In this lively and varied tribute to Martin Banham, Layiwola has assembled critical commentaries and two plays which focus primarily on Nigerian theatre - both traditional and contemporary. Dele

Layiwola, Dapo Adelugba and Sonny Oti trace the beginnings of the School of Drama in 1960, at the University of Ibadan, Nigeria, where Martin Banham played a key and influential role in the growth of thriving Nigerian theatre repertoire and simultaneously encouraging the creation of a new theatre based on traditional Nigerian theatre forms. This comparative approach is taken up in Dele Layiwola's study of ritual and drama in the context of various traditions worldwide, while

Oyin Ogunba presents a lucid picture of the complex use of theatre space in Yoruba ritual dramadar drama. Harsh everyday realitites, both physical and political, are graphically demonstrated by Robert McClaren (Zimbabwe) and Oga Steve Abah (Nigeria) who both show surprising and alarming links between extreme actual experiences and theatre creation and performance. The texts of the two plays - When Criminals Turn Judges by Ola Rotimi, The Hand that Feeds the King by Wale Ogunyemi, are followed by Austin O. Asagba's study of oral tradition and text in plays by Osofisan and Agbeyegbe, and Frances Harding's study on power, language, and imagery in Wole Soyinka's plays.

In the world we are living in, English has become the common language that people from different countries and cultures can use to communicate with one another. There are many reasons why people would want to learn English, but for a lot of them; It is work-related. Most large companies around the world require their employees to speak English. In some cases, these companies are requiring their workers to only use English at the workplace. English has also been referred to as “the language of business”. If you have ambitions to become an international businessman or to work at some bigger companies, it’s almost essential that you’re able to speak English fluently. From The Intermediate Level to The Advanced Level From my years of teaching, I am

confident to say that it is easy for an English learner to go from a beginner English level to an intermediate English level. However, it takes more time to go from an Intermediate level to an advanced English level. A lot of students have studied English for years but still aren't able to speak English on an advanced level. They have tried many methods, attending classes, learning how to pronounce every single word and even getting a private English tutor to improve their spoken English, yet they still have a hard time pronouncing English words correctly or feeling too nervous to speak. The Best Proven Way to Learn and Speak English In this book, Christopher Hill, "THE INTERNATIONAL ESL PROFESSOR " (with 20+ years of experience) will show you powerful

unique ways to rapidly improve your spoken English. With topics you already have interest in, you will find out how easy and effortless to learn and speak fluent English. This effective method is simple, yet powerful. You will able to learn and improve your spoken English 3 to 5 times faster compared to the traditional way of learning. Inside This Black Book, You will Discover: - The 3 Golden Rules of Speaking Fluent English - The Power of Immersion - The Process of Shadowing - How Intensive Listening works - The Best Accent Reduction Techniques - Bonus Guide: The Secret Method to Become Super Fluent in 21 Days How do you know this book is for me? This book is for busy Intermediate students who wish to get to the Advanced English Level. If you can

understand 60-80% of an English speaking movie and understand what you are reading so far, you have found the right book. Stop Using Ineffective Ways to Learn and Speak English. When you are using proper methods to learn, you'll find that improving English is effortless. Learn and adopt these Proven techniques, tips, and many more secrets revealed in this black book. Don't Learn Using The Old-fashioned Way. Get a Copy of "The Black Book of Speaking Fluent English" and Start Speaking Fluent English :)

"The course is designed to maximise the performance of school-age learners. It features eight units covering the core topics, vocabulary, grammar and skills needed for all four exam papers for the revised Cambridge English: First (FCE) for Schools exam from 2015. Two teen-inspired topics in each unit ensure the entire exam syllabus is covered, and can also act as a basis for CLIL-based extension activities and projects. Grammar sections and a Grammar Reference help students build up the accurate language structure necessary for the Use of English parts of the new Reading and Use of English paper, while B2-level vocabulary is targeted, drawing

on insights from English Profile, and brought together in a Wordlist based on key vocabulary from the units. 'Exam tips', and grammar and vocabulary exercises teach students to avoid common mistakes identified in Cambridge's unique collection of real exam papers, the Cambridge Learner Corpus."--Publisher description.

This debut novel dives into the lives of bohemian New York neighbors whose worlds are turned upside down by a mysterious rooftop landing. When Ollie spots an alien on a nearby rooftop he knows right away that no one is going to believe him. Sure enough, his friends think he is losing it, and even his bandmate, Zara, is convinced he is

seeing things. But she still offers to help him track down his cat, who has mysteriously vanished. Together, they follow a trail of clues that leads them inexorably upwards, towards the strange creature lurking on a rooftop overhead.

Have you ever dreamed of a weight loss program where you can eat as much as you want of all those things that you crave and still lose excess body fat? This dream program is now yours. This is an ad libitum program where you lose fat because of what you eat and not because of what you limit. You will discover through personal experience that there is no need to reduce calories or limit food groups to eliminate excess

body fat. You will also obtain targeted fat loss since more fat will be lost from the waistline than from other parts of the body. Even more important, you will learn to think, feel and act in a different way around food. No magical remedies are promised and no miracle pills are promoted. Only through a sensible program and disciplined attitude will you be able to permanently rid yourself of excess fat. The book is divided into four parts. The first part explains why traditional diets are useless for long term weight loss, and how they may even worsen the problem. The second part presents a general outline of proven ways to permanently lose excess fat. The third part introduces a program which will not only help you nourish your body and lose excess fat; it will also

reshape you to express your maximum genetic potential. The last part answers frequent questions made by my patients in relationship to this program. The philosophy of this program is the following: It is not what you eat in excess but what you are lacking in your daily menu that ruins your perfect metabolic balance and favors accumulation of excess body fat.

La Gaviota--The Sea-gull, Or, The Lost Beauty Rafael Bolio

"This volume describes 20 years of work at Cambridge English to develop multilingual assessment frameworks and presents useful guidance of good practice. It covers the development of the ALTE Framework and 'Can Do' project, work on the Common European Framework of Reference (CEFR) and the

linking of the Cambridge English exam levels to it, Asset Languages - a major educational initiative for UK schools, and the European Survey on Language Competences, co-ordinated by Cambridge English for the European Commission. It proposes a model for the validity of assessment within a multilingual framework and, while illustrating the constraints which determined the approach taken to each project, makes clear recommendations on methodological good practice. It also explores and looks forward to the further extension of assessment frameworks to encompass a model for multilingual education. Key features of the volume include: - a clear and comprehensive explanation of several major multilingual projects - combination of theoretical

insights and practical advice - discussion of the interpretation and use of the CEFR. Multilingual Frameworks is a rich source of information on key issues in the development and use of multilingual proficiency frameworks. As such, it will be a valuable reference work for academics, education policy-makers and examination board personnel. It is also a useful resource for postgraduate students of language assessment and for practitioners, and any stakeholders seeking to gain a clearer picture of the issues involved with cross-language assessment frameworks"--

This flexible course brings together all the tools and technology you expect to get the results you need. Whether teaching general English or focusing on

exams, Prepare! leaves you and your students genuinely ready for what comes next: real Cambridge English exams, or real life. The Level 2 Student's Book engages students and builds vocabulary range with motivating, age-appropriate topics. Its unique approach is driven by cutting-edge language research from English Profile and the Cambridge Learner Corpus. 'Prepare to...' sections develop writing and speaking skills. A Student's Book and Online Workbook is also available, separately.

A2 Flyers 3 Student's Book Cambridge University Press

La diversidad del español y su enseñanza es la primera publicación concebida para reflexionar sobre la diversidad de la lengua desde un punto

de vista crítico, interdisciplinario, institucional, aplicado e internacional. El análisis de doce lecturas y de una detallada guía de explotación didáctica potencian la adquisición de conocimientos sobre la lengua y desvelan la complejidad de la investigación sobre las variedades del español. Características principales:

- Artículos de investigación desde diferentes enfoques y perspectivas;
- Actividades de reflexión para verificar la asimilación de contenidos;
- Análisis crítico de extractos y citas de autoridad (español e inglés);
- Preguntas analíticas sobre el estado de la cuestión y recursos institucionales;
- Modelos metodológicos de investigación empírica sobre la diversidad de la lengua;
- Propuestas de temas para la investigación y el debate

dentro y fuera del aula; • Pautas bibliográficas detalladas para profundizar sobre la materia; • Selección de conceptos clave para potenciar la adquisición de terminología lingüística; • Glosario bilingüe en línea (español e inglés) sobre variedades del español, sociolingüística aplicada y política lingüística; • Soluciones de las guías de lectura e información complementaria. Diseñado como libro de texto o material de autoaprendizaje, La diversidad del español y su enseñanza es una herramienta imprescindible para familiarizarse con la diversidad de la lengua. La información será de interés y aplicable en contextos académicos y profesionales de enseñanza, diseño curricular y elaboración de materiales didácticos de español como lengua

extranjera o segunda y de herencia. Cualquier investigador, profesor, estudiante o lector podrá acceder de manera crítica y pautada a esta importante parcela de conocimiento sobre el idioma. La diversidad del español y su enseñanza brings together twelve articles that investigate Spanish linguistic variation and the impact this has on Spanish language teaching. Based on a special edition of the Journal of Spanish Language Teaching, each chapter here presents an article from the Journal with an additional reading guide designed to transform the information into a pedagogical tool that can be used and applied in the classroom. Each article is accompanied by critical analysis, reflection activities, questions for future research and debate, and

suggestions for further reading. A bilingual glossary covering key terms within Spanish language variation, applied sociolinguistics and language policy is available online at www.routledge.com/9780367651695. This book is a practical overview of the evolution and current state of the study of Spanish language variation and will be of most interest to researchers and teachers of Spanish as a second language who will gain insight into how to include linguistic variation in their teaching.

El Programa de Profesores Visitantes en Alberta empezó en 1998, como resultado del Memorando de Entendimiento firmado entre el Ministerio de Educación de España y el Departamento de Educación de la provincia de Alberta. El objetivo principal de ese acuerdo fue introducir el aprendizaje del español como segunda lengua en escuelas de primaria y secundaria así como fomentar la mejora de la calidad de la enseñanza en programas bilingües. En la actualidad, este programa cuenta con un gran apoyo por parte de los distritos escolares y por el departamento de Educación. En las últimas convocatorias cuatro distritos escolares han contratado

profesores visitantes, principalmente del nivel de primaria, aunque también un pequeño número de profesores de secundaria forman parte del programa **Preparacion al Dele escolar A2-B1. Claves libro. Con espansione online. Con CD. Per le Scuole superiori** Routledge

In recent years, there has been an increasing interest in Early Modern Festivals. These spectacles articulated the self-image of ruling elites and played out the tensions of the diverse social strata. Responding to the growing academic interest in festivals this volume focuses on the early modern Iberian world, in particular the spectacles staged by and for the Spanish Habsburgs. The study of early modern Iberian festival culture in Europe and the

wider world is surprisingly limited compared to the published works devoted to other kingdoms at the time. There is a clear need for scholarly publications to examine festivals as a vehicle for the presence of Spanish culture beyond territorial boundaries. The present book responds to this shortcoming. Festivals and ceremonials played a major role in the Spanish world; through them local identities as well as a common Spanish culture made their presence manifest within and beyond the peninsula through ephemeral displays, music and print. Local communities often conflated their symbols of identity with religious images and representations of the Spanish monarchy. The festivals (fiestas in Spanish) materialized the presence of

the Spanish diaspora in other European realms. Royal funerals and proclamations served to establish kingly presence in distant and not so distant lands. The socio-political, religious and cultural nuances that were an intrinsic part of the territories of the empire were magnified and celebrated in the Spanish festivals in Europe, Iberia and overseas viceroalties. Following a foreword and an introduction the remaining 12 chapters are divided up into four sections. The first explores Habsburg Visual culture at court and its relationship with the creation of a language of triumph and the use of tapestries in festivals. The second part examines triumphal entries in Madrid, Lisbon, Cremona, Milan, Pavia and the New World; the third deals with the

relationship between religion and the empire through the examination of royal funerals, hagiography and calendric celebrations. The fourth part of the book explores cultural, artistic and musical exchange in Naples and Rome. Taken together these essays contribute further to our growing appreciation of the importance of early-modern festival culture in general, and their significance in the world of the Spanish Habsburgs in particular.

Cambridge English Prepare! Level 2 Student's Book Cengage Learning

The RUMBOS program provides robust support to help students 'fill in the gaps' that might be left from their first year of Spanish study, including review activities, indices of first year grammar and vocabulary, and student

annotations. At the same time, RUMBOS carefully leads students to higher levels of communicative competence through the combination of functional and contextualized vocabulary presentations, targeted practice of more advanced and often problematic grammatical structures, and process-oriented reading and writing sections with integrated skill-building strategies. Finally, RUMBOS prepares students for advanced language study by involving them in authentic literary readings and academic writing tasks and by weaving in communicative activities geared to oral presentations. The RUMBOS program also provides plentiful instructor support through its transparent and flexible chapter structure, teacher annotations, and ancillary materials. Instructors using

RUMBOS will find crafting creative, stimulating, and fun lesson plans effortless. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Cambridge University Press

You can never have enough space. And if you can't, just think of your kids--all the time they have to spend in tight spaces--like cars, planes, trains, the doctor's office, the grocery store, being sick or housebound, waiting in line. Kids need room to move around, but there are many times when they just plain can't have it. While raising two exuberant boys, teaching preschool,

leading Cub Scouts, and running a birthday party business, Carol Stock Kranowitz came up with savvy, creative ways to keep kids content in tight spaces. In *101 Activities for Kids in Tight Spaces*, her activity ideas combine old standbys with new ones born of desperation and cramped quarters. They follow a philosophy that helps kids develop their different skills and abilities while entertaining themselves and interacting. You'll find great projects for every imaginable small space parents and children encounter: *Fun Food for Tiny Kitchens: Ants on a Log, Footprints in the Snow, and Aiken Drum Faces In the Urban Community: Windowsill Garden, Bug Jar, and Corn-on-the-Sponge When the Walls Seem to Be Closing In: Pillow Crashing, People*

Sandwich, and Teeter-Totter When what you've got is a small space and a restless child, what you need are 101 ingenious solutions--right away. Here they are--easy to implement, creative fun for the three to seven-year-old--activities that can turn tough moments into teachable, terrific ones.

African Theatre in Performance

Ministerio de Educación y Formación Profesional

“A rich and moving chronicle for our very present.” —Julio Ortega, New York Times Book Review The United States is still typically conceived of as an offshoot of England, with our history unfolding east to west beginning with the first English settlers in Jamestown. This view overlooks the significance of America’s Hispanic past. With the profile of the

United States increasingly Hispanic, the importance of recovering the Hispanic dimension to our national story has never been greater. This absorbing narrative begins with the explorers and conquistadores who planted Spain’s first colonies in Puerto Rico, Florida, and the Southwest. Missionaries and rancheros carry Spain’s expansive impulse into the late eighteenth century, settling California, mapping the American interior to the Rockies, and charting the Pacific coast. During the nineteenth century Anglo-America expands west under the banner of “Manifest Destiny” and consolidates control through war with Mexico. In the Hispanic resurgence that follows, it is the peoples of Latin America who overspread the continent, from the Hispanic heartland in the West

to major cities such as Chicago, Miami, New York, and Boston. The United States clearly has a Hispanic present and future. And here is its Hispanic past, presented with characteristic insight and wit by one of our greatest historians.

A novel about race, sex, class, and love—from an author at the beginning of a major career—Tomi Obaro's sparkling debut tells the story of three once-inseparable college friends in Nigeria who reunite for the first time in thirty years at a lavish wedding in Lagos for one of their daughters. Funmi, Enitan, and Zainab first meet at university in Nigeria and become friends for life despite their differences. Funmi is

beautiful, brash, and determined; Enitan is homely and eager, seeking escape from her single mother's smothering and needy love; Zainab is elegant and reserved, raised by her father's first two wives after her mother's death in childbirth. Their friendship is complicated but enduring, and over the course of the novel, the reader learns about their loves and losses. How Funmi stole Zainab's boyfriend and became pregnant, only to have an abortion and lose the boyfriend to police violence. How Enitan was seduced by an American Peace Corps volunteer, the only one who ever really saw her, but is culturally so different from him—a Connecticut WASP—that raising their daughter together put them at odds. How Zainab fell in love with her teacher, a friend of

her father's, and ruptured her relationship with her father to have him. Now, some thirty years later, the three women are reunited for the first time, in Lagos. The occasion: Funmi's daughter, Destiny, is getting married. Enitan brings her American daughter, Remi. Zainab travels by bus, nervously leaving her ailing husband in the care of their son. Funmi, hosting the weekend of elaborate festivities with her wealthy husband, wants everything to go perfectly. But as the big day approaches, it becomes clear that something is not right. As the novel builds powerfully toward the big event, the complexities of the mothers' friendship—and the private wisdom each has earned—come to bear on a riveting, heartrending moment of decision. *Dele* *Weds* *Destiny* is a sensational debut

from a dazzling new voice in contemporary fiction.

Authentic Examination Papers

Christopher Hill

Authentic examination papers for learners preparing for the revised Pre A1 Starters, A1 Movers and A2 Flyers exams as introduced in 2018. This collection of examination papers for A2 Flyers provides ideal exam practice. It contains three full-colour test papers which contain engaging activities and attractive illustrations to motivate young learners. These papers also provide an excellent opportunity for children, parents and teachers alike to familiarise themselves with the format of the revised test. An Audio CD (which contains the listening sections of the tests) and an Answer Booklet are also

available separately.

Diets Make you Fat, Eating makes you Skinny Ediciones Universidad de Salamanca

La elaboración del anuario estadístico "Las cifras de la educación en España. Estadísticas e indicadores - Edición 2019" pretende a través de las fuentes de la estadística oficial proporcionar una panorámica de la situación de la educación española, todo ello apoyado en la presentación de forma conjunta y sintética de datos relevantes e indicadores. Esta publicación de síntesis es elaborada por la Subdirección de Estadística y Estudios del Ministerio de Educación y Formación Profesional. El ámbito de este anuario abarca todos los niveles del sistema educativo, así como

otras formaciones impartidas fuera de él, tomando en esta edición como referencia el curso académico 2016-2017. La información se presenta estructurada en ocho grandes apartados, que integran capítulos dedicados a aspectos más concretos. Los grandes apartados son: el contexto; los recursos; la escolarización, la transición y los resultados; las enseñanzas; otros aspectos de la educación; las relaciones con el exterior; y la comparación internacional. Las principales variables de clasificación de la información son: la comunidad autónoma, lo que permite conocer las características propias de la educación en cada comunidad y su comparación con el resto; la titularidad del centro educativo; y el sexo del alumnado y del profesorado.
