She Plays Boogie-Woogie & Blues Piano
Hal Leonard Corporation
Hidden within all of the 10 innovative piano solos in each volume are scales---sometimes ascending, sometimes descending---in one or both hands. What makes each book "Not Just Another Scale Book," however, is the accompanying CD that features wonderfully orchestrated background tracks. Book 1 features pieces

written in both major and minor keys up to two sharps or flats. Book 2 has pieces written in major and minor keys using three to seven sharps. The pieces in Book 3 are written in major and minor keys using three to seven flats.

Six Blues Roots Pianists Oak Publications. *The Story of Boogie-Woogie: A Left Hand Like God* examines the socio-historical background of the boogie-woogie piano style, from its early appearances in the barrelhouses of lumber, turpentine, and railroad camps in the southern United States, to its emergence at rent parties in Chicago and St. Louis, to its rise as a popular form of music in the nightclubs of New York, to its status as an international craze during World War II. In this enhanced revision of *A Left Hand Like God*, Peter J. Silvester presents a comprehensive history of boogie-woogie, describing the style's appearance and development, its offshoots, and the pianists who made it famous, and studying its impact on rhythm and blues, urban

blues, and big band swing, leading to the eventual revival of 'classical' boogie-woogie in concerts and festivals. Silvester discusses significant European and American pianists of boogie-woogie throughout history, providing biographical information about their life styles and musical influences and offering an analysis of their important recordings. The book also includes a new chapter on the contribution of national and independent record companies to the recording of boogie-woogie music. A thorough bibliography and a final appendix providing many of the bass patterns common in boogie-woogie make this a valuable reference.

Boogie Woogie Tredition Gmbh

This is the most important instruction guide to blues style piano playing in print. It covers all styles of playing from 1900 to the present day and includes transcriptions of the recordings of twenty-two of the greatest exponents of barrelhouse and boogie piano. Among these are such greats as Memphis Slim, Alex Moore, Kid Stormy Weather, Cow Cow Davenport, Jelly Roll Morton, to mention just a few. All the transcriptions are

accompanied by historical notes. This book also shows you how to develop blues techniques, how to improvise and includes coordination and fingering exercises, besides much else of importance to the blues pianist. It also contains a discography of albums by the twenty-two artists whose work appears in the book. *Big Book of Clarinet Songs* Hal Leonard Corporation (Artist Transcriptions).
