landscape designer Bernard Trainor has  
made it his life's work to capture the

wild soul of his adopted home of Northern California. Landprints: The Landscape Designs of Bernard Trainor Landscape Architect Bernard Trainor designs pastoral and coastal projects on the California coast and countryside. His projects use native plant palettes, recycled materials, and an ever-so delicate touch that almost makes you think that a stunning view of a rocky coastal bay had been that way all along. Book Review: Landprints: The Landscape Designs of Bernard ... Landprints: The Landscape Designs of Bernard Trainor, by Susan Heeger, photographed by Jason Liske and Marion Brenner, explores the designs of ten Trainor gardens and offers insight on his early influences. Australian by birth and worshipful of its rugged wilderness,

Trainor grew up to study horticulture and design, eventually moving to England, where he worked with designer Beth Chatto, "the indefatigable...voice of regionally appropriate design."
