The Race for Mach 1

Samaira Book Publishers
 Soon to be a show on
 Hulu! Rights to develop
 Wild Cards for TV have
 been acquired by
 Universal Cable
 Productions, the team
 that brought you The
 Magicians and Mr. Robot,
 with the co-editor of Wild
 Cards, Melinda Snodgrass
 as executive producer. Let
 the secret history of the
 world be told—of the alien
 virus that struck Earth
 after World War II, and of
 the handful of survivors
 who found they now
 possessed superhuman
 powers. Some were called
 Aces, endowed with
 powerful mental and
 physical prowess. The
 others were Jokers,
 tormented by bizarre
 mind or body
 disfigurements. Some
 served humanity. Others
 wreaked terror. Now, forty
 years later, under the
 streets of Manhattan an
 evil genius unleashes the
 powers of darkness—and
 Aces and Jokers alike
 must fight for their lives.
 Here, in the third volume
 of the Wild Cards series,
 seven of science fiction's
 most gifted writers take
 you on a journey of

wonder and excitement.

Aces Wild John Wiley &
 Sons
 Orphaned in a massacre,
 abused as a "half-breed"
 child, trained as a ruthless
 Texas Ranger, Tucker

McCade's learned the
 hard way that you have to
 fight to survive. So he is
 shocked when he falls for
 Sally Mae, a Quaker
 nurse. Unable to resist
 Tucker, Sally Mae throws
 herself into their torrid
 affair. Tucker's
 occupation, however, is
 the one thing she can't
 embrace. A staunch
 pacifist, she can't
 understand how his gentle
 hand can clench in fury or
 pull a trigger to take a
 life. But when Sally Mae
 becomes pregnant,
 Tucker is willing to do
 whatever it takes to have
 his family—including
 hanging up his guns.
 Every night they spend
 together binds them ever
 closer—until the day his
 past comes calling....
A Wild Cards Novel Simon
 and Schuster
 The last Pacific campaign
 of World War II was the
 most violent on record.
 Vice Admiral Marc
 Mitscher's Task Force 58
 carriers had conducted air
 strikes on mainland Japan
 and supported the Iwo
 Jima landings, but his
 aviators were sorely
 tested once the Okinawa
 campaign commenced on
 1 April 1945. Rain of Steel
 follows Navy and Marine
 carrier aviators in the
 desperate air battles to
 control the kamikazes
 directed by Vice Admiral

Matome Ugaki. The latter would unleash ten different Kikusui aerial suicide operations, one including a naval force built around the world's most powerful battleship, the 71,000-ton Yamato. These battles are related largely through the words and experiences of some of the last living U.S. fighter aces of World War II. More than 1,900 kamikaze sorties—and thousands more traditional attack aircraft—would be launched against the U.S. Navy's warships, radar picket ships, and amphibious vessels during the Okinawa campaign. In this time, Navy, Marine, and Army Air Force pilots would claim some 2,326 aerial victories. The most successful four-man fighter division in U.S. Navy history would be crowned during the fight against Ugaki's kamikazes. The Japanese named the campaign *tetsu no ame* ("rain of steel"), often referred to in English as "typhoon of steel."

Ace's Wild (Hell's Eight, Book 7) Penguin
I run my own little kingdom with my three best friends-Wild Aces. One look at her and I take a blow right to the chest. I'm not even sure

she's real. As my world instantly changes, everything in the room disappears except for her. Jace Spadel has one little problem—it's obvious she's too young to be in my bar. My heart doesn't care. This girl belongs to me and I'll find a way to deal with the obstacles. I'm not thinking clearly when I leave her alone in my office. Why didn't I get her name? My little spitfire disappears into the night, taking my heart with her. Dani was close. I'm never letting my friends talk me into sneaking into bars again. Between college classes and my job at the local coffee shop, I don't have time to spend a weekend in jail. Although the hot bar-owner did make my palms sweaty and my heart race. Too bad, he was about to have me locked up. After weeks of searching, a chance meeting brings Dani back into Spade's life. This time, he won't let her slip away. He's going to fight for his girl and make her his queen. If you like over-the-top, insta-love romance with a little bit of humor, this short romance is the perfect story for you.

[A World War II Story of Survival, Resilience, and Redemption](#) A&C Black

Every Texan woman knows the men of Hell's Eight offer wild no-strings attached pleasure. Well, almost every woman... Known for making up his own rules of right and wrong, Texas Ranger Sam 'Wild Card' MacGregor takes what he wants when he wants it, especially when it comes to women. But seduction is the last thing on his mind the moment he stumbles across a Hispanic beauty crouching in fear beside a burned-out wagon. And it doesn't take long before he realizes the woman the townsfolk have labelled as 'cursed' is hiding secrets too dangerous to face alone. Isabella may look feminine and unassuming, but she's hell in a bodice with gun slinging skills to match any man's. Though she knows not to give Sam her heart as readily as she offers him her lush body, Isabella is certain she sees in Sam what he can barely glimpse in himself – a virtuous man dropped deep into a hard country bent on breaking him. A man who, under it all, craves a passionate woman willing to risk everything... 'McCarty continues her Hell's Eight series with this solidly plotted tale. There's wonderful chemistry

between Sam and Bella, and the witty banter between them makes the story come alive.' RT Book Reviews (4 stars)

Carlisle Trace Vol. 7 Up

The Gut Lulu.com

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

The Glass Castle

Pearson UK

He's the last bachelor standing among the men of Hell's Eight, and he'll settle for nothing less than passion...

Unencumbered by wife or family, Luke Bellen is the obvious member of Hell's Eight to lead a treacherous trek across Comanche territory. But Luke suspects he will never know another minute's peace when photographer Josie Kinder joins the wagon train. Whip-smart Josie has a voluptuous figure, a sunny disposition and a knack for getting into dangerous scrapes in pursuit of the perfect shot. Luke thinks Josie's too young, too sweet to be despoiled by the rough life and hard-bitten land he loves. But independent Josie won't let any man—however commanding—decide what's best for her.

Beneath their playful banter is a powerful current of lust—pure, but not so simple. If only Luke weren't so damned proper, he'd see that the years between them don't matter a whit, not when a single touch can set them both ablaze. Josie's hell-bent on having it all, and that includes keeping Luke in the picture...unless the vengeful bandits on their trail find them first.

The true story of World War 2's legendary Hell's Angels—the 8th Air Force's 303rd Bomb Group. Although the United States declared war against Germany in December 1941, a successful assault on Nazi-occupied Europe could not happen until Germany's industrial and military might were crippled. The first target was the Luftwaffe—the most powerful and battle-hardened air force in the world. The United States Army Air Forces joined with Great Britain's already-engaged Royal Air Force to launch a strategic air campaign that ultimately brought the Luftwaffe to its knees. One of the standout units of this campaign was the legendary 303rd Bomb

Group—Hell's Angels. This is the 303rd's story, as told by the men who made it what it was.

Taking their name from their B-17 of the same name, they became one of the most distinguished and important air combat units in history. The dramatic and terrible air battles they fought against Germany ultimately changed the course of the war.

When you gamble with desire, be prepared to risk everything...

Spade's Queen Ibooks

Shadow Ochoa is lying low in the western Kansas Territory, waiting for his fellow Texas Rangers—the Hell's Eight

brotherhood—to clear his name. That is, until he's unjustly strung up for horse thieving...and pretty Fei Yen intervenes. Invoking a seldom-used law, the exotic lady prospector claims Shadow as her husband and rides off with the bridegroom shackled to her buckboard. Savvy, fearless Fei is single-mindedly devoted to her hidden claim and all it promises: wealth, security and freedom. A husband is just a necessary inconvenience and a

name on paper to hold the claim she cannot. Shadow isn't a man to take orders from anyone, especially from lovely Fei—except that the daily friction between them ignites into nightly blazes of all-consuming passion. Soon Shadow is dreaming a little himself: of the life they could have if only Fei could see past the lure of independence. If only bounty hunters weren't closing in on him. If only he's left standing when the impending showdown has ended....

The Charge of the Light Brigade and Other Poems
Anchor

HIS EYES WERE AS COMMANDING AS HIS MOUTH... When I met him, he was just a gray-eyed stranger behind a mask. He turned my head when no one else did, and he upped the ante by showing me what I'd been missing when our tongues met for the first time. When I got to know him, he was still a stranger on the other end of the phone. He made my toes curl and my knees weak with his dirty words and dirtier suggestions. I was his wild ace, and he knew how to play me just right so that we both won. But when the masks fell off and we finally put all our cards on the table, I had

to decide if I'd fold—or go all in. Wild Aces is a standalone novel. If you enjoyed Brea from the Unblocked Collection, this is her story.

Caine's Reckoning Marni Mann

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

Soon to be a show on Hulu! Rights to develop Wild Cards for TV have been acquired by Universal Cable Productions, the team that brought you *The Magicians* and *Mr. Robot*, with the co-editor of Wild Cards, Melinda Snodgrass as executive producer. Perfect for current fans and new readers alike, *One Eyed Jacks* is a classic Wild Cards adventure, edited by #1 New York Times bestselling author George R. R. Martin, and the first book in the Rox Triad. Something is stirring on Ellis Island, something strange and dangerous enough to subdue even the white-hot tensions between Wild Cards and normal humans. They call

themselves the Jumpers: a vicious gang with the power to transport their minds into others' bodies, using them to commit acts of terror and violence, before abandoning them and leaving their victims to face the consequences. The Jumpers cutthroat ambition to control the Wild Card community will pit aces, jokers, and humans at odds like never before. *One-Eyed Jacks* features the writing talents of Walton Simons, Chris Claremont, Lewis Shiner, William F. Wu, Victor Milan, Stephen Leigh, Melinda M. Snodgrass, and John Jos. Miller, along with previously unpublished stories from Carrie Vaughn and Kevin Andrew Murphy.  Before his trade became
 his name, "Tracker"
 Ochoa was a scrawny
 mestizo runaway. Now as
 fearsome as he once was
 frightened, he's joined the
 notorious Hell's
 Eight...and they have a
 job for him. He must
 rescue kidnapped heiress
 Ari Blake and deliver her
 safely to the Hell's Eight
 compound—by any means
 necessary. Turns out that

includes marrying her, if
 he means to escort her
 and her infant daughter
 across the Texas territory.
 Tracker hadn't bargained
 on a wife—especially such
 a fair, blue-eyed beauty.
 But the pleasures of the
 marriage bed more than
 make up for the surprise.
 Tracker's well-muscled
 body and dark, dangerous
 eyes are far more exciting
 than any of Ari's former
 debutante dreams. In the
 light of day, though, his
 deep scars and brooding
 intensity terrify her. But
 with the frontier against
 them and mercenary
 bandits at their heels, her
 fearsome husband may
 be the only protection
 she's got.

Wild Cards III: Jokers

Wild Rowman & Littlefield George Orwell was a much-respected English novelist, who wrote some of the finest pieces in literary criticism, fiction. Orwell's work is known for its simplicity and wit. He wrote with smartness on subjects such as anti-fascism, democratic socialism etc. His best works include "ANIMAL FARM". It's an allegorical

novella. It got published in August 1945. The fiction based on Farm animals, the author has named them too. Such as Major (a majestic-looking pig), 3-dogs (Bluebell, Jessie, and Pincher), many hens, pigeons, ducklings, sheeps and cows. Two horses, Boxer and Clover. Amongst them, Major is their leader. He wanted to speak on "the nature of life on this earth" and "How any animal is now living". The author has nicely elaborated through these Characters about the animals' misery and slavery. Animals complain that despite their hard labour, why then do they continue in the miserable condition? They also complain about human beings that they use to steal nearly the whole of their produce. Their main enemy is - Man. So, remove Man from the scene and the root cause of hunger and overwork will be abolished for ever. The book narrates about the agony of ill-treated farm animals. Then what decision they take and how this Animal Farm born, everything has become very interesting. The ultimate satire on fascism. A must-read book. "A Wise, Compassionate, and Illuminating Fable for our

Times" THE NEW YORK TIMES "Orwell's Satire is Amply Broad, Cleverly Conceived, and Delightfully Written" SAN FRANCISCO CHRONICLE "Absolutely First-Rate... Comparable to Voltaire and Swift" THE NEW YORKER

A Memoir Penguin

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of

Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he

searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Unbroken Simon and

Schuster

From the author of *Next Year in Havana* comes the first *Wild Aces Romance*. U.S. Air Force fighter pilot Noah Miller—call sign Burn—loves nothing more than flying hard and fast. When he meets a gorgeous and sassy woman while partying in Las Vegas, he immediately locks on to her. Jordan Callahan owns a thriving clothing boutique, but her love life is far less successful. Her luck changes when six feet, two inches of sexy swagger asks her to dance and turns her world upside down. One scorching weekend becomes an undeniable chemistry that they can't leave in Vegas. But the long distance relationship and their different lives threaten to ground their romance. And when the dangers of Noah's job become all too real, Jordan learns being with a fighter pilot means risking it all for a shot at love...
