This is the story of Bernard, whose parents are too busy to understand that there is a monster in the garden... and one that wants to eat him!

It's Not the End of the World Simon and Schuster

"Blubber is a good name for her," the note from Caroline said about Linda. Jill crumpled it up and left it on the corner of her school desk. She didn't want to think about Linda or her dumb report on whales just then. Jill wanted to think about Halloween. But Robby grabbed the note and before Linda stopped talking it had gone halfway around the room. There was something about Linda that made a lot of kids in her fifth-grade class want to see how far they could go...but nobody, Jill least of all, expected the fun to end where it did.

Are You There God? It's Me, Margarita Simon and Schuster

High school students embark on a crash course of friendship, female empowerment, and women's health issues in Lily Williams and Karen Schneemann's graphic novel *Go With the Flow*. Good friends help you go with the flow. Best friends help you start a revolution. Sophomores Abby, Brit, Christine, and Sasha are fed up. Hazelton High never has enough tampons. Or pads. Or adults who will listen. Sick of an administration that puts football before female health, the girls confront a world that shrugs—or worse, squirms—at the thought of a menstruation revolution. They band together to make a change. It's no easy task, especially while grappling with everything from crushes to trig to JV track but they have each other's backs. That is, until one of the girls goes rogue, testing the limits of their friendship and pushing the friends to question the power of their own voices. Now they must learn to work together to raise each other up. But how to you stand your ground while raising bloody hell?

Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be "normal," to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a com-munity, and believing in something better. Published to rave reviews as *Future Girl* in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. "Are You There God" created to empower believers and yet believers that God is always present. In life we all have a journey to experience and story to share with others. Thus, God did not create us to walk this road alone. God desires to protect, provide, correct, and direct us, but we must recognize that He exist. We have to acknowledge that life is more than what is visible to our eyes and understand that an encounter with Jesus is both spiritual and tangible through God's Word. "Are You There God" was birthed by reflecting on my experiences and wanting to share this with others to inspire and lead them to Christ! It's a practical application of my life and biblical accounts, which helped me to see God. Those same experiences may be your story or different, but reflection on your life can help you see where God was and still is today. I hope that as I share my story with you, it will help you recognize, encounter, and embrace the living God who longs to be your lifelong partner. Jesus Christ never meant of us to experience life without Him and His companionship. God loves you so much that He gave His only Son (John 3:16 NIV) for your sins, for your present existence, and your future eternal salvation.

weeks left of summer. Then the Garber family moved into Iggie's house—two boys, Glenn and Herbie, and Tina, their little sister. The Garbers were black and Grove Street was white and always had been. Winnie, a welcoming committee of one, set out to make a good impression and be a good neighbor. That's why the trouble started. Because Glenn and Herbie and Tina didn't want a "good neighbor." They wanted a friend.

Dear Chief of Police: You don't know me but I am a detective from New Jersey. I have uncovered a very interesting case down here. I have discovered that Adolf Hitler is alive and has come to Miami Beach to retire. He is pretending to be an old Jewish man... In this hilarious, confessional memoir, Kevin Keck tries to come to terms with the intense lack of meaning in his life. At twenty-six, Keck felt like he was losing his mind. When anxieties about his "Ultimate Purpose" aren't manifesting themselves in struggles with OCD or depression, they swing him into a mania that drives him from one dysfunctional girlfriend to the next...all of whom resemble his mother in their shared capacities for personalized madness. In search of sanity, he returns to his childhood home in North Carolina, only to be met with serious doses of reality in the form of his congenitally reclusive brother, manic depressive mother, and grandmother suffering from advanced Alzheimer's. His grandfather and dad are there, too, but they never leave the basement where they continually repair a single lawnmower. Will Keck's anxieties about the failure of his Ultimate Purpose to manifest drift away as he looks for life's meaning in the comforting Carolina hills? No way. That wouldn't be funny. *Are You There, God? It's Me*. Kevin is a madcap journey to faith (in life? in God?) from an insanely talented comedic genius.
