The Penguins did just that, posting their best-ever winning percentage in team history. A record of 36-12-0 landed them with 72 points, as they won 75% of their games.
Pittsburgh Penguins 12 Days of Hockeymas: 8 Division Titles
The evolutionary history of penguins is well-researched and represents a showcase of evolutionary biogeography.

Although penguin bones of any one species vary much in size and few good specimens are known, the alpha taxonomy of many prehistoric forms still leaves much to be desired.
