 According to Their Kinds presents all vocabulary words that occur 100 times or more in the Hebrew Bible. Pairing pictures with biblical text and arranging the words

in thematic categories makes these 470 words easy to memorize. The illustrations consist of the Picture Hebrew Flashcards 3rd edition, along with 50 extra words to round out the sections. This innovative resource assists users in three stages of learning, with English transliterations, simplified verb phrases, and sentences taken from biblical verses. An alphabetized Hebrew-English glossary and an English index make this a convenient reference tool you will want to come back to again and again.
