If I Only Knew Penguin
 From New York Times bestseller, Corinne Michaels, comes a new heartwarming and sexy standalone romance novel. My life was perfect - until a shocking tragedy pulled the rug out from underneath me. My children were left without a father. I was without a husband and a provider. Instead of wallowing in my grief, I buried myself in my work at Dovetail Enterprises. Landing the promotion as the CEO's right hand was exactly what I needed. Getting saddled with Milo Huxley as an assistant is

exactly the opposite. I can't stand him. He's arrogant, irresponsible, and out for my job. As if that's not bad enough, he has to be devastatingly sexy, and have a posh English accent that makes me squirm on top of it all. I've had enough unpredictability for one lifetime, thank you. But soon enough, we're fighting less and laughing more. He's there for me when no one else is. And those good looks aren't the only panty-dropping thing about him. If I only knew what to do about it . . . Read what others are saying about New York Times bestselling author, Corinne Michaels: "Corinne Michaels shredded me and put me back together in the best possible way with *Say You'll Stay*. Incredible read and a passionate start to

what promises to be one of my new favorite series." - Meredith Wild - #1 NYT Bestselling Author "Every book just gets better from Corinne Michaels. She shreds my heart into a million tiny pieces and then magically manages to put it all back together." - Vi Keeland - #1 New York Times Bestselling Author "With every new book, Corinne keeps reclaiming her throne as the queen of hope, heartbreak, and epic ever afters." -- Violet Duke, NYT bestselling author "5 brilliant stars for Trent and Grace's story. No one does sexy, swoony romance like Corinne Michaels." - Sawyer Bennett - NYT Bestselling Author "I dare you not to fall in love with the world Corinne Michaels has created." - Meghan March, NYT Bestselling Author "Corinne

Michaels is a master storyteller and this book held my heart hostage!" - Penny Reid, NYT Bestselling Author "This book doesn't just tug at your heartstrings -- it pulls your soul all the way in." -- Julia Kent, NYT Bestselling Author "A gorgeous blend of heartbreak and hope. Michaels' writes unputdownable romance." - Helena Hunting, NYT Bestselling Author "Michaels draws her readers in on an emotional level with the finesse and skill of a more seasoned author. Beloved is a debut not to be missed."- Laurel Paige, NYT Bestselling Author "Corinne does a masterful job of immersing her readers in this world of trust, friendship, honor, loyalty, and love." ~ Aleatha Romig - NYT Bestselling Author "Sexy. Heartwarming. Addictive. Michaels is at the top of her game."~K. Bromberg, NYT Bestselling Author Topics: contemporary romance, small town, second chance, friends to lovers, series, romantic series, women's fiction, romance saga, romantic small town, series starter, first in series, romance series, romance saga, romantic family saga, new york times bestseller romance, NYT romance, new york times romance, sexy, heartwarming, heartwarming, family, love, love books, kissing books, emotional journey, captivating romance, emotional, healing, hot, hot romance, forbidden love, sparks, loyalty, swoon, Corinne Michaels romance, funny romance, modern romance, new release, office romance, forbidden romance, boy band, older in life, childhood crush, friends to lovers, one night stand, second chance romance, hidden romance, strong alpha, alpha hero, family business, strong female lead, strong heroine, family secrets, top romance reads, best seller, Perfect for fans of Colleen Hoover, Nicholas Sparks, Maya Banks, Penelope Sky, Kendall Ryan, Kennedy Fox, Lexi Blake, Carrie Ann Ryan, Lani Lynn Vale, Chelle Bliss, Sarina Bowen, Penelope Ward, Nora Roberts, Marie Force, Melissa Foster, Kristen Proby, Devney Perry, Susan Stoker, Tessa Bailey, Jana Aston, Sally Thorne, Christina Lauren, Kristan Higgins, Elle Kennedy, Anna Todd, Debbie Macomber, Robyn Carr, Julia Kent, Sylvia Day, K.A. Sweet Fall MIT Press

The walls of Number 10 have witnessed frantic diplomacy, tense cabinet meetings, the rise and fall of those at the dizzying heights of government, and decisions that have affected millions of people and every continent. And yet, for many people, the building remains a mystery. What really

goes on behind that iconic black door? What does it look like? How have prime ministers shaped Downing Street, and how has it shaped them? This book will take readers through the famous door and into Downing Street. It will reveal the mystery and the majesty of 10 Downing Street. Spectacular photography of the building's interior will complement a text rich in detail. The book will chart the history of Number 10, looking at the personalities and the dramatic events that have shaped this building, from Robert Walpole during the eighteenth century to David Cameron in the twenty-first. Readers will discover how the building has evolved to meet modern needs. This book will be a wonderfully illustrated, comprehensive history and guide to Number 10 Downing Street. It is a must have for anybody interested in British history or politics.

A Taste for Poison St. Martin's Press

'Masterly ... awesome reading ... an outstanding biography' Max Hastings, Sunday Times

The definitive biography of the greatest French statesman of modern times In six weeks in the early summer of 1940, France was over-run by German troops and quickly surrendered. The French government of Marshal Pétain sued for peace and signed an armistice. One little-known junior French general, refusing to accept defeat, made his way to England. On 18 June he spoke to his compatriots over the BBC, urging them to rally to him in London. 'Whatever happens, the flame of French resistance must not be extinguished and will not be extinguished.' At that moment, Charles de Gaulle entered into history. For the rest of the war, de Gaulle frequently bit the hand that fed him. He insisted on being treated as the true embodiment of France, and quarrelled violently with Churchill and Roosevelt. He was prickly, stubborn, aloof and self-contained. But through sheer force of personality and bloody-mindedness he managed to have France recognised as one of the victorious Allies, occupying its own zone in defeated Germany. For ten years after 1958 he was President of France's Fifth Republic, which he created and which endures to this day. His pursuit of 'a certain idea of France' challenged American hegemony, took France out of NATO and twice vetoed British entry into the European Community. His controversial decolonization of Algeria brought France to the brink of civil war and provoked several assassination attempts. Julian Jackson's magnificent biography reveals this the life of this titanic figure as never before. It draws on a vast range of published and unpublished memoirs and

documents - including the recently opened de Gaulle archives - to show how de Gaulle achieved so much during the War when his resources were so astonishingly few, and how, as President, he put a medium-rank power at the centre of world affairs. No previous biography has depicted his paradoxes so vividly. Much of French politics since his death has been about his legacy, and he remains by far the greatest French leader since Napoleon.

France 1814 - 1914 Penguin

Five years in the writing by one of science fiction's most honored authors, Doomsday Book is a storytelling triumph. Connie Willis draws upon her understanding of the universalities of human nature to explore the ageless issues of evil, suffering and the indomitable will of the human spirit. For Kivrin, preparing an on-site study of one of the deadliest eras in humanity's history was as simple as receiving inoculations against the diseases of the fourteenth century and inventing an alibi for a woman traveling alone. For her instructors in the twenty-first century, it meant painstaking calculations and careful monitoring of the rendezvous location where Kivrin would be received. But a crisis strangely linking past and future strands Kivrin in a bygone age as her fellows try desperately to rescue her. In a time of superstition and fear, Kivrin—barely of age herself—finds she has become an unlikely angel of hope during one of history's darkest hours. Praise for Doomsday Book "A stunning novel that encompasses both suffering and hope. . . . The best work yet from one of science fiction's best writers."—The Denver Post "Splendid work—brutal, gripping and genuinely harrowing, the product of diligent research, fine writing and well-honed instincts, that should appeal far beyond the normal science-fiction constituency."—Kirkus Reviews (starred review) "The world of 1348 burns in the mind's eye, and every character alive that year is a fully recognized being. . . . It becomes possible to feel . . . that Connie Willis did, in fact, over the five years Doomsday Book took her to write, open a window to another world, and that she saw something there."—The Washington Post

Damnation Spring That Sweet

Enemy Britain and France: The History of a Love-Hate Relationship

A sweeping reassessment of the American Revolution, showing how the Founders were influenced by overlooked Americans—women, Native Americans, African Americans, and religious dissenters. Using more than a thousand eyewitness accounts, Liberty Is Sweet

explores countless connections between the Patriots of 1776 and other Americans whose passion for freedom often brought them into conflict with the Founding Fathers. "It is all one story," prizewinning historian Woody Holton writes. Holton describes the origins and crucial battles of the Revolution from Lexington and Concord to the British surrender at Yorktown, always focusing on marginalized Americans—enslaved Africans and African Americans, Native Americans, women, and dissenters—and on overlooked factors such as weather, North America's unique geography, chance, misperception, attempts to manipulate public opinion, and (most of all) disease. Thousands of enslaved Americans exploited the chaos of war to obtain their own freedom, while others were given away as enlistment bounties to whites. Women provided material support for the troops, sewing clothes for soldiers and in some cases taking part in the fighting. Both sides courted native people and mimicked their tactics. *Liberty Is Sweet* gives us our most complete account of the American Revolution, from its origins on the frontiers and in the Atlantic ports to the creation of the Constitution. Offering surprises at every turn—for example, Holton makes a convincing case that Britain never had a chance of winning the war—this majestic history revivifies a story we thought we already knew.

WE MEET ON VACATION! "Original,
sparkling bright, and layered with
feeling."—Sally Thorne, author of *The
Hating Game* A romance writer who no
longer believes in love and a literary writer
stuck in a rut engage in a summer-long
challenge that may just upend everything
they believe about happily ever afters.
Augustus Everett is an acclaimed author of
literary fiction. January Andrews writes
bestselling romance. When she pens a
happily ever after, he kills off his entire
cast. They're polar opposites. In fact, the
only thing they have in common is that for
the next three months, they're living in
neighboring beach houses, broke, and
bogged down with writer's block. Until,
one hazy evening, one thing leads to
another and they strike a deal designed to
force them out of their creative ruts:
Augustus will spend the summer writing
something happy, and January will pen the
next Great American Novel. She'll take
him on field trips worthy of any rom-com
montage, and he'll take her to interview
surviving members of a backwoods death

cult (obviously). Everyone will finish a
book and no one will fall in love. Really.
Lord of the Flies Simon and Schuster
THE TOP TEN SUNDAY TIMES BESTSELLER
The author of the celebrated bestseller
The English and Their History puts Brexit
in its historical context Geography comes
before history. Islands cannot have the
same history as continental plains. The
United Kingdom is a European country, but
not the same kind of European country as
Germany, Poland or Hungary. For most of
the 150 centuries during which Britain has
been inhabited it has been on the edge,
culturally and literally, of mainland Europe.
In this succinct book, Tombs shows that
the decision to leave the EU is historically
explicable - though not made historically
inevitable - by Britain's very different
historical experience, especially in the
twentieth century, and because of our
more extensive and deeper ties outside
Europe. He challenges the orthodox view
that Brexit was due solely to British or
English exceptionalism: in choosing to
leave the EU, the British, he argues, were
in many ways voting as typical Europeans.
A Novel W. W. Norton & Company
In 1956 John Osborne's *Look Back in Anger*
changed the course of English theatre.
'*Look Back in Anger* presents post-war
youth as it really is. To have done this at
all would be a significant achievement; to
have done it in a first play is a minor
miracle. All the qualities are there,
qualities one had despaired of ever seeing
on stage - the drift towards anarchy, the
instinctive leftishness, the automatic
rejection of "official" attitudes, the
surrealist sense of humour . . . the casual
promiscuity, the sense of lacking a
crusade worth fighting for and, underlying
all these, the determination that no one
who dies shall go unmourned.' Kenneth
Tynan, *Observer*, 13 May 1956 'Look Back
in Anger . . . has its inarguable importance
as the beginning of a revolution in the
British theatre, and as the central and
most immediately influential expression of
the mood of its time, the mood of the
"angry young man".' John Russell Taylor
The Bench Flammarion-Pere Castor
At the University of Alabama, two seniors
from completely different backgrounds
find themselves thrust, unwillingly, into
each other's lives. Tattooed football star,
Austin Carillo and alternative cheerleader,
Lexington Hart, both lead two lives: the
one they want people to see and the one
they want to hide. We all have secrets.
Until we find the one soul who makes such
secrets easier to bear.
Liberty Is Sweet St. Martin's Griffin
This is a private war formally declared
between Tony and the inhabitants of the

White Priory. British airman Dym Ingleford
is convinced that young Max Eckermann is
his brother, Anthony, who was kidnapped
years before. Raised in the Nazi ideology,
Tony has by chance tumbled into British
hands. Dym has brought him back, at least
temporarily, to the family he neither
remembers nor will acknowledge as his
own. As Tony uses his nine attempts to
escape, his stubborn anger is wittled away
by the patient kindness he finds at the
White Priory. Then, just as he is resigning
himself to the English family, a new
chance suddenly opens for him to return
home to Germany.

An Enemies to Lovers Workplace Romance

Craving the kind of knee-slapping
shenanigans that only P.G. Wodehouse
can deliver? Dive into *The Girl on the Boat*,
an uproarious tale of romantic
entanglement that unfolds against the
backdrop of a trans-Atlantic ocean cruise.
First published in serial format under title
Three Men and a Maid, this novel offers
Wodehouse fans a much-needed dose of
the writer's inimitable humor.

The Book Thief Vintage

Golding's iconic 1954 novel, now with a
new foreword by Lois Lowry, remains one
of the greatest books ever written for
young adults and an unforgettable classic
for readers of any age. This edition
includes a new *Suggestions for Further
Reading* by Jennifer Buehler. At the dawn
of the next world war, a plane crashes on
an uncharted island, stranding a group of
schoolboys. At first, with no adult
supervision, their freedom is something to
celebrate. This far from civilization they
can do anything they want. Anything. But
as order collapses, as strange howls echo
in the night, as terror begins its reign, the
hope of adventure seems as far removed
from reality as the hope of being rescued.
That Sweet Enemy Simon and Schuster
A loving and hilarious—if occasionally
spiky—valentine to Bill Bryson's adopted
country, Great Britain. Prepare for total joy
and multiple episodes of unseemly
laughter. Twenty years ago, Bill Bryson
went on a trip around Britain to discover
and celebrate that green and pleasant
land. The result was *Notes from a Small
Island*, a true classic and one of the
bestselling travel books ever written. Now
he has traveled about Britain again, by bus
and train and rental car and on foot, to see
what has changed—and what hasn't.
Following (but not too closely) a route he
dubs the Bryson Line, from Bognor Regis
in the south to Cape Wrath in the north, by
way of places few travelers ever get to at
all, Bryson rediscovers the wondrously
beautiful, magnificently eccentric,

endearingly singular country that he both celebrates and, when called for, twits. With his matchless instinct for the funniest and quirkiest and his unerring eye for the idiotic, the bewildering, the appealing, and the ridiculous, he offers acute and perceptive insights into all that is best and worst about Britain today. Nothing is more entertaining than Bill Bryson on the road—and on a tear. *The Road to Little Dribbling* reaffirms his stature as a master of the travel narrative—and a really, really funny guy.

A Novel Sourcebooks, Inc.

'If you are vacillating over whether a couple of bottles of pinot blanc might, in the short run, prove more fun than a poetry book, then just flick to the first page and the title poem of this volume. James writes with exquisite perception and surgical precision; he is a poet of powerful argument and emotional force' – *The Times*. The reputation of Clive James as a poet was slow to form, perhaps because he was too famous as a star journalist and television entertainer. There was also the drawback that his poetry was so entertaining it was hard for many critics to take seriously. But after the notoriety achieved by a single self-satirizing poem, *The Book of My Enemy Has Been Remaindered*, one of the most anthologized poems of recent times, James's poetic output became impossible to ignore, and his 1985 collection *Other Passports* was greeted with praise for its thematic scope and technical accomplishment, even by critics who still doubted his seriousness. Since then, James emerged unarguably as one of the most prominent poets of his generation – and *The Book of My Enemy* (which includes *Other Passports*) shows why. His other poetry collections include *Collected Poems*, *Angels Over Elsinore* and *Sentenced to Life*.

Beach Read ICON Group International France and Britain, indispensable allies in two world wars, remember and forget their shared history in contrasting ways. The book examines key episodes in the relationship between the two countries, including the outbreak of war in 1914, the battles of the Somme and Verdun, the Fall of France in 1940, Dunkirk, and British involvement in the French Resistance and the 1944 Liberation. The contributors discuss how the two countries tend to forget what they owe to each other, and have a distorted view of history which still colours and prejudices their relationship today, despite government efforts to build a close political and military partnership.

A Novel Usborne Publishing Ltd

Fix the past. Save the future. Dak, Sera,

and Riq involve themselves in one of the most bizarre spy missions in history . . . and the outcome of World War II hangs in the balance.

A Novel A&C Black

New York Times Bestseller A New York Times Notable Book Named one of the Best Books of the Year by the Wall Street Journal, the Economist, Foreign Affairs, and Kirkus Reviews Finalist for the National Book Critics Circle Award (Nonfiction) Shortlisted for the Cundill Prize in Historical Literature Finalist for the Los Angeles Times Book Prize (History) A San Francisco Chronicle Holiday Gift Guide Selection A New York Times Book Review Editors' Choice Selection A sweeping, "magisterial" history of the Roman Empire from one of our foremost classicists shows why Rome remains "relevant to people many centuries later" (*Atlantic*). In *SPQR*, an instant classic, Mary Beard narrates the history of Rome "with passion and without technical jargon" and demonstrates how "a slightly shabby Iron Age village" rose to become the "undisputed hegemon of the Mediterranean" (*Wall Street Journal*). Hailed by critics as animating "the grand sweep and the intimate details that bring the distant past vividly to life" (*Economist*) in a way that makes "your hair stand on end" (*Christian Science Monitor*) and spanning nearly a thousand years of history, this "highly informative, highly readable" (*Dallas Morning News*) work examines not just how we think of ancient Rome but challenges the comfortable historical perspectives that have existed for centuries. With its nuanced attention to class, democratic struggles, and the lives of entire groups of people omitted from the historical narrative for centuries, *SPQR* will to shape our view of Roman history for decades to come.

The Hidden History of the American Revolution Open Road Media

Here is an incomparably rich portrait of France in the years when the disparate elements that made up the fragmented kingdom of the ancien regime were forged into the modern nation. The survey begins with an exploration of national obsessions and attitudes. It considers the tendency to revolution and war, the preoccupation with the idea of a New Order and the deep strain of national paranoia that was to be intensified by the dramatic debacle of the Franco-Prussian War. Robert Tombs then investigates the structures of power and in Part Three he turns his attention to social identities, from the individual and family to the nation at large. When every aspect of the period has been put under the microscope, Robert Tombs draws them all into the broad political narrative that

brings the book to its rousing conclusion. Bursting with life as well as learning, this is, quite simply, a tour de force.

Dear Enemy (Webster's French Thesaurus Edition) BAAE Publishing

Magic, danger, and adventure abound for messenger Karigan G'ladheon in author Kristen Britain's New York Times-bestselling Green Rider fantasy series • "First-rate fantasy." —*Library Journal* On her long journey home from school after a fight that will surely lead to her expulsion, Karigan G'ladheon ponders her uncertain future. As she trudges through the immense Green Cloak forest, her thoughts are interrupted by the clattering of hooves, as a galloping horse bursts from the woods. The rider is slumped over his mount's neck, impaled by two black-shafted arrows. As the young man lies dying on the road, he tells Karigan he is a Green Rider, one of the legendary messengers of the king of Sacordia. Before he dies, he begs Karigan to deliver the "life and death" message he bears to King Zachary. When she reluctantly he agrees, he makes her swear on his sword to complete his mission, whispering with his dying breath, "Beware the shadow man...". Taking on the golden-winged horse brooch that is the symbol of the Green Riders, Karigan is swept into a world of deadly danger and complex magic, her life forever changed. Compelled by forces she cannot understand, Karigan is accompanied by the silent specter of the fallen messenger and hounded by dark beings bent on seeing that the message, and its reluctant carrier, never reach their destination.

Infinity Ring Book 6: Behind Enemy Lines Pan Macmillan

"A fascinating tale of poisons and poisonous deeds which both educates and entertains." --Kathy Reichs A brilliant blend of science and crime, *A TASTE FOR POISON* reveals how eleven notorious poisons affect the body--through the murders in which they were used. As any reader of murder mysteries can tell you, poison is one of the most enduring—and popular—weapons of choice for a scheming murderer. It can be slipped into a drink, smeared onto the tip of an arrow or the handle of a door, even filtered through the air we breathe. But how exactly do these poisons work to break our bodies down, and what can we learn from the damage they inflict? In a fascinating blend of popular science, medical history, and true crime, Dr. Neil Bradbury explores this most morbidly captivating method of murder from a cellular level. Alongside real-life accounts of murderers and their crimes—some notorious, some forgotten,

some still unsolved—are the equally compelling stories of the poisons involved: eleven molecules of death that work their way through the human body and, paradoxically, illuminate the way in which our bodies function. Drawn from historical

records and current news headlines, *A Taste for Poison* weaves together the tales of spurned lovers, shady scientists, medical professionals and political assassins to show how the precise systems of the body can be impaired to lethal effect through the use of poison.

From the deadly origins of the gin & tonic cocktail to the arsenic-laced wallpaper in Napoleon's bedroom, *A Taste for Poison* leads readers on a riveting tour of the intricate, complex systems that keep us alive—or don't.
