### Inductive Bible Study

Baker Academic

The Book of Psalms is perhaps the most cherished book in the Old Testament. In this lively volume, two experienced teachers invite students to read and explore the Psalter and roam widely among its poems. The book introduces the dynamics of the biblical text, helping students become careful and attentive readers. It covers how to read Hebrew poetry, the Psalter's basic genres, the idea of "the psalmist," the metaphorical world of

the Psalms, and the theology of the Psalms. Sidebars, discussion questions, and plenty of examples enhance the reading experience. This clear and concise guide is accessible to all serious students of the Bible.

### **The Climax of Biblical Prophecy**

Kregel Publications  
Sixty-six books written by forty people over nearly 2,000 years, in two languages and several different genres. The Bible is clearly no ordinary book. How can you begin to read and understand it as a whole? This excellent overview gives you the big picture, providing both the encouragement and the tools you need to read the Bible with confidence and

understanding.  
*For the Love of God's Word* Moody Publishers  
 This comprehensive yet user-friendly primer to the Septuagint (LXX) acquaints readers with the Greek versions of the Old Testament. It is accessible to students, assuming no prior knowledge about the Septuagint, yet is also informative for seasoned scholars. The authors, both prominent Septuagint scholars, explore the history of the LXX, the various versions of it available, and its importance for biblical studies. This new edition has been substantially revised, expanded, and updated to reflect major advances in Septuagint studies. Appendixes offer helpful reference

resources for further study.  
[Invitation to the Psalms](#)  
 Kregel Publications  
 The authors of this book have combined years of expertise and devotion to Scripture to provide a truly unique volume that sets forth concise, logical, practical guidelines for discovering the truth in God's Word. Ten years after its initial publication, the authors now have thoroughly updated it in light of the latest scholarship. "This is a remarkably comprehensive study of the whole area of biblical interpretation. Thoroughly evangelical, it also interacts with nonevangelical interpretational stances. No other volume available on

biblical interpretation does so much so well."- Douglas Stuart, Professor of Old Testament, Gordon-Conwell Theological Seminary  
A Theological Hermeneutic for Preaching Baker Books  
An introduction to a clear method of biblical interpretation For the Love of God's Word is an abridged, less technical version of Köstenberger and Patterson's acclaimed Invitation to Biblical Interpretation. Students, teachers, and pastors alike will find this introduction to biblical hermeneutics to be an accessible resource with both breadth and substance. Built on the premise that every passage requires careful scrutiny of its historical setting, literary

dimension, and theological message, this volume teaches a simple threefold method that is applicable to every passage of Scripture regardless of genre. In addition, the book sets forth specific strategies for interpreting the various genres of Scripture, from poetry to epistle to prophecy. A final chapter is devoted to helpful Bible study resources that will equip the reader to apply Scripture to life. This book will serve as a standard text for interpreting Scripture that is both academically responsible and accessible for pastors, teachers, and college students. This volume will enable students of Scripture to grow in love for God's Word as

they grow in the disciplines of study and discernment.

**The Manifold Beauty of Genesis One**

Abingdon Press

Explore the Old Testament's story of God and God's calling of the people of Israel through the many "voices" of the biblical text. Hear the magnificence of a Creation hymn, discover the law and wisdom teachings, listen to the warning of the prophets and explore the poetry of the Song of Solomon. In the two weekly video segments, first gain insight from biblical scholars and then take a visual tour of archaeological sites, ancient artifacts, and other physical remains, related to and illuminating scripture and events. Ideal

experience for adults who are interested in the practice of prayer and worship and would like to connect prayer practice with Scripture. The study is accessible for adults with little prior Bible experience. Participants gain a deeper understanding and appreciation of the Old Testament as an integral part of the Christian Bible and a renewed discovery of our identity in God and God's vision for all things. This eight-week study includes a participant book outlining daily reading assignments for group preparations, a leader guide suggesting discussion activities for use in the 60–90-minute weekly meeting, and a video component providing interpretation and context for the biblical

texts. Sessions: The Making of the Hebrew Bible The Creation Story of Israel Out of Bondage Promise and Problem in the Land Israel Has a King Division and the Rise of Prophecy Exile and Response Restoration and Renewal *Scripture and Its Interpretation* Zondervan Academic See and celebrate the multilayered grandeur conveyed by the first chapter of Genesis The first chapter of the Bible's first book lays the foundation for all that follows about who God is and what God is like. Our technology-age fascination with the science of origins, however, can blind us to issues of great importance that don't address our culturally conditioned questions. Instead, Genesis One

itself suggests the questions and answers that are most significant to human faith and flourishing. Geologist Gregg Davidson and theologian Ken Turner shine a spotlight on Genesis One as theologically rich literature first and foremost, exploring the layers of meaning that showcase various aspects of God's character: Song Analogy Polemic Covenant Temple Calendar Land Our very knowledge of God suffers when we fail to appreciate the Bible's ability to convey multilayered truth simultaneously. The Manifold Beauty of Genesis One offers readers the chance to cultivate an openness to Scripture's richness and a deeper faith in

the Creator.

A Beginning Grammar  
Kregel Academic  
Biblical Hermeneutics  
is a textbook for  
introductory courses in  
hermeneutics. It takes  
an interdisciplinary  
approach that is both  
balanced and practical  
with six major foci: the  
history of biblical  
interpretation,  
philosophical  
presuppositions,  
biblical genre, the  
uniqueness of  
Scripture, the practice  
of exegesis, and use of  
exegetical insights that  
will be lived and  
communicated in  
preaching and  
teaching. Biblical  
Hermeneutics is  
designed for students  
who have little or no  
knowledge of biblical  
interpretation. It  
provides, in one  
volume, resources for  
gaining a working

knowledge of the  
multi-faceted nature of  
biblical interpretation  
and for supporting the  
practice of exegesis on  
the part of the student.  
The first chapter "A  
Student's Primer for  
Exegesis" by Bruce  
Corley gives the  
student a bird's eye  
view of the entire  
process. It becomes for  
the student a kind of  
template to which they  
will return again and  
again as they engage  
in the process of  
exegesis. This revised  
edition of Biblical  
Hermeneutics contains  
seven new chapters that  
deal with the major  
literary genre of  
Scripture: law,  
narrative, poetry,  
wisdom, prophecy,  
Gospels and Acts,  
epistles, and  
apocalyptic. The  
unique nature of  
Scripture is presented

in part three that addresses the authority, inspiration, and language of Scripture. The book contains two extensive appendices, "A Student's Glossary for Biblical Studies" and an updated and expanded version of "A Student's Guide to Reference Books and Biblical Commentaries."

**Tracing the Storyline of the Bible**

Inter-Varsity Press Introduction to Biblical Interpretation, now in its third edition, is a classic hermeneutics textbook that sets forth concise, logical, and practical guidelines for discovering the truth in God's Word. With updates and revisions throughout that keep pace with current scholarship, this book offers students the best and most up-to-

date information needed to interpret Scripture. Introduction to Biblical Interpretation: Defines and describes hermeneutics, the science of biblical interpretation Suggests effective methods to understand the meaning of the biblical text Surveys the literary, cultural, social, and historical issues that impact any text Evaluates both traditional and modern approaches to Bible interpretation Examines the reader's role as an interpreter of the text and helps identify what the reader brings to the text that could distort its message Tackles the problem of how to apply the Bible in valid and significant ways today Provides an extensive and revised

annotated list of books that readers will find helpful in the practice of biblical interpretation. Used in college and seminary classrooms around the world, this volume is a trusted and valuable tool for students and other readers who desire to understand and apply the Bible.

### **God's Big Picture**

Canongate U.S. Invitation to Biblical Interpretation provides seminarians and upper-level collegians a textbook utilizing the "hermeneutical triad" method. This approach to interpretation is based on giving due consideration to both the historical setting and the literary context, as well the theological message.

### **Finding Our Place in the Biblical Story**

Crossway

Written in a conversational style with profuse examples to illustrate all concepts, "Invitation to Biblical Preaching" takes the reader step-by-step through the entire process of preparing a biblical message, from studying a passage with skill and integrity to delivering a message with persuasion, accuracy, passion, and relevance. An experienced pastor and homiletics professor, Donald Sunukjian provides budding pastors with wise counsel that is sure to stay with them throughout their ministries.

*Biblical Hermeneutics*  
Invitation to Biblical Interpretation Exploring the Hermeneutical Triad of History,

Literature, and  
Theology  
The Knowing the Bible  
series is a new  
resource designed to  
help Bible readers  
better understand and  
apply God's Word.  
Each 12-week study  
leads participants  
through one book of  
the Bible and is made  
up of four basic  
components: (1)  
Reflection questions  
designed to help  
readers engage the  
text at a deeper level;  
(2) "Gospel Glimpses"  
highlighting the gospel  
of grace throughout  
the book; (3) "Whole-  
Bible Connections"  
showing how any given  
passage connects to  
the Bible's overarching  
story of redemption  
culminating in Christ;  
and (4) "Theological  
Soundings" identifying  
how historic orthodox  
doctrines are taught or

reinforced throughout  
Scripture. With  
contributions from a  
wide array of influential  
pastors and church  
leaders, these gospel-  
centered studies will  
help Christians see and  
cherish the message of  
God's grace on each  
and every page of the  
Bible. The book of  
Romans was Paul's  
greatest literary  
achievement, a  
majestic letter in which  
the apostle expounds  
on crucial doctrines  
such as original sin,  
election,  
substitutionary  
atonement, the role of  
the law, and  
justification by faith  
alone. Plumbing the  
theological depths,  
Jared Wilson writes  
with a pastor's eye  
toward understanding  
and application as he  
explains the biblical  
text with clarity and

passion, helping readers follow along as Paul recounts the history of salvation and illuminates the glories of the cross of Christ.

*Invitation to Biblical Interpretation*

InterVarsity Press

An authoritative guide to accurately interpreting and applying God's Word In this second edition of *Invitation to Biblical Interpretation*, Andreas Kostenberger leads the reader step-by-step through the process of interpreting and applying God's Word.

The primary principle is the hermeneutical triad, which consists of history, literature, and theology. Readers are equipped to explore the historical background of a biblical passage, analyze its literary genre and features,

and derive its theological meaning in light of the biblical canon. Numerous examples are provided throughout to illustrate the concepts. A concluding chapter provides direction on practical application, preaching, and helpful tools for Bible study. Additional features include key words and definitions at the end of each chapter, study questions, and practical exercises for applying the material. An appendix lists numerous resources for Bible study, including recommended commentaries for every book of the Bible. The second edition updates these resources, as well as the sources cited throughout, and includes a revised

chapter on the Old Testament canon. Instructors, students, pastors, and anyone who desires to interpret Scripture accurately will find this volume to be an indispensable addition to their library.

Invitation to Genesis: Participant Book Baker Books

"There is no more gifted expositor of the Old Testament in our day than Ralph Davis. His book not only brings scholarly research to bear on the subject, but also reflects his many years of preaching week after week through the OT. What a gift to the church to have such a fine book." Richard Pratt

*Exegetical Fallacies*  
Kregel Academic & Professional  
This book offers

updated explanations of the sins of interpretation to teach sound grammatical, lexical, cultural, theological, and historical Bible study practices. "A must for teachers, pastors, and serious Bible students."--Journal of the Evangelical Theological Society  
**Romans** Mentor  
This book presents proponents of five approaches to biblical hermeneutics and allows them to respond to each other. The five approaches are the historical-critical/grammatical (Craig Blomberg), redemptive-historical (Richard Gaffin), literary/postmodern (Scott Spencer), canonical (Robert Wall) and philosophical/theological (Merold Westphal)

views.

How to Read the Bible as Literature

Zondervan

Outlines the alternative "biblical-historical" method of interpretation, which emphasizes the interpreter's need to know God—and thereby the Holy Spirit's centrality to valid exegesis.

A Global, Ecumenical Introduction to the Bible Kregel Academic

This study takes groups into the rich tapestry of Genesis exploring the interaction between God and very human people - pride, family relationships, conflict and journey all showcase the best known stories of Creation, Noah, Abraham, Isaac, Jacob and Rebekah and Joseph. The video

reflects the drama of the Genesis stories, first with selected text dramatized by an actor, and then study writer, Peter Enns interviews a scholar to help unpack the meaning and the mystery in the stories. Participants for this Invitation to Genesis do not have to have an in-depth knowledge of the Bible to enjoy and benefit from participation. Reading just two chapters of Genesis a week, they will discover the life altering stories that will invite them to follow Christ as true disciples. This eleven-week study includes a participant book outlining daily reading assignments for group preparations, a leader guide suggesting discussion activities for use in the 60-90-minute weekly

meeting, and a video component providing interpretation and context for the biblical texts. Sessions: The Beginning...and What Went Wrong Another Beginning: The Flood...and What Went Wrong Another Beginning: Abraham and the Patriarchs Abraham and a Glimpse to the Future The Promise Fulfilled: Isaac Another Beginning: Jacob and the Uneasy Birth of a People Jacob: The Struggle Continues Another New Beginning: Joseph and the Family of Israel The Trek Into Egypt An End and Another Beginning: Israel's Story  
**Invitation to Biblical Hebrew** Baker Books  
The second in the

series organized around common FAQs, 40 Questions about Interpreting the Bible tackles the major questions that students, pastors and professors ask about the hermeneutics of reading the bible (i.e. understanding the bible).  
The Drama of Scripture  
B&H Publishing Group  
Professor deSilva's outstanding textbook sets a new standard for the genre. The usual topics of New Testament introduction are integrated with instruction in interpretative strategies and application to ministry formation. The attractive layout includes numerous maps, photographs and text-boxes.
