They rowed hard, away from the battleships and the bombs. Water sprayed over them. The rowboat pitched one way and then the other. Then, before his eyes, the Arizona lifted up out of the water. That enormous battleship bounced up in the air like a rubber ball and split

apart. Fire burst out of the ship. A geyser of water shot into the air and came crashing down. Adam was almost thrown out of the rowboat. He clung to the seat as it swung around. He saw blue skies and the glittering city. The boat swung back again, and he saw black clouds, and the Arizona, his father's ship, sinking beneath the water. -- from *A Boy at War* "He kept looking up, afraid the planes would come back. The sky was obscured by black smoke....It was all unreal: the battleships half sunk,

the bullet holes in the boat, Davi and Martin in the water." December 7, 1941: On a quiet Sunday morning, while Adam and his friends are fishing near Honolulu, a surprise attack by Japanese bombers destroys the fleet at Pearl Harbor. Even as Adam struggles to survive the sudden chaos all around him, and as his friends endure the brunt of the attack, a greater concern hangs over his head: Adam's father, a navy lieutenant, was stationed on the USS Arizona when the bombs

fell. During the subsequent days Adam -- not yet a man, but no longer a boy -- is caught up in the war as he desperately tries to make sense of what happened to his friends and to find news of his father. Harry Mazer, whose autobiographical novel, *The Last Mission*, brought the European side of World War II to vivid life, now turns to the Pacific theater and how the impact of war can alter young lives forever. Sylo Yearling Cooper Foley, who has a

knack for getting into trouble, ends up in the middle of a border war between the worlds of the living and the dead, trying to find out about the mysterious Morpheus Road.

The battle continues. The struggle of good versus evil continues as Bobby Pendragon follows Saint Dane to the territory of Zadaa. Saint Dane's

influence has fueled the fire of discontent between two warring tribes: the Rokador and the Batu. This is also the territory where the Traveler Loor lives as a member of the Batu. Together she and Bobby must work to thwart Saint Dane's efforts to destroy Zadaa. But as Bobby pursues Saint Dane, he begins to notice changes in himself. He is no longer a flip kid looking for excitement. He is a young man beginning to see this quest as more than a series of adventures. He is also

learning that as a Traveler, he has powers no normal human should have. In this latest installment of Bobby Pendragon's battle to save humanity, discovery and danger go hand in hand as D. J. MacHale takes readers on an emotional thrill ride they won't soon forget.. [Pendragon Complete Collection](#) Simon and Schuster
 “Exquisitely written and richly detailed, My Notorious Life is a marvel. Kate Manning’s rags-to-riches Dickensian saga

brings to vivid life the world of nineteenth-century New York City, in all its pitiful squalor and glittering opulence. I loved this novel.”
 —Christina Baker Kline, New York Times bestselling author of Orphan Train A brilliant rendering of a scandalous historical figure, Kate Manning’s My Notorious Life is an ambitious, thrilling novel introducing Axie Muldoon, a fiery heroine for the ages. Axie’s story begins on the streets of 1860s New York. The impoverished

child of Irish immigrants, she grows up to become one of the wealthiest and most controversial women of her day. In vivid prose, Axie recounts how she is forcibly separated from her mother and siblings, apprenticed to a doctor, and how she and her husband parlay the sale of a few bottles of “Lunar Tablets for Female Complaint” into a thriving midwifery business. Flouting convention and defying the law in the name of women’s reproductive rights, Axie rises from grim tenement

rooms to the splendor of a mansion on Fifth Avenue, amassing wealth while learning over and over never to trust a man who says “trust me.” When her services attract outraged headlines, Axie finds herself on a collision course with a crusading official—Anthony Comstock, founder of the Society for the Suppression of Vice. It will take all of Axie’s cunning and power to outwit him in the fight to preserve her freedom and everything she holds dear. Inspired by the true

history of an infamous female physician who was once called “the Wickedest Woman in New York,” *My Notorious Life* is a mystery, a family saga, a love story, and an exquisitely detailed portrait of nineteenth-century America. Axie Muldoon’s inimitable voice brings the past alive, and her story haunts and enlightens the present. *The Quillan Games* Random House Books for Young Readers When Bobby Pendragon first arrives on the tropical world of Ibara, he finds

paradise. There is beauty all around and the people of Ibara are blissfully happy. It's not long before Bobby discovers, however, that they are also blissfully...oblivious. The leaders of Ibara are keeping a devastating secret from their people, one that gives Saint Dane all the opportunity he needs to launch his final assault on Halla. While Bobby struggles to learn the truth in time to thwart Saint Dane, Courtney Chetwynde desperately searches for Mark Diamond. On the heels of

a shocking tragedy, Mark has disappeared. Worse, he seems to be under Saint Dane's influence. It's up to Courtney to find Mark and stop him from making a grave mistake that could change the future of all existence. [Infinity Ring Book 6: Behind Enemy Lines](#) Simon and Schuster Fresh from his adventures on Denduron, Bobby Pendragon suddenly finds himself in the territory of Cloral, a vast world that is entirely covered by water.
