GMAT Official Guide 2021, Book + Online Question Bank

Manhattan Prep

ACE THE GMAT is based on a simple but powerful observation: Test-takers who score high on the GMAT exam do so primarily by understanding how to solve a finite number of the most important, recurring problems that appear on the GMAT. What are these important, recurring problems? The answer to this question is the basis of this book. This manual provides in-depth analysis of over 200

all-star problems that are key to mastering the seven major GMAT problem types including Problem Solving, Data Sufficiency, Sentence Correction, Critical Reasoning, Reading Comprehension, Analytical Writing, and Integrated Reasoning. Apart from providing readers with answers and full explanations, a special feature of this book is that each problem is categorized by type (“classification”), rated by difficulty level (“chili rating”), and supplemented with a problem-solving strategy (“snapshot”). “Chance favors the prepared mind.” Whether you’re a candidate already enrolled in a test-prep course or are undertaking self-study,

this guidebook will serve as a rigorous skill-building study guide to help you conquer the math, verbal, analytical writing, and integrated reasoning sections of the exam. Studying for the math and verbal sections of the GMAT exam requires some 100 hours of study time. This book's content is conveniently divided into topics, which require two to three hours of study time per day. Total study time will vary between 80 to 120 hours for the entire 40 days. Solving (Official exam instructions for Problem Solving, Strategies and approaches, Review of basic math, Multiple-choice problems, Answers and explanations); Chapter 3 - Data Sufficiency

(Official exam instructions for Data Sufficiency, Strategies and approaches, How are answers chosen in Data Sufficiency? How do the big seven numbers work? Multiple-choice problems, Answers and explanations); Chapter 4 - Sentence Correction (Official exam instructions for Sentence Correction, Strategies and approaches, Review of Sentence Correction, Multiple-choice problems, Answers and explanations); Chapter 5 - Critical Reasoning (Official exam instructions for Critical Reasoning, Strategies and approaches, Review of Critical Reasoning, Multiple-choice problems, Answers and explanations); Chapter 6 - Reading

Comprehension (Official exam instructions for Reading Comprehension, Strategies and approaches, Review of Reading Comprehension, Answers and explanations); Chapter 7 – Analytical Writing Workshop (Official exam instructions for the Analytical Writing Assessment, Strategies and approaches, Review of Analytical Writing, Essay exercises, Outlines and proposed solutions); Chapter 8 – Integrated Reasoning Workshop (Official exam instructions for Integrated Reasoning, Strategies and approaches; Review of Integrated Reasoning with exercises, Answers and explanations);

Appendix I – GMAT and MBA Informational Websites (Registering for the GMAT exam; MBA fairs & forums; MBA social networks; GMAT courses; Other GMAT & MBA websites; Information on business school rankings); Appendix II – Contact Information for the World’s Leading Business Schools (U.S. business schools; Canadian business schools; European business schools; Australian business schools; Asia-Pacific business schools; Latin and South American business schools; South African business schools); Quiz – Answers; On a Personal Note; Praise for Ace the GMAT. “Finally, a book that helps you master those learning skills that are critical to success on the GMAT.”

This book will provide you with a powerful and comprehensive system for breaking down any passage and attacking any Reading

Comprehension question that you may encounter on the GMAT. The concepts presented in this publication are representative of the techniques and approaches that have been tested in PowerScore's live GMAT preparation courses and have consistently been proven effective for countless students. In order to develop a strong foundation in Reading Comprehension, this book contains substantial discussions of how to deconstruct reading passages, how to identify and attack the various question types that commonly accompany GMAT passages, and how to successfully avoid traps set by the test makers.

Manhattan Prep's 7th edition All the GMAT set and online syllabus have been fully updated for the new GMAT. The set contains all three of MPrep's best-selling strategy guides along with digital supplements for the test changes, collectively covering all exam sections, all problem types, and all content areas on the new GMAT. This set also comes with a unique serial code that gives you access to a comprehensive 12-week study syllabus on our online platform; we'll tell you what to do every week until your exam. Note: While the 7th edition was

originally written for the Classic version of the GMAT, when you register your set on our platform, you will gain access to digital supplements for the parts of the exam that have changed. (We'll also tell you which parts of the printed books you can ignore!) Online bonus materials include an exclusive ebook with harder content, and GMAT Navigator with full solutions for problems found in the GMAT Official Guide. (Note: The Official Guide is sold separately from the official test makers; it is not included in All the GMAT.) Extra bonus: Need to brush up on your fundamental skills first? Our Foundations of Math and Foundations of Verbal ebooks are available

for free—no purchase necessary. All the GMAT comes with access to Manhattan Prep's Atlas online learning platform. Your Atlas All the GMAT study material includes: An e-book covering harder quant content, for those aiming for an especially high GMAT score A study syllabus, integrating study strategies, time management strategies, additional practice problems, and more; we'll tell you exactly what to do and when to do it Full access to Manhattan Prep's GMAT Navigator, which contains solutions for all problems in the main GMAT Official Guide book (book sold separately) from the makers of the official test All lessons and

practice problems created by expert instructors with 99th-percentile scores on the GMAT. The All the GMAT book set includes three volumes: GMAT All the Quant guide, GMAT All the Verbal guide, GMAT Integrated Reasoning\* & Essay guide. \*The Integrated Reasoning section has been renamed Data Insights on the new GMAT exam. The Essay section has been dropped from the new GMAT exam. This book set comes with a unique one-time-use serial code to access your online resources. If you have any trouble registering your books or cannot find your serial code, please contact Manhattan Prep. Please note that Manhattan Review and Manhattan Elite Prep

are different companies and cannot help you with our books! If you contact someone and they won't help, make sure you have contacted Manhattan Prep—we will make sure you get access to your resources. (Please also note that the serial code is a one-time-use code. If you buy your books used or from a third-party seller rather than from Manhattan Prep, the original purchaser will likely already have used the serial code.) Executive Assessment (EA) test-takers: The IR guide is fully built out for both EA and GMAT test-takers. The All the Quant and All the Verbal guides are also effective for EA students; ignore the non-coordinate-plane geometry chapters in

the Quant guide and study everything else. Manhattan Prep guides are the top-selling GMAT prep books and guides worldwide for a reason; we have the most in-depth, comprehensive, and effective materials available for GMAT studies.

 The GMAT Critical Reasoning Grail spans more than 240 pages and helps you master Critical Reasoning on the GMAT in a systematic way. The book firstly builds a strong foundation by discussing the basics of

Critical Reasoning and then addresses each question type in-depth. It then goes a step further and provides you 100 practice questions for intensive practice. Like the Sentence Correction Grail, the Critical Reasoning Grail is written in an engaging manner and will equip you with all the skills that you need to tackle Critical Reasoning questions confidently. This book is superior to the other books available for Critical Reasoning in many ways. The GMAT Critical Reasoning Grail contains the most up-to-date content for Critical Reasoning. For example, while other books focus on Main Point questions, these question types rarely appear on the GMAT now. Similarly question

types such as Logically complete the passage, which are increasingly being tested on the GMAT, find no mention in other books, whereas the CR Grail has an entire chapter that discusses this question type. What also distinguishes the GMAT Critical Reasoning Grail is that it helps you master Critical Reasoning in a step-by-step manner, using jargon free language and does not make you dependent on the diagrammatic approach. It is also the only book that provides you 100 Critical Reasoning Questions for practice

The Official Guide Companion for Sentence Correction is designed to be used in

conjunction with the Official Guide for GMAT Review, 2015 and 13th Editions. Written by Manhattan GMAT's 99th-percentile instructors, this book breaks down and explains each of the 140 sentence correction problems contained in the GMAT Official Guide in a clear and simple manner accessible to students of all ability levels. The explanations in this book focus in on the solving process and work to emphasize the connection between sentence meaning, structure, and correct grammar. Furthermore, all explanations align with the methodology and grammar rules taught in Manhattan GMAT's complete courses and provide a framework for answering any

sentence correction questions you may see on the real test.

Purchase of this book includes six months of online access to 6 full-length, computer-adaptive practice exams and GMAT Navigator.
