dressing their totalitarian ideologies in Muslim garb. The book exposes the hypocritical and willful deception of these radical groups which cherry-pick incidents and sayings from the Prophet's life, decontextualize them, and abuse them to serve their perverted ideologies. The extensive evidence presented in this book will not only dispel many myths about the life and message of the Noble Prophet, but also show how through compassionate efforts he conquered the hearts of people around him and turned them from die-hard enemies to devoted faithful friends.

**Muhammad: A Very Short Introduction** Oxford University Press

A classic secular history of the prophet Muhammad that vividly recreates the fascinating time in which Islam was born. Maxime Rodinson, both a maverick Marxist and a distinguished professor at the Sorbonne, first published his biography of Muhammad in 1960. The book, a classic in its field, has been widely read ever since. Rodinson, though deeply versed in scholarly studies of the Prophet, does not seek to add to it here but to introduce

Muhammad, first of all, as “a man of flesh and blood” who led a life of extraordinary drama and shaped history as few others have. Equally, he seeks to lay out an understanding of Muhammad’s legacy and Islam as what he called an ideological movement, similar to the universalist religions of Christianity and Buddhism as well as the secular movement of Marxism, but possessing a singular commitment to “the deeply ingrained idea that Islam offers not only a path to salvation but (for many, above all) the ideal of a just society to be realized on earth.” Rodinson’s book begins by introducing the specific land and the larger world into which Muhammad was born and the development of his prophetic calling. It then follows the steps of his career and the way his leadership gave birth to a religion and a state. A final chapter considers the world as Islam has transformed it.

**Biography of The Prophet Muhammad - The Messenger of Allah** UNC Press Books

The American boxing champ and vocal civil rights activist Muhammad Ali is the 27th hero in the New York Times bestselling picture book biography series for ages 5 to 8. Muhammad Ali was the leading heavyweight boxer of the 20th century and a charismatic, beloved public figure. His objection to the military draft during the Vietnam War made him an icon for a generation, and his impact in sports and the Civil Rights movement is still felt today. This friendly, fun biography series inspired the PBS Kids TV show Xavier Riddle and the Secret Museum. One great role model at a time, these books encourage kids to dream big. Included in each book are:

- A timeline of key events in the hero’s history
- Photos that bring the story more fully to life
- Comic-book-style illustrations that are irresistibly adorable
- Childhood moments

that influenced the hero • Facts that make great conversation-starters • A character trait that made the person heroic and that readers can aspire to You’ll want to collect each book in this dynamic, informative series!

The Prophet Muhammad HarperCollins

Named by Time magazine as one of the 100 most important innovators of the century, Tariq Ramadan is a leading Muslim scholar, with a large following especially among young European and American Muslims. Now, in his first book written for a wide audience, he offers a marvelous biography of the Prophet Muhammad, one that highlights the spiritual and ethical teachings of one of the most influential figures in human history. In the Footsteps of the Prophet is a fresh and perceptive look at Muhammad, capturing a life that was often eventful, gripping, and highly charged. Ramadan provides both an intimate portrait of a man who was shy, kind, but determined, as well as a dramatic chronicle of a leader who launched a great religion and inspired a vast empire. More important, Ramadan presents the main events of the Prophet's life in a way that highlights his spiritual and ethical teachings. The book underscores the significance of the Prophet's example for some of today's most controversial issues, such as the treatment of the poor, the role of women, Islamic criminal punishments, war, racism, and relations with other religions. Selecting those facts and stories from which we can draw a profound and vivid spiritual picture, the author asks how can the Prophet's life remain -- or become again -- an example, a model, and an inspiration? And how can Muslims move from formalism -- a fixation on ritual -- toward a committed spiritual and social presence? In this thoughtful and

engaging biography, Ramadan offers Muslims a new understanding of Muhammad's life and he introduces non-Muslims not just to the story of the Prophet, but to the spiritual and ethical riches of Islam.

Muhammad eBook Partnership

Acclaimed worldwide as the definitive biography of the Prophet in the English language. This book will be read with equal enjoyment by those already familiar with Muhammad's life and those coming to it for the first time.

*Muhammad* Tughra Books

Acclaimed worldwide as the definitive biography of the Prophet Muhammad in the English language, Martin Lings' *Muhammad: His Life Based to the Earliest Sources* is unlike any other. Based on Arabic sources of the eighth and ninth centuries, of which some important passages are translated here for the first time, it owes the freshness and directness of its approach to the words of men and women who heard Muhammad speak and witnessed the events of his life. Martin Lings has an unusual gift for narrative. He has adopted a style which is at once extremely readable and reflects both the simplicity and grandeur of the story. The result is a book which will be read with equal enjoyment by those already familiar with Muhammad's life and those coming to it for the first time. *Muhammad: His Life Based to the Earliest Sources* was given an award by the government of Pakistan, and selected as the best biography of the Prophet in English at the National Seerat Conference in Islamabad in 1983.

A Memoir of Life In and Out of the Convent MuhammadA Biography of the Prophet

The "New York Times" bestselling author of "A History of God" and "The Battle for God" presents a fascinating portrait of the founder of a religion that has changed the course of world history.

**The End of Muhammad's Life and the Beginnings of Islam**

HarperCollins Publishers

This book about an Islamic theological issue. For theories of formation of the Moon which involve fragments, see Origin of the Moon Accretion. The splitting of the moon (Arabic: انشقاق القمر) is a miracle in Muslim tradition attributed to the Islamic prophet Muhammad. It is derived from the Quran, Surah Al Qamar verses 54:1-2, and mentioned by Muslim traditions such as the Asbab al-nuzul (context of revelation).

*Muhammad* Harper Collins

A life of the prophet Muhammad by bestselling religious writer Karen Armstrong. Most people in the West know very little about the prophet Muhammad. The acclaimed religious writer Karen Armstrong has written a biography which will give us a more accurate and profound understanding of Islam and the people who adhere to it so strongly. Muhammad also offers challenging comparisons with the two religions most closely related to it - Judaism and Christianity.

*I am Muhammad Ali* New York Review of Books

*It's All About Muhammad, A Biography of the World's Most Notorious Prophet*, is a comprehensive biography of the man who created a religion that he called Islam. It gives a no-holds-barred account of the atrocities he committed in spreading his religion. The book contains 25 illustrations, half of them depicting these atrocities.
