"At last all were gathered inside the ark. It heaved with animals, large and small. Mrs Noah wore a brand-new coat, with a

hood and a cape - and very deep pockets. Lots of pockets."When Mr Noah builds the ark, he makes two lists - one for all the animals who will come on board and one for those troublesome creatures he will leave behind.

Meanwhile, Mrs Noah gets out her sewing machine and makes a coat with very deep pockets. Lots of pockets.

The Nutcracker Barron's Educational Series Legend has it the only way to meet a mermaid is to know where to look and to give her a beautiful handmade gift that shows her you care. If you're lucky, she may take you on an ocean adventure! Mermaids are rarely seen, and even more rarely met. But, if you gather some natural craft supplies—shells, coral, driftwood, and sea glass—and make her a gift, you might just befriend one! Will you spot a mermaid in the waves just off shore? If you do, will you be ready? By being observant, resourceful, and friendly, you can make a beautiful crown from natural beach materials that will show your new mermaid friend you truly care. Perhaps she'll take you on an incredible adventure through the ocean's

depths, past ancient shipwrecks, and to her shell castle! You just might experience what it's like to be a mermaid yourself! Sue Fliess's poetic read-aloud text and Simona Sanfilippo's vibrant, whimsical illustrations will provide joy for young readers eager to meet their own mermaids! Also included are guides for teachers and parents about how to engage children in building mermaid crowns and how to interest them in the natural world, the history of mermaids, and the many cultures that have believed in them. *Koshka's Tales* Mackinac Island Press, Incorporated In this stunning follow-up to the bestselling *The Nutcracker* and *The Sleeping Beauty*, the New York City Ballet presents another timeless tale for a modern ballet lover with *Swan Lake*. She longs to be a dancer, too, but the mean swans who rule the pond say she's not graceful enough. . . But when Fifi befriends Darcy, one of the young ballerinas, she learns that becoming a dancer isn't just about looking good in pink. It takes lots of hard work and training! Will the ballet school's show give Fifi a chance to show the swans that flamingos CAN dance? And can she help her new friend Darcy to overcome her stage fright?
