Lucky child - what a wondrous world you live in! This is the theme of Little Blue Planet - a book meant to be read aloud to very young children. As you and the child explore the pages of this book, you will encounter the natural wonders of our

world: forests, jungles, volcanoes, swamps, coral reefs and many more. Each of these wonders is captured in a two-page spread, with a scenic watercolor on the left and an imaginative view featuring a child on the right. This book is a first travelogue for the tiny set. It is primarily a picture book, but has just enough text to provide context and encourage the child to imagine what it would be like to visit this place. This book makes for a beautiful and quick read.

Divine Vengeance weaves intrigue and drama through the accurate and volatile historical events of the Cathar wars in thirteenth century France. A brutal massacre sponsored by the Pope. Brother Raimon cannot reconcile the dissonance between his faith and the violence. Nor can he rationalize his love for a Guilelma, a Cathar heretic. What starts as offering a helping hand, soon turns into organized aid for fleeing heretics. Now Raimon is captured attempting to sabotage the trebuchet Malvoisine, and he is to be burned at the stake...along with 180 heretics...and the woman he loves. Sadly the brutality of crusade leader Simon de Montfort is not contrived. The Cathar crusade was the first pogrom aimed at a Christian region. It led to the dark years of the Inquisition and set a concerning tone that influenced Western thought for

centuries. Action, intrigue, geography, an era of history rife with contradictions, and an unrequited love. Join the adventure!

As Ruben Wells kneels with a gun pointed
at his head all he can do is reflect on the
life he spoiled. What has led him here?
Was it his willingness to always try to do
the right thing that has him staring at the
barrel of a gun? Or was that he was too
much of a people pleaser having a hard
time saying no that has led to him begging
for his life? Every thing begins and ends
with a choice. The moment a choice is
made it only takes a second for a life to
change. Ruben made a choice to initiate a
relationship with the alluring Bianca Jones.
She makes heads turn and every man's
dream. She is beautiful as a gazelle, but as
dangerous as a lioness, as she's
unavailable due to being unhappily
married with children. Being married
doesn't keep her from wanting to pursue
Ruben as well as being pursued by him.
Getting involved with Bianca changes
Ruben's life in ways he never could have
imagined. Choices are a gift constantly
given to everyone. The choices made lead

to different paths. We all have to choose
this day what we're going to do with our
own lives not knowing what the end result
will be. What kind of impact will Ruben's
choices have on his life?

Weekly Index Options became available on
the Chicago Board of Options Exchange in
2003. I have watched this type of Options
Trading evolve as more investors used
weekly trading. The trading software I
have developed adapted to the weeklies
evolution. The software became simpler: It
uses SPX for the weekly options My
principle strategy for trading Weekly Index
Options uses 2 sigma Condors: Short Calls
2 standard deviations above the market

and the Long Calls the next strike price higher; Short Puts 2 standard deviations below the market and the Long Puts the next strike price lower. This is called 2 Sig Iron Condors. I have developed a tactic to make weekly profits in spite of the huge daily Up and Down movements in the SPX. SelfAdapSPXweeklyVLTY is the name of my software which I use to generate monthly income. The software described

in this book uses only SPX for the options because I discovered that when I used other underlying stocks or indices such as Google and SPY, SPX usually finished best. This book describes how to use the TradeMonster real-time SPX quotes for computing the 2 sig Condors used in my Software: SelfAdapSPXweeklyVLTY. Trade Monster's affiliate OptionsHouse can be used for Weekly Options trading if you

have a minimum of \$2,000 in the account. I use 1/4 of the capital = \$500 for Margin to generate about \$100 for the week or \$400 for the Month. In other words you get 90% return per month on \$500 margin. Remember the weekly in-out trades should be no more than 2 per week to avoid being designated a day trader by your broker which requires a minimum of \$25,000 in your account.
