Boldrocchi has been manufacturing coolers since 1931. We tailor-make each one to our customers' specifications. We are also specialists at analyzing your process parameters to find you the optimal process or machine cooling solution. Key Heat Exchanger & Cooler Installations Heat Exchangers & Coolers - Boldrocchi Group Engineering 9 ACHEs for a Complex O&G Project in Kazakhstan. Boldrocchi designed, manufactured, inspected & tested nine (9) high performance air cooled heat exchangers (ACHE) solutions for a complex project in Kazakhstan and delivered all products in an impressive 11-months. The quick turnaround for the project occurred despite several challenges: the ACHEs had to be light enough to be mounted atop pipe racks, efficient & reliable while using external recirculation in extreme temperature ... Air Cooled Heat Exchangers - Boldrocchi Group of Experience. Boldrocchi is a world-renowned engineering, manufacturing & service firm with over 100 years of experience.*

We offer a wide-ranging portfolio of integrated solutions to the heavy industry and power generation sectors that includes fans, blowers & compressors, air pollution control & environmental solutions, heat exchangers & coolers, gas turbine systems & noise protection and heavy-duty process dampers, among other equipment. Boldrocchi Group - Engineering, manufacturing and ... Boldrocchi engineered and manufactured an air-to-water cooling system for a large motor at an LNG Project near Darwin, Australia. Boldrocchi designed & manufactured all parts of the cooling system with a power to dissipate of 600 Kw: the heat exchanger, tubes, fans, circulating pump & electrical devices.
