HILLARY MORROW

Routledge
The most thorough
guide to songwriting
for the amateur
musician. Written by
an Oscar-winning and
Grammy and Tony
award nominated
author, this is the most
comprehensive book
for today's amateur
musician who is
interested in creating
and writing his or her
own songs. It reveals
everything the reader
needs to know,
including coming up
with ideas, rhyming
schemes, hooks,
melodies, and lyrics;
selling songs; working
in the industry; and
even coming up with

titles.

Duke Ellington and His World

Play Service, Inc.
In The Complete Book
of 1960s Broadway
Musicals, Dan Dietz
examines every
musical and revue that
opened on Broadway
during the 1960s. In
addition to providing
details on every hit and
flop, Dietz includes
revivals and one-man
and one-woman shows
that centered on stars
like Jack Benny,
Maurice Chevalier,
Marlene Dietrich,
Danny Kaye, Yves
Montand, and Lena
Horne. In addition to
entries for each
production, the book
offers numerous
appendixes: a
discography, film and
television versions,
published scripts,
Gilbert and Sullivan
operettas, and lists of

productions by the New York City Center Light Opera Company, the New York City Opera Company, and the Music Theatre of Lincoln Center.

Reveals the wide-ranging influence of American jazz on German discussions of music, race, and culture in the early twentieth century

The Women of

Lockerbie Cambridge University Press

"The Victorian cup on my shelf--a present from my mother--reads 'Love the Giver.' Is it because the very word patronage implies the authority of the father that we have treated American women patrons and activists so unlovingly in the writing of our own history? This pioneering collection of superb scholarship redresses that imbalance. At the same time it brilliantly

documents the interrelationship between various aspects of gender and the creation of our own culture."--Judith Tick, author of *Ruth Crawford Seeger: A Composer's Search for American Music* "Together with the fine-grained and energetic research, I like the spirit of this book, which is ambitious, bold, and generous minded. *Cultivating Music in America* corrects long-standing prejudices, omissions, and misunderstandings about the role of women in setting up the structures of America's musical life, and, even more far-reaching, it sheds light on the character of American musical life itself. To read this book is to be brought to a

fresh understanding of what is at stake when we discuss notions such as 'elitism, ' 'democratic taste, ' and the political and economic implications of art."--Richard Crawford, author of *The American Musical Landscape* "We all know we are indebted to royal patronage for the music of Mozart. But who launched American talent? The answer is women, this book teaches us. Music lovers will be grateful for these ten essays, sound in scholarship, that make a strong case for the women philanthropists who ought to join Carnegie and Rockefeller as household words as sponsors of music."--Karen J. Blair, author of *The Torchbearers: Women and Their Amateur Arts*

Historians of French politics, art, philosophy and literature have long known the tensions and fascinations of Louis XV's reign, the 1750s in particular. David Charlton's study comprehensively re-examines this period, from Rameau to Gluck and elucidates the long-term issues surrounding opera. Taking Rousseau's *Le Devin du Village* as one narrative centrepiece, Charlton investigates this opera's origins and influences in the 1740s and goes on to use past and present research to create a new structural model that explains the elements of reform in Gluck's tragédies for Paris. Charlton's book opens many new perspectives on the

musical practices and politics of the period, including the Querelle des Bouffons. It gives the first detailed account of intermezzi and opere buffe performed by Eustachio Bambini's troupe at the Paris Opéra from August 1752 to February 1754 and discusses Rameau's comedies *Platée* and *Les Paladins* and their origins.
Four by Sondheim, Wheeler, Lapine, Shevelove and Gelbart Applause Theatre & Cinema Winner of the 2016 Pulitzer Prize for Drama Now a major motion picture, available on Disney Plus. Goodreads best non-fiction book of 2016 From Tony Award-winning composer-lyricist-star Lin-Manuel Miranda comes a backstage

pass to his groundbreaking, hit musical Hamilton. Lin-Manuel Miranda's groundbreaking musical Hamilton is as revolutionary as its subject, the poor kid from the Caribbean who fought the British, defended the Constitution, and helped to found the United States. Fusing hip-hop, pop, R&B, and the best traditions of theater, this once-in-a-generation show broadens the sound of Broadway, reveals the storytelling power of rap, and claims the origins of the United States for a diverse new generation. HAMILTON: THE REVOLUTION gives readers an unprecedented view of both revolutions, from the only two writers able to provide it.

Miranda, along with Jeremy McCarter, a cultural critic and theater artist who was involved in the project from its earliest stages - "since before this was even a show," according to Miranda - traces its development from an improbable performance at the White House to its landmark opening night on Broadway six years later. In addition, Miranda has written more than 200 funny, revealing footnotes for his award-winning libretto, the full text of which is published here. Their account features photos by the renowned Frank Ockenfels and veteran Broadway photographer, Joan Marcus; exclusive looks at notebooks and emails; interviews with Questlove, Stephen

Sondheim, leading political commentators, and more than 50 people involved with the production; and multiple appearances by President Obama himself. The book does more than tell the surprising story of how a Broadway musical became an international phenomenon: It demonstrates that America has always been renewed by the brash upstarts and brilliant outsiders, the men and women who don't throw away their shot.

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the

importance her family attributes to having land of their own.

Rodgers and Hammerstein's 'Carousel' Joe Books Ltd

"A free-wheeling adaptation of the 19th century play *La Ronde*, in which ten men in ten scenes sleep with and seduce one another; each encounter subtly, sometimes radically, changing their lives.

The search for emotional fulfillment -- the thread that connects the episodes in *La Ronde* -- is given fresh resonance in

Tony Award-winning playwright Joe DiPietro's hilarious and heartwarming take on the German classic, transposed to the gay subculture in contemporary Manhattan."--Cover.

Musical Theatre: A History is a new revised edition of a proven core text for college and secondary school students – and an insightful and accessible celebration of twenty-five centuries of great theatrical entertainment. As an educator with extensive experience in professional theatre production, author John

Kenrick approaches the subject with a unique appreciation of musicals as both an art form and a business. Using anecdotes, biographical profiles, clear definitions, sample scenes and select illustrations, Kenrick focuses on landmark musicals, and on the extraordinary talents and business innovators who have helped musical theatre evolve from its roots in the dramas of ancient Athens all the way to the latest hits on Broadway and London's West End. Key improvements to the second edition: · A new foreword by Oscar Hammerstein III, a critically acclaimed historian and member of a family with deep ties to the musical theatre, is included ·

The 28 chapters are reformatted for the typical 14 week, 28 session academic course, as well as for a two semester, once-weekly format, making it easy for educators to plan a syllabus and reading assignments. To make the book more interactive, each chapter includes suggested listening and reading lists, designed to help readers step beyond the printed page to experience great musicals and performers for themselves.
