The Hero and the Goddess Simon and Schuster

All great stories can change our lives, and practically none is more transformational than Homer's

The Odyssey, which had a power so great that it launched Greek civilization and has influenced the West ever since. In this fresh approach to self-realization, human potentials leader Jean Houston provides empowering experiential exercises at every key stage of Homer's epic to make The Odyssey our own journey. As we set sail with Odysseus, together we endure loss and suffering, the search for the divine Beloved, and the joy of finally arriving home. "Tapping the power of these archetypes," says Houston, "helps us effect healing in areas that have kept us immobilized and anguished. By raising our own tragic dimension to a mythic level, we awaken to a larger, nobler life."

The Tao of Music Quest Books

"You want the dreams they dreamed of to come true-Then They Do." That line from one of country music's best songs in recent memory pretty much sums up the way millions of parents feel about their children. Many times as they are growing up and driving you crazy, you dream of when they will be out of the house-and you will have your life back again-and then they do. Then They Do is filled with heartwarming, and sometimes tear-inducing, stories from parents about cherishing the

moments with your children and celebrating the fine young men and women they have become. This book will serve as a reminder to parents to seize those moments when their tiny ones are still underfoot, and will be a nostalgia-inducing keepsake for those whose children have moved upwards and onwards. A fine gift for parents young and old or for grown children in the midst of raising their own families.

Four exciting concert solos for flamenco guitar from Juan Martín's best-selling album 'the Andalusian Suites'. This is the first of the four suites on the album. These suites are transcribed into standard notation and flamenco tablature (cifra), with introductory playing notes by Juan Martín. The four solos on the accompanying CD are performed by Juan. The complementary and contrasting variety of styles and rhythms of the four solos provide a brilliant display of Juan's artistry and the expressive capabilities of the flamenco guitar. Each solo is complete in itself. A powerfully evocative Zambra Mora is followed by the much-requested rumba 'La Feria', then a gently melancholic Milonga and finally a thrilling Bulerías, which combines modern elements with pure gypsy falsetas from Moron del la Frontera. These solos provide an exceptional opportunity to learn and enjoy the music of a master flamenco guitarist, whose two volumes of graded 'solos Flamencos' are already Mel Bay best-sellers.
