FINALIST FOR THE PULITZER PRIZE • NATIONAL BESTSELLER • A bewitching story collection from a writer hailed as “the most darkly playful voice in American fiction” (Michael Chabon) and “a national treasure” (Neil Gaiman). NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BookPage • BuzzFeed • Chicago Tribune • Kirkus Reviews • NPR • San Francisco Chronicle • Slate • Time • Toronto Star • The Washington Post She has been hailed by Michael Chabon as “the most darkly playful voice in American fiction” and by Neil Gaiman as “a national treasure.” Now Kelly Link’s eagerly awaited new collection—her first for adult readers in a decade—proves indelibly that this bewitchingly original writer is among the finest we have. Link has won an ardent following for her ability, with each new short story, to take readers deeply into an unforgettable, brilliantly constructed fictional universe. The nine exquisite examples in this collection show her in full command of her formidable powers. In “The Summer People,” a young girl in rural North Carolina serves as uneasy caretaker to the mysterious, never-quite-glimpsed visitors who inhabit the cottage behind her house. In “I Can See Right Through You,” a middle-aged movie star makes a disturbing trip to the Florida swamp where his former on- and off-screen love interest is shooting a ghost-hunting reality show. In “The New Boyfriend,” a suburban slumber party takes an unusual turn, and a teenage friendship is tested, when the spoiled birthday girl opens her big present: a life-size animated doll. Hurricanes, astronauts, evil twins, bootleggers, Ouija boards, iguanas, The Wizard of Oz, superheroes, the Pyramids . . . These are just some of the talismans of an imagination as capacious and as full of wonder as that of any writer today. But as fantastical as these stories can

be, they are always grounded by sly humor and an innate generosity of feeling for the frailty—and the hidden strengths—of human beings. In *Get in Trouble*, this one-of-a-kind talent expands the boundaries of what short fiction can do. Praise for *Get in Trouble* “Ridiculously brilliant . . . These stories make you laugh while staring into the void.”—The Boston Globe “When it comes to literary magic, Link is the real deal: clever, surprising, affecting, fluid and funny.”—San Francisco Chronicle

Rush to California’s gold fields with nine hopeful souls who seek both fortunes and answers to a better life full of faith and love.”
Routledge

She’s a city girl. I’m a mountain man. This shouldn’t work. So why can’t I stay away? Gabe: I promised my dad I’d take care of the Wilder family adventure business, including my rowdy co-workers, AKA my brothers. Now the business is in trouble. Rush Creek has become a spa-and-wedding destination, and the new tourists aren’t interested in getting dirty—at least not in the woods. Then Lucy comes to town, all blond hair and silky blouses and spike heels. It’s her job to give Wilder Adventures a makeover. If she gets her way, Wilder Adventures will become Wilder Romantic Adventures. Lucy hates small towns, getting messy, and anything involving the woods or the water—which pretty much makes her Not My Type. That doesn’t explain why when I see her, I can’t look away. Why when I touch her, I can’t stop. And why, even though I know no one can talk a city girl into small town life, I’m still trying. She’s driving me wild. All I can do is make her wilder. “Serena Bell always delivers on fine writing and sexy characters. "In 1845, Sammy, a Chinese American girl, and Annamae, an African American slave girl, disguise themselves as boys and travel on the Oregon Trail to California from Missouri"--
The Absolutely True Diary of a Part-Time Indian Open Road Media
Yevgeny Zamyatin's *We* is set in an urban glass city called OneState, regulated by spies and secret police. Citizens of the tyrannical OneState wear identical clothing and are distinguished only by the number assigned to them at birth. The story follows a man called D-503, who dangerously begins to veer from the 'norms' of society after meeting I-330, a woman who defies the rules. D-503 soon finds himself caught up in a secret plan to destroy OneState and liberate the city. The failed utopia of *We* has been compared to the works of H.G. Wells, George Orwell, and Aldous Huxley. It was the first novel banned by the Soviets in 1921, and was finally published in its home country over a half-century later. *We* is a part of Momentum's Classic Science Fiction series. "The best single work of science fiction yet written." — Ursula K. Le Guin

Delilah “Lily” Flynn is used to her drab existence. Lily's been living it for twenty two years. Her boring life is suddenly turned on its head when she's rudely kidnapped from her bedroom. Or so she thinks. Nox Taylor is far too high up in his field to be assigned a babysitting job. There's nothing more he wants than to complete his mission so he can be rid of the smartass tomboy, Lily. Day after day, Nox watches Lily and her strange ways. She's unlike

any woman he's ever met. Getting close to the girl is purely for her own protection...right? Lily never imagined she'd make her first real friends in captivity. To what lengths would she go to keep them?

NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • PBS • HARPER'S BAZAAR • ESQUIRE • FINANCIAL TIMES • THE TIMES OF INDIA On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of "the Gardens," a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden's, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age. Praise for *The Golden House* "[A] modern masterpiece . . . telling a story full of wonder and leaving you marveling at how it ever came out of the author's head."—Associated Press "Wildly satiric and yet piercingly real . .

. If F. Scott Fitzgerald, Homer, Euripides, and Shakespeare collaborated on a contemporary fall-of-an-empire epic set in New York City, the result would be *The Golden House*."—Poets & Writers "A tonic addition to American—no, world!—literature . . . a Greek tragedy with Indian roots and New York coordinates."—San Francisco Chronicle

His best friend's sister is rocking his boat. In the best way possible. Brody What's a bad boy doing hosting a book club on his boat? Excellent question. All I can tell you is, it's not going well. I forgot the bug wipes, the TP, and the hand sanitizer, we're out of wine, and... well, I may have made some people angry, if the Yelp reviews are any indication. The only way to dig myself out of this hole is to redeem myself by offering the best girls' nights out in town. Enter my best friend's sister. I've gone out of my way to avoid Rachel, since despite her good-girl rep, I can't seem to get her out of my head. Now she's in my boat... and if I don't watch myself, soon she'll be in my bed. Things are going surprisingly well between us... but I know myself, and I'm not this guy. I'm the

guy you want for fantasy fulfillment, not the guy you want for forever. But what if I need this time to be different?

J.T. Ellison's pulse-pounding new psychological thriller examines the tenuous bonds of friendship, the power of lies and the desperate lengths people will go to in order to protect their secrets. Goode girls don't lie... Perched atop a hill in the tiny town of Marchburg, Virginia, The Goode School is a prestigious prep school known as a Silent Ivy. The boarding school of choice for daughters of the rich and influential, it accepts only the best and the brightest. Its elite status, long-held traditions and honor code are ideal for preparing exceptional young women for brilliant futures at Ivy League universities and beyond. But a stranger has come to Goode, and this ivy has turned poisonous. In a world where appearances are everything, as long as students pretend to follow the rules, no one questions the cruelties of the secret societies or the dubious behavior of the privileged young women who expect to get away with murder. When a popular student is found dead, the truth cannot be ignored. Rumors suggest she was struggling with a secret that drove her to suicide. But look closely...because there are truths and there are lies, and then there is everything that really happened. Don't miss *Her Dark Lies*, the next page-turning thriller from New York Times bestselling author J.T. Ellison!

Along the way, somebody invented the jump shot and the crossover dribble and added a three-point line. Times changed, the game was integrated, players grew taller and more wildly athletic. That evolution is chronicled in *Glory Days*, as 50 of the state's best high school basketball players from the past five decades sit down to chat with longtime prep basketball scribe Taylor Bell. Every last one of the featured players was an all-state selection. Some led their teams to state titles; others were chosen as Illinois' Mr. Basketball; many were named McDonald's All-Americans. *Glory Days* pulls its roster from all regions of the state: from southern Illinois (Edwardsville, Centralia, Mount Vernon) to the state's waist (Galesburg, Peoria, Decatur) to north of I-80 (Rockford, Evanston, and many Chicago schools). Each player on

the roster relives his time on the high school hardwood, but also reveals what happened after he walked down the aisle in his cap and gown. Bell catches up with greats like Mannie Jackson, Dave Downey, Jay Shidler, Jack Sikma, Rashard Griffith, Cazzie Russell, Kiwane Garris, Cuonzo Martin, and Billy Ridley, and discovers what happened to these legends later in life, after their hops deserted them. Their Chuck Taylors may be a distant memory, but for each of these former stars, basketball has continued to hold a special place in their heart.

In this hysterical follow-up to the New York Times bestseller *White Girl Problems*, Babe Walker travels the globe as she tries to figure out the answer to the question foremost on everyone's mind—including hers: Who is Babe Walker? If you're one of the hundreds of thousands who devoured Babe Walker's New York Times bestselling novel *White Girl Problems* or one of the million people who read her blog or follow her on Twitter daily, then you've obviously been waiting with bated breath for her hilarious follow-up novel, *Psychos*. Fresh from a four-month stint in rehab for her "alleged" shopping addiction, Babe Walker returns home to Bel Air ten pounds lighter (thanks to a stomach virus), having made amends (she told a counselor with bad skin she was smart) and confronted her past (after meeting her birth mother for the first time—a fashion model turned farmer lesbian). Although delighted to be home and determined to maintain her hard-won inner peace, Babe now faces a host of outside forces seemingly intent on derailing her path to positive change. Not only is she being trailed by an anonymous stalker, but she's also reunited with the love of her life, a relationship that she cannot seem to stop self-sabotaging. Babe's newfound spirituality, coupled with her faith in the universe and its messages, leads her all over the world: shoulder dancing in Paris, tripping out in Amsterdam, and hooking up in the Mediterranean, only to land her back in New York City, forced to choose between a man who is perfect in every way (except for one small detail) and a man who could be The One if only he didn't drive Babe to utter insanity. Unapologetic and uproarious, *Psychos* is the send-up of the season—already as timeless as vintage Dior.

From small towns like Metamora, Aledo, and Carthage to East St. Louis and Chicago's South Side, Illinois's high school football fields

have been the proving ground for such future stars as Dick Butkus, Red Grange, and Otto Graham. In *Dusty, Deek, and Mr. Do-Right*, longtime fan and sportswriter Taylor Bell shares the stories of the greatest players, toughest coaches, most memorable games, and fiercest rivalries in Illinois history. Drawing on dozens of personal interviews, Bell profiles memorable figures such as Tuscola's record-setting quarterback Dusty Burk, Pittsfield's brutally demanding yet devoted Coach Donald "Deek" Pollard, and Evanston's Murney "Mr. Do-Right" Lazier, who coached sternly but without prejudice in the racially charged 1960s and '70s. The book also discusses winning programs at schools such as East St. Louis, Mount Carmel, and Joliet Catholic, as well as longstanding rivalries and memorable games in the state playoff and Prep Bowl. The ultimate book for high school football fans in Illinois, *Dusty, Deek, and Mr. Do-Right* is infused with Bell's own love for the game and illustrated with sixty photographs of the players and coaches who made lifetime memories under the Friday night lights.

Babe Walker: Thirsty Simon and Schuster

In this shockingly true-to-life novel written by an all-star team of Internet phenoms from the Total Frat Move generation, you'll get the first true glimpse of "real" sorority life in all its f**ked up glory. *Dirty Rush* by Taylor Bell is what happens when you take the creative minds behind *Babe Walker* (author of the New York Times bestselling *White Girl Problems* series) and add Rebecca Martinson to the mix. Rebecca Martinson—yes, that bitch—the former Delta Gamma sister responsible for the scathing, expletive-filled email that verbally assaulted her entire chapter for being "so f**king boring" at social functions, and threatened to "c*nt punt" every last one of them if their behavior didn't shape up. *Dirty Rush* is a no-holds-barred look at what really happens when you "go Greek." Taylor Bell comes from a long line of Beta Zeta sorority sisters, who all expect her to pledge upon starting at the university. But Taylor has other plans: she's determined to give her family the proverbial middle finger and destroy the rich tradition they hold so dear by eschewing sorority life altogether. However, Taylor's resolve soon melts when she falls in with a group of hilarious, ultra-saucy girls, who introduce her to all things Greek and soften her to the idea of joining. Resigned to the fate the Greek gods have dealt her, Taylor pledges Beta Zeta and embarks on a collegiate career filled with the kind of carousing

sure to make any sorority sister proud. Soon, Taylor's experience as a BZ starts to feel like a jacked-up, drug-infused, and X-rated fairy tale—especially when reality comes crashing down and a rather lewd sex tape is leaked. The girl in the video looks a lot like Taylor. Has Taylor gone off the deep end? Or is someone trying to frame her? Unless she can prove her innocence and re-ingratiate herself with the sisters who've accused her of leaking the video in a Kim Kardashian-style bid for attention, Taylor is at risk of losing everything she's fought (partied) so hard for.

A Memoir Little, Brown

A fun and funny way for kids to learn about mistakes and how to recover from them. Making a mistake can leave anyone feeling sick in the stomach or thinking that the world is going to end. Learning how to cope with mistakes—and how to stop that "ache"—can be one of the hardest parts of growing up. The latest entry in Free Spirit's acclaimed Laugh and Learn® series takes a closer look at the mistakes kids make—honest and intentional—and offers practical advice on how to bounce back. With a healthy dose of humor, readers learn that embarrassing moments aren't forever and a sincere apology can go a long way. Laugh & Learn® Series Realistic topics, practical advice, silly jokes, fun illustrations, and a kid-centric point of view all add up to one of the most popular series young people turn to for help with school, families, siblings, and more. Kids ages 8-13 can tote these pocket-size guides anywhere and learn to slash stress, give cliques and rude people the boot, get organized, behave becomingly, and, in general, hugely boost their coping skills.

From the author of the worldwide bestseller *Room*: "Her greatest achievement yet...Emma Donoghue shows more than range with *Frog Music* -- she shows genius."- Darin Strauss, author of *Half a Life*. Summer of 1876: San Francisco is in the fierce grip of a record-breaking heat wave and a smallpox epidemic. Through the window of a railroad saloon, a young woman named Jenny Bonnet is shot dead. The survivor, her friend Blanche Beunon, is a French burlesque dancer. Over the next three days, she will risk everything to bring Jenny's murderer to justice -- if he doesn't track her down first. The story Blanche struggles to piece together

is one of free-love bohemians, desperate paupers, and arrogant millionaires; of jealous men, icy women, and damaged children. It's the secret life of Jenny herself, a notorious character who

breaks the law every morning by getting dressed: a charmer as slippery as the frogs she hunts. In thrilling, cinematic style, Frog Music digs up a long-forgotten, never-solved crime. Full of songs

that migrated across the world, Emma Donoghue's lyrical tale of love and bloodshed among lowlifes captures the pulse of a boomtown like no other.
