"Magical in every way." - Eoin Colfer,
author of Artemis Fowl "Fans of Harry
Potter or Percy Jackson can add Fionn
Boyle as a generous and brave hero from
the Emerald Isle." - School Library
Connection Fionn Boyle comes from a long
line of brave seafarers, people with the
ocean behind their eyes. But he can't help

but fear the open sea. For years, Fionn's
mother has told him stories of Arranmore
Island, a strange place that seems to
haunt her. Fionn has always wondered
about this mysterious island, and from the
day he arrives he starts noticing things
that can't be explained. He can sense the
island all around him, and it feels like the
island is watching him, too. Once in a
generation, Arranmore Island chooses a
new Storm Keeper to wield its power and
keep its magic safe from enemies. The
time has come for his grandfather, a
secretive and eccentric old man, to step
down. But as Fionn and the other

descendants of Arranmore's most powerful
families fight to become the island's next
champion, a more sinister magic is waking
up, intent on rekindling a long-ago war
and changing Fionn's life and the island's
future forever.

thrilling steampunk paranormal romance

series, Lena Todd is pretty and vivacious, which makes her the perfect spy against the Echelon. But when she finds herself in too deep, she'll find herself at the mercy of Will Carver, the only man she can't wrap around her finger and whose kiss she can't forget. Lena Todd makes the perfect spy. Nobody suspects the flirtatious debutante could be a sympathizer for the humanist movement haunting London's vicious blue blood elite. Not even the ruthless Will Carver, the one man she can't twist around her little finger, and the one man whose kiss she can't forget... Stricken with the loupe and considered little more than a slave-without-a-collar to the blue bloods, Will wants nothing to do with the Echelon or the dangerous beauty who drives him to the very edge of control. But when he finds a coded letter on Lena—a code that matches one he saw on a fire-bombing suspect—he realizes she's in trouble. To protect her, he must seduce the truth from her. With London on the brink of revolution, Lena and Will must race against time—and an automaton army—to stop the humanist plot before it's too late. But as they fight to save a city, the greatest danger might just be to their

hearts... Siege of Shadows Simon and Schuster "Don't talk to ME about fair!" When your memory and identity has stripped from you, what are you left with? The young Dragon Keeper Mataras wonders this very question nearly every day as he searches for the answers to a past that may never come to light. Even with his best friend by his side, and the God of all to look up to, he feels lost, alone, and bitter. But what begins as a disaster quickly becomes an adventure worthy of legend as Mataras and Delta Litrosh begin a journey to unveil a mystery as old as the Great Flood of Genesis. During their travels, they meet up with a group of other troubled youths, also seeking their place in the world, and decide to assist them in their endeavors.

Together, they become a capable group of warriors capable of shaking the foundations of an entire fief. When push comes to shove and Mataras' past comes to confront him, will this unstable child be able to take on the mantle of manhood? Will he be able to hear the King's voice in the form of a mighty dragon's roar?

It will take the Keepers of legend to save Queensland. Too bad all they've got is one man haunted by his past, another who's a failure at magic, and an untrained girl. Mallon the Undying's reign of terror ended eight years ago when he entered the elven wood and never returned. The country of Queensland has shakily returned to normal, and the Keepers who helped defend her have returned to their own pursuits as historians, storytellers, and students of magic. But Mallon's moniker was truer than anyone knew. His followers still work to keep his ruthless ideas alive

by abducting powerful children, sowing discord among the people, and nibbling away at Queensland's borders. Unfortunately, the only Keepers left between Queensland and destruction are: -Alaric, who betrayed everything he believed to save his wife - and still failed.- Will, a storyteller who's convinced his weak magic makes him useless.-And Sini, a former slave girl with unimagined power but no way to wield it. With the help of unsettling elves, gruff dwarves, sentient stones, and magical swords, Alaric, Will, and Sini will have to find a way to overcome their own weaknesses and face the growing shadows. Can the Keepers survive being hunted by dragons, attacked by frost goblins, and deceived by wizards? Or will Mallon's forces of destruction overwhelm them and the land they love?
