Description Surfers loathed them, teenagers flocked to them, critics dismissed them, and producers banked on them. They were surf and beach movies—which were Hollywood's interpretation of the surf culture. For a short period in the 1960s these films were extremely popular with younger audiences—mainly because of the combination of sand and surf, the musical performers, the shirtless surfer boys and bikini-clad beach girls, and the wild surfing footage. This lavishly illustrated work features profiles on 32 sizzling fun-in-the-sun teenage epics from *Gidget* to the Beach Party movies with Frankie and Annette to *The Sweet Ride* plus a few offshoots in the snow. It offers an introduction with an overview of the surf movie genre; film entries with credits, plot synopses, DVD availability, memorable lines, reviews and awards; and biographies of actors and leading actresses who made their marks in the genre. The work also includes behind-the-scenes commentary from such actors as Aron Kincaid of *The*

Girls on the Beach, Susan Hart of *The Ghost in the Invisible Bikini*, Peter Brown of *Ride the Wild Surf*, Chris Noel of *Beach Ball*, and Ed Garner of *Beach Blanket Bingo*. Catch the wave!

The Illustrated London News Ballantine Books

What do the hottest bodies in Hollywood have in common? The secret is in your hands. We see them in films and magazines in show-stopping red carpet gowns during every awards season. They are the ageless, confident, athletic women of Hollywood we all aspire to look like.

Now you can have access to the secret weapon used by actresses like Naomi Watts and Anne Hathaway: the workouts of Simone De La Rue. Simone, a former dancer with a stage career that spanned more than two decades, is the creator of *Body By Simone*, a fitness program that's winning over the women of New York and Los Angeles who flock to her sold-out classes. Now, in her first book, she makes her exclusive workout regimen available to everyone, everywhere. Her 8-week plan offers a road map to total body transformation. From her unique strength-training moves that target multiple muscle groups at once, focusing on areas like the hips, buns, and thighs for maximum burn, to her fun and fast-paced dance-cardio routines, there are workouts for every fitness level. Whether you're looking to lose five pounds, twenty pounds, or more, Simone leads you through the goals for each week of the program step by step, and offers both a simple eating plan and a fourteen-day cleanse for instant results. At the end of 8 weeks, you'll not only lose weight—but more important, you'll lose inches by replacing fat with lean, sexy muscle tone. If you're looking for a way to get bikini (or red carpet!) ready, look no further. Sculpt your way to the body you want and deserve with *Body By Simone*. *The Film Encyclopedia 7th Edition* Gale Cengage

Halloween A Scary Film Guide
Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London's West End. This comprehensive guide goes well beyond these earlier studies by introducing productions from Off

Broadway, from regional theaters in the U.S. and U.K., and from Ireland, Canada, Australia, New Zealand and South Africa. Also included are Puerto Rican, Indian and Filipino plays written in English, as well as translations from other languages. Well over half of the works discussed here appear for the first time in such a study.
