"Cast aside your cares and worries. Make yourself a Mai Tai, put your favorite exotica record on the hi-fi, and prepare to lose yourself in the fantastical world of tiki, one of the most alluring--and often misunderstood--movements in American cultural history. Martin and Rebecca Cate,

founders and owners of Smuggler's Cove (the most acclaimed tiki bar of the modern era) take you on a colorful journey into the lore and legend of tiki: its birth as an escapist fantasy for Depression-era Americans; how exotic cocktails were invented, stolen, and re-invented; Hollywood starlets and scandals; and tiki's modern-day revival. Featuring more than 100 delicious recipes (original and historic), plus a groundbreaking new approach to understanding rum, Smuggler's Cove is the magnum opus of the contemporary tiki renaissance. Whether you're looking for a new favorite

cocktail, tips on how to trick out your home tiki grotto, help stocking your bar with great rums, or inspiration for your next tiki party, Smuggler's Cove has everything you need to transform your world into a Polynesian Pop fantasia"--

On a stormy midnight, sitting in a deserted airport, Molina's mind dives into her past—the same silhouette flashes in front of her eyes yet again! Molina's soul craves to see his face, but a message on her phone makes its way, interrupting her train of thoughts. The strange message baffles her, adding more surprises to her restless mind! Will Molina get a chance to meet the person behind the silhouette? Whose message made her unnerved in the wee hours? Why does Molina's happy life with her husband Sukumar and her close friend Riya start to feel monotonous to her? Will Molina and Keith meet like best friends again or will the old tiff bring

awkwardness between them when they bump into each other accidentally? Will Molina be able to obliterate and put an end to the mysterious events from taking their toll on her? The tale of Molina's life, her bonding with Keith and the consequences of their serendipitous encounter form the essence of the story. A radical rise and fall of emotions, surprises, shocks and fathomable and unfathomable thrills in different phases of Molina's life will contribute to the journey of Love Will Find a Way.

*Hunter: The Fallen One* Chef at Large From John Dillinger's Gin Fizz to Al Capone's Templeton Rye, mobsters loved their liquor—as well as the millions that bootlegging and speakeasies made them during the Prohibition. In a time when any giggle juice could land you in the hoosegow, mobsters had their own ways of making sure the gin mill never ran dry and the drinks kept flowing. And big screen blockbusters like *The Godfather*, *GoodFellas*, and *Scarface* and small screen hits like *The Sopranos* and *Boardwalk Empire* ensure that our obsession with mobsters won't run dry, either. Mixology expert Albert W. A. Schmid shows how you

can recreate the allure of the gangster bar life with step-by-step instructions on how to set up the best Prohibition-style bar and pour the drinks to match. Recipes include mob favorites like the Machete, the Paralyzer, Greyhound (Salty Dog), Say Hello to My Little Friend, and Angel Face, as well as classics like the Gimlet, Kamikaze, and Bee's Knees. *How to Drink Like a Mobster* also includes profiles of the most notorious mobsters' connections to the booze business, along with tips to stay under the radar in any speakeasy: always have at least one or more aliases ready, pay with cash, don't draw attention to yourself, and in the case of a raid, drink the evidence as fast as you can!

**[a Cocktail Recipe Book]** Oxmoor House Explore the origins and myths of the Crescent City one drink at a time New Orleans is an American city unlike any other, and its rich diversity is reflected in the world-class bar scene. In *Drink Dat New Orleans*, Elizabeth Pearce takes us on a tour of the city's many unforgettable drinking spots, including a candle-lit tavern favored by pirates in the early eighteenth century and a watering hole so beloved by locals that several urns

containing the ashes of former patrons rest in peace behind its bar. A Louisiana native and co-founder of the Southern Food and Beverage Museum, Pearce brings her lifelong love of food, beverage, and local lore to this ultimate drinker's guide. From the nonstop parties on Bourbon Street to the classy cool of the Garden District, *Drink Dat* is the perfect way to explore America's most spirited city.

A twisted domestic thriller in the vein of B. A. Paris and Shari Lapena that asks: How well do you know your friends? That picture you posted? I've seen it. That location you tagged? I've been there. I know everything about your life . . . And I'm going to destroy it. A recent transplant from sunny California, life in the London suburbs is not what Taylor Watson expected. Far from the West End shops and city lights she imagined, she finds herself pregnant and lonely, with a husband frequently away on business and only social media to keep her company. It's only after Taylor joins a book club and a walking group, that she finally starts to

make some real-life friends. Before long, Taylor's hanging out with Anna, Sarah, Simon, and Caroline but, as her pregnancy progresses and her friendships blossom, a sense of unease develops. Nothing's ever quite as it seems on the surface, and it soon becomes clear that Taylor's new friends have secrets. One appears to be after Taylor's husband, another's always putting her down, and then there's the question of Simon. Could he have feelings for Taylor? But far more worryingly, one of the group's not being too careful what they post on social media—and another is watching all too closely. Who's stalking who . . . and why?

From America's most influential cocktail bar, a playbook for home bartenders who want to take their drinks to the next level, featuring hundreds of the signature recipes that keep Death & Co top of class. In this stunning new offering from the authors of the bestselling *Death & Co* and *James Beard Book of the Year Cocktail Codex*, you'll find everything you need to make and serve impressive drinks at home. It begins with a boot camp of sorts, where you follow the same steps a new *Death & Co* bartender would, learning how to select ingredients, develop your palate, understand what makes a great cocktail work, mix drinks accurately, create a cocktail menu, and much more. More than 400 recipes anchor the book, including

classics, low-ABV drinks, non-alcoholic cocktails, and hundreds of the signature creations the Death & Co teams in New York, Denver, and Los Angeles have developed over the past seven years, including the Telegraph and Buko Gimlet. The Cocktails at Home section teaches you how to scale up recipes for larger gatherings, fill your freezer with ready-to-pour mixtures, and throw a party where you can actually spend more time with your guests than prepping drinks. And when you're ready to create your own recipes, the Death & Co crew pulls back the curtain on their cocktail development program, with plenty of strategies and the opportunity to mix and taste along with the staff. Featuring hundreds of photographs and illustrations, this comprehensive, visually arresting manual is destined to break new ground in home bars across the world.
