## CUNNINGHAM LOZANO

**The Land of Stories: The Wishing Spell** Titan Comics  
 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

**Rivers of London: Body Work #1** Gollancz

An unmissable brand-new era in the life of full-time cop and part-time wizard, Peter Grant. A werewolf is on the loose and will stop at nothing to avoid capture! It's up to Peter and his cohort of chums to hunt the deadly lycanthrope and bring him to justice!

**A Path Forward** National Academies Press

Nobody knows the seedy underbelly of Las Vegas like Daniel Faust, a sorcerer for hire and ex-gangster who uses black magic and bullets to solve his clients' problems. When an old man comes seeking vengeance for his murdered granddaughter, what looks like a simple job quickly spirals out of control. Soon Daniel stands in the crossfire between a murderous porn director; a corrupt cop with a quick trigger finger; and his own former employer, a racket boss who isn't entirely human. Then there's Caitlin: brilliant, beautiful, and the lethal right hand of a demon prince. A man named Faust should know what happens when you rub shoulders with demons. Still Daniel can't resist being drawn to Caitlin's flame as they race to unlock the secret of the Etruscan Box, a relic that people all over town are dying -- and killing -- to

get their hands on. As the bodies drop and the double-crosses pile up, Daniel will need every shred of his wits, courage and sheer ruthlessness just to survive. Daniel Faust knew he was standing with one foot over the brink of hell. He's about to find out just how far he can fall.

**Rivers of London: Monday, Monday #2** e-artnow

Constable Peter Grant, a magician and keeper of the flame, must discover if a mutilated body found in Crawley is the work of a common serial killer or an associate of the evil wizard known as the Faceless Man.

**The October Man** Titan Comics

Four self-contained magical crimes, ripped from the streets of supernatural London! From the million-selling Rivers of London novel and graphic novel series by writer Ben Aaronovitch comes this unmissable next chapter in the saga, as PC Peter Grant faces his gruelling Detective exam, forcing him to relieve the strangest cases of his career. From foiling an aspiring god, to confronting a Virtual Flasher, Peter's police history has been anything but conventional; whether that's chasing down 'Falcon' crimes with the aid of modern technology, or confronting timeless villainy with his magical skill-set. Does Peter have what it takes... or will DI Chopra judge him unsuitable for a badge? Collects Rivers of London: Detective Stories #1-4 p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px}

**Strengthening Forensic Science in the United States**

Gollancz

What starts as a routine undercover operation to break up an organized teenage pickpocket gang turns into something far more dangerous when the Metropolitan police are confronted by a Swedish werewolf who'll stop at nothing to avoid capture. Now it's up to full-time cop and part-time wizard Peter Grant and his cohort of chums to hunt the deadly lycanthrope and bring him to heel! Written by acclaimed Rivers of London author Ben Aaronovitch and Andrew Cartmel (Doctor Who, The Vinyl Detective), with art by Jose Maria Beroy (The Phantom of the Opera, Deadman), Monday, Monday is a shaggy-dog story like no other, and another twisting, roaring crime adventure involving magic and supernatural weirdness through London's dark underbelly. "Nestles wonderfully into place in the greater Rivers of London world and brings it to life." - Major Spoilers Collects Rivers of London: Monday, Monday issues 1-4

**The Seventh Rivers of London Novel** Harper Collins

The first book in Chris Colfer's #1 New York Times bestselling series The Land of Stories about two siblings who fall into a fairy-tale world! Alex and Conner Bailey's world is about to change forever, in this fast-paced adventure that uniquely combines our modern day world with the enchanting realm of classic fairy tales. The Land of Stories tells the tale of twins Alex and Conner.

Through the mysterious powers of a cherished book of stories, they leave their world behind and find themselves in a foreign land full of wonder and magic where they come face-to-face with fairy tale characters they grew up reading about. But after a series of encounters with witches, wolves, goblins, and trolls alike, getting back home is going to be harder than they thought.

**A Rivers of London Novella** Penguin

Handbook of Electrical Installation Practice covers all key aspects of industrial, commercial and domestic installations and draws on the expertise of a wide range of industrial experts. Chapters are devoted to topics such as wiring cables, mains and submains cables and distribution in buildings, as well as power supplies, transformers, switchgear, and electricity on construction sites. Standards and codes of practice, as well as safety, are also included. Since the Third Edition was published, there have been many developments in technology and standards. The revolution in electronic microtechnology has made it possible to introduce more complex technologies in protective equipment and control systems, and these have been addressed in the new edition. Developments in lighting design continue, and extra-low voltage luminaries for display and feature illumination are now dealt with, as is the important subject of security lighting. All chapters have been amended to take account of revisions to British and other standards, following the trend to harmonised European and international standards, and they also take account of the latest edition of the Wiring Regulations. This new edition will provide an invaluable reference for consulting engineers, electrical contractors and factory plant engineers.

**Rivers Of London Vol. 6: Water Weed** Little, Brown Books for Young Readers

CSI meets Harry Potter in this fantastic new graphic novel from Ben Aaronovitch, writer of the bestselling Rivers of London supernatural police procedural crime novel series! Vengeful Russian mobsters are looking to hire members of London's own more-then-natural underworld to bring bloody retribution down on the witch Varvara. However, the ex-Soviet sorcerer is under the protective wing of London's own wizarding cop, Peter Grant (now a proper detective and everything), and to get the attention of Grant and his colleagues, the daughter of a prominent Russian oligarch is kidnapped by parties unknown but possibly fox-like. What makes it worse is that Peter is going to have to leave his beloved London and \*gasp\* go out into the countryside! And when there's trees and fields and wildlife involved, things never end well...

**The Hanging Tree** Heinemann

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} Peter Grant: policeman, trainee wizard and now pest controller. Joined by fellow officer and Muslim ninja, Sahra

Guleed, the two are trying to contain an outbreak of vindictive black mould that seems to be going after the rich and heartless. An all-new and original Rivers of London comic series, written by Ben Aaronovitch and Andrew Cartmel! Set between Foxglove Summer and The Hanging Tree.

*Bring It On Home* Del Rey

Space is not the only void... In AD 2600 the human race is finally beginning to realize its full potential. Hundreds of colonized planets scattered across the galaxy host a multitude of prosperous and wildly diverse cultures. Genetic engineering has pushed evolution far beyond nature's boundaries, defeating disease and producing extraordinary spaceborn creatures. Huge fleets of sentient trader starships thrive on the wealth created by the industrialization of entire star systems. And throughout inhabited space the Confederation Navy keeps the peace. A true golden age is within our grasp. But now something has gone catastrophically wrong. On a primitive colony planet a renegade criminal's chance encounter with an utterly alien entity unleashes the most primal of all our fears. An extinct race which inhabited the galaxy aeons ago called it "The Reality Dysfunction." It is the nightmare which has prowled beside us since the beginning of history. THE REALITY DYSFUNCTION is a modern classic of science fiction, an extraordinary feat of storytelling on a truly epic scale.

**Who Killed Sherlock Holmes?** Titan Comics

The fourth novel in Mercedes Lackey's magical Elemental Masters series reimagines the fairy tale The Snow Queen in a richly-detailed alternate Victorian England The letter that introduced twelve-year-old Sarah Jane Lyon-White to Isabelle Harton, who ran the Harton School in central London, seemed quite simple and straightforward. But it was what was not written in the letter that resonated to Isabelle's own finely tuned "extra" senses: "Sarah has gifts we cannot train," the letter whispered to her, "nor can anyone we know. Those we trust tell us that you can...." And it was true, for the Harton School was far from ordinary. It was Isabelle's job to train children who possessed the odd types of magic that could not be trained by London's powerful Elemental Masters: clairvoyants, telepaths, those with the ability to sense hidden danger, the vision to see into the past, and even that rarest of all talents: the ability to see and communicate with the dead. But Isabelle was uneasy, for though she knew that Sarah Jane had a touch of telepathy, there seemed to be something else about the girl—something that had not yet manifested. And Isabelle was right to be worried, for as soon as Sarah's full talents became evident, there was an attempt made on her life. For Sarah was that rarest of magicians: a true medium, and for some reason, a powerful Elemental Master wanted her dead. Isabelle knew that to protect her ward she would have to seek help from the Elemental Masters of the city. That meant she would also see Lord David Alderscroft, the man she had once loved, but who had inexplicably chilled toward her and broken her heart long ago—for he was the leader of the city's Elemental Masters, the man who was now called the Wizard of London.

*The Fault in Our Stars* Penguin

Alan Grant, Scotland Yard Inspector is feeling bored while confined to bed in hospital with a broken leg. Marta Hallard, an actress friend of his, suggests that he should amuse himself by researching a historical mystery. She brings him some pictures of historical characters, aware of Grant's interest in human faces. He becomes intrigued by a portrait of King Richard III. He prides himself on being able to read a person's character from his appearance, and King Richard seems to him a gentle, kind and wise man. Why is everyone so sure that he was a cruel murderer? With the help of other friends and acquaintances, Grant

investigates Richard's life and the case of the Princes in the Tower, testing out his theories on the doctors and nurses who attend to him. Grant spends weeks pondering historical information and documents with the help of Brent Carradine, a likable young American researcher working in the British Museum. Using his detective's logic, he tries to come to the conclusion whether the claim of Richard being a murderer is a fabrication of Tudor propaganda, or was he really a monstrous hunchback. The Daughter of Time was voted greatest mystery novel of all time by the Crime Writers' Association in 1990.

Daw Books

The ghost of Sherlock Holmes is dead, but who will solve his murder? The Great Detective's ghost has walked London's streets for an age, given shape by people's memories. Now someone's put a ceremonial dagger through his chest. But what's the motive? And who - or what - could kill a ghost? When policing London's supernatural underworld, eliminating the impossible is not an option. DI James Quill and his detectives have learnt this the hard way. Gifted with the Sight, they'll pursue a criminal genius - who'll lure them into a Sherlockian maze of clues and evidence. The team also have their own demons to fight. They've been to Hell and back (literally) but now the unit is falling apart . . . Paul Cornell's Who Killed Sherlock Holmes? is the third book in the urban gothic Shadow Police series.

**Rivers Of London Vol. 8: The Fey and the Furious**

Jabberwocky Literary Agency, Inc.

The average real estate sells ten to twelve homes per year. A superstar salesperson sells fifty. Last year alone, Ralph Roberts sold more than six hundred residential properties -- fifty time more than the average competitor! What the secret behind the nation's bestselling real estate agent? How can you achieve similar phenomenal success in your field? More important, can you reach the megalevels Ralph Roberts attains year after year? Yes!

*The Daughter of Time* Titan Books (US, CA)

Peter Grant is one of only two members of a very special branch of London's Metropolitan Police. He is, in fact, pretty much a wizard and it's his job to investigate those shadowy crimes that involve urban vampires, weird folk in the underground and, in this case, why cars are suddenly taking on lives of their own and killing innocent folk! Written by Doctor Who writer Ben Aaronovitch (Remembrance of the Daleks) and set in the world of his own bestselling novels, with Doctor Who showrunner Andrew Cartmel! Rivers of London novels have sold over 1,000,000 copies worldwide to date! In continuity with the novels — not an adaptation, this is an all-new story set between 'Broken Homes' and 'Fox Glove Summer'. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} .p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px}

*America's #1 Salesman Shows You How to Sell Anything* Del Rey

Once you start, you will literally not be able to put them down." —Lavie Tidhar in Washington Post "...recounted with deadpan British wit and irony...packed with fascinating historical detail... Lively and amusing and different." —Kirkus

*Monday Morning Blues* Free Press

The authorized biography of the most notorious rock manager of all time, Peter Grant, best known for his work with Led Zeppelin, by the author of Comfortably Numb Peter Grant is the most famous music manager of all time. Acknowledged as the "fifth member of Led Zeppelin," Grant has had his story appear in fragments across countless Zeppelin biographies, but none have explored who this brilliant and intuitive manager yet flawed and sometimes dangerous man truly was. No one has successfully captured the scope of his personality or his long-lasting impact on the music business. Acclaimed author and journalist Mark Blake seeks to rectify that. Bring It On Home is the first book to tell the complete, in-depth, and uncensored story of this industry giant. With support from Grant's family, new interviews with Led Zeppelin's surviving band members, and access to Grant's extensive archives as well as scores of unpublished material, including Grant's never-before-published final interview, Blake sets out to not only shed new light on the history of Led Zeppelin but also on the wider story of rock music in the '60s and '70s. Grant had a hand in the careers of Chuck Berry, Rod Stewart, Bad Company, Queen, the Rolling Stones, The Who, Guns N' Roses, and countless others, and his revolutionary approach to business, which included putting the band first, created a new industry standard that's still in effect today. Full of new insights into Grant's early life, new details about the formation of and his relationship with Led Zeppelin, an unrevealed plot by Jamaican gangsters to kidnap the band members' children, letters from police regarding threats made against the band by American Satanists, as well as Grant's seclusion late in life after the dissolution of the band and his recovery from substance abuse, Bring It On Home reveals a man who, after the extraordinary highs and lows of a career in music management, found both peace and happiness in a more ordinary life. It is a celebration, a cautionary tale, and a compelling human drama.

**Peter Grant, Led Zeppelin, and Beyond--The Story of Rock's Greatest Manager** Titan Comics

The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is a dramatization of Daniel Keyes's story about a retarded adult who desperately wants to be able to read and write.

**Lies Sleeping** Rivers of London - Black Mould #3

"When blood and ghosts return to the Mayfair mansions of the super-rich, which have a haunted history as the last trip of the condemned, England's last wizard and the Metropolitan Police's reluctant investigator of all things supernatural is called in to get to the bottom of the sinister doings."--Atlas Publishing.
