Pop culture mavens can see whether they've got the lowdown on everything from TV shows to authors to the celebrity scene. Sports fans can show what they know about baseball, basketball, football, golf, hockey, tennis, and more.

The Civil War Era and Reconstruction Macmillan + ORM

From the legendary Famous Trials series of real-life courtroom dramas, two classic murder trials abridged and refreshed as Penguin Specials for modern readers, selected and introduced by Alex McBride, author of *Defending the Guilty* A respectable solicitor in the town of Hay-on-Wye, harried by his troubled wife, slowly and carefully poisons her to death. Pleased with the results, he sees an opportunity for another quick-fix solution and turns his murderous attentions to his business rival... Trapped in a marriage of convenience to an aging man almost thirty years her senior, thirty-eight year-old Alma falls in love with seventeen year-old George, when he answers her advertisement for a 'willing lad' to do the housework. It's the perfect set up - a well-disposed husband and a passionate lover - until George destroys it all by trying to get the husband out of the way... These two classic cases of spousal murder - one chillingly domestic, the other bizarre and touching - took place in 1922 and 1935. In these brilliant reconstructions, they continue to confound our expectations of how murderers are meant to proceed. The legendary Famous Trials series set the benchmark for

historical crime writing with its accounts of the most notorious and intriguing criminal trials of the nineteenth and twentieth centuries. Expertly reconstructed from court transcripts, these often sensational narratives have gripped generations of readers since they first appeared in 1941. In this digital edition, two of the very best Famous Trials have been selected, introduced and further abridged by criminal barrister and author Alex McBride to provide modern readers with the most compelling versions yet of these court-room classics. Alex McBride is a criminal barrister. His book *Defending the Guilty: Truth and Lies in the Criminal Courtroom* was shortlisted for the 2010 Crime Writers' Association Gold Dagger for Non-Fiction and is available in Penguin. He has written for the Guardian, Independent, Prospect and New Statesman, and has contributed to various BBC programmes, including *From Our Own Correspondent*. 'Expert, authoritative, hilarious - an insider's fearless account of life at the criminal bar'*Times Literary Supplement* Books of the Year on *Defending the Guilty*

McClure's Magazine Penguin

Alphabetically arranged, black-and-white portraits of hundreds of people born before 1900 who left their mark on American history and culture. Fully indexed. Brief biographies included.

Famous First Facts Ad Lib Publishers Ltd

"The kind of book I wish I had as a kid!" - Christopher Eliopoulos, author-illustrator of *Cosmic Commandos Get sucked in - literally - to the Land of Anything Goes* with Louie and Bear, in this hilarious graphic novel filled with bizarre new worlds, crazy creatures, and a whole lot of adventure! Perfect for fans of *Hilo* and *Cardboard Kingdom*! Welcome to the Land of Anything Goes! It's a world filled with wild creatures, absurd chicken-boy hybrids, and oh, did we mention the giant winged, kid-eating monster called a Cacapoop? When Louie and his pet hamster get sucked through a portal into a bizarre new land where truly anything can happen, they have no idea the adventure that's waiting for them. Really, they're less focused on adventure and more concerned about the fact that Louie has turned into a wrestler, Scooty the hamster has become Bear the giant bear, and they're now being chased across a purple planet by a terrifying monster! When they find other kids stuck on the planet too, they learn that things are even worse than they feared -- dozens of kids are trapped by the dastardly Hairy Larry, and it's up to Louie to save them all. And if that wasn't worrying enough, Bear can't even find a single burrito to eat! In order to make it home alive, Louie and Bear will have to embrace their destinies and save the day... or be stranded in the Land of Anything Goes forever.

The frank and insightful memoir from much-missed television star Caroline Flack. Known for her throaty laugh, edgy humour and quick-fire wit, showcased on some of Britain's most popular shows, Caroline Flack was the star of reality TV shows from *The X Factor* to *Love Island*, as well as a winner on *Strictly*. In *Storm in a C Cup*, Caroline reveals the laughter and pain behind the TV persona, from a sheltered Norfolk childhood shared with her twin sister, through her madcap student days, to the

challenging career ladder, leading to eventual TV success – and its dark shadow, when intrusive media attention turned the dream into a nightmare. Caroline wears her heart on her sleeve, documenting her joys and heartbreaks with the humour, resilience and unflinching emotional honesty that made her one of television's most popular celebrities.

The Most Famous Man in America John Wiley & Sons

Andy Serkis is best known for his remarkable interpretation of the vengeful and obsessive Gollum in the groundbreaking Lord of the Rings screen trilogy (2001-03). Landing the role presented him with a formidable challenge: helping to bring to life a computer-generated character that was not just technically dazzling but emotionally credible. To play Gollum needed a performer with immense stamina and creativity, requirements which – for audiences and critics alike – Andy Serkis exceeded. But there is far more to Serkis than The Lord of the Rings. When he began work on the trilogy in 1999, he already had 15 years of experience in theatre, television and cinema, portraying characters who were eccentric, complex, and even monstrous. He was always determined to inject humanity and empathy into every part he played, no matter how flawed they may have seemed. It is this level of intensity and commitment that has enriched so many of his roles, from Bill Sykes to King Kong and from Albert Einstein to Ian Dury. Andy Serkis returned to the big screen in 2011 as Captain Haddock in the long-awaited The Adventures of Tintin: Secret of the Unicorn and is now preparing to revisit the persona of Gollum for the cinematic remake of The Hobbit. Author Justin Lewis examines the life and career to date of this most highly principled, hard-working and versatile of actors.

Mr. Lincoln's Camera Man, Mathew B. Brady Courier Corporation

A sequel to the 1979 offering investigates such celluloid gumshoes as Mike Hammer, Miss Jane Marple, Philip Marlowe, Perry Mason, The Shadow, Sherlock Holmes, and The Whistler, as well as those with brief careers, including Kitty O'Day, Tony Rome, and Lord Peter Whimsey. Reveals the characters, the actors, the films, and the literary works that set off the whole chain of events. Includes dozens of movie stills and corrections to the base volume. The Little Book of Robo Investing Penguin

Photographs by Mathew Brady from the Meserve Collection. Biographical. Indexed.

Louie and Bear in the Land of Anything Goes Bloomsbury Publishing USA

"The Pictorial Press: Its Origin and Progress" is a treatise on the use of pictorial form in newspapers. It gives a history on the subject, discussing various events as captured in the newspapers, from Sir Francis Drake's explorations, to various storms and natural disasters of the seventeenth century and the English Civil War. The author emphasizes the fact of universal understanding of pictorial form by even the most illiterate of men.

Viking Summer Vintage

A New York Times Notable Book of the Year "Brilliantly breathes life not only into the perils of living at sea, but also into the hidden dangers of domesticity, parenthood, and marriage. What a smart, swift, and thrilling novel." —Lauren Groff, author of Florida Juliet is failing to juggle motherhood and her stalled-out dissertation on confessional poetry when her husband, Michael, informs her that he wants to leave his job and buy a sailboat. With their two kids—Sybil, age seven, and George, age two—Juliet and Michael set off for Panama, where their forty-four foot sailboat awaits them. The initial result is transformative; the marriage is given a gust of energy, Juliet emerges from her depression, and the children quickly embrace the joys of being at sea. The vast horizons and isolated islands offer Juliet and Michael reprieve – until they are tested by the unforeseen. A transporting novel about marriage, family and love in a time of unprecedented turmoil, Sea Wife is unforgettable in its power and astonishingly perceptive in its portrayal of optimism, disillusionment, and survival.

Famous Trials: Lucky Escapes Sterling Publishing Company, Inc.

'In a world where you can be anything, be kind.' Caroline Flack was the girl who had it all ... beauty, talent, money, fame and a hugely successful career. But, away from the television cameras and the fabulous parties, there hid a lonely, frightened young woman. Caroline was already a rising star when she shot to fame as the presenter of Love Island. With her beauty and her effervescent personality, she was perfect for the role and soon the show was drawing 6 million viewers. Yet, behind the scenes her love life was chaotic. She dated Prince Harry, Harry Styles and Russell Brand before finding love with tennis player Lewis Burton. Her world came crashing down on the night Lewis called 999 to report Caroline was attacking him. Police found Caroline hysterical and the couple covered in blood. Just as it seemed life could not be any worse Caroline was fired by ITV and barred by the courts from contacting Lewis. In this extraordinary and revealing book, Emily Herbert talks with friends and celebrities to reveal the heartbreaking true story of how this beautiful woman crashed from the pinnacle of fame and success to a lonely and tragic death. A donation from the sale of this book will be given to cyber bullying charities.

Famous Movie Detectives II Sterling Publishing Company, Inc.

Noted western historian Robert K. DeArment recounts the remarkable careers of eight men--Pat Garrett, John Hughes, Harry Love, Harry Morse, Frank Norfleet, Bass Reeves, Granville Stuart, and Tom Tobin--who pursued notorious criminals.

The Pictorial Press: Its Origin and Progress University of Oklahoma Press

A blistering critique of the gulf between America's soldiers and the society that sends them off to war, from the bestselling author of The Limits of Power and Washington Rules The United States has been "at war" in Iraq and Afghanistan for more than a decade. Yet as war has become normalized, a yawning gap has opened between America's soldiers and veterans and the society in whose name they fight. For ordinary citizens, as former secretary of defense Robert Gates has acknowledged,

armed conflict has become an "abstraction" and military service "something for other people to do." In *Breach of Trust*, bestselling author Andrew J. Bacevich takes stock of the separation between Americans and their military, tracing its origins to the Vietnam era and exploring its pernicious implications: a nation with an abiding appetite for war waged at enormous expense by a standing army demonstrably unable to achieve victory. Among the collateral casualties are values once considered central to democratic practice, including the principle that responsibility for defending the country should rest with its citizens. Citing figures as diverse as the martyr-theologian Dietrich Bonhoeffer and the marine-turned-anti-warrior Smedley Butler, *Breach of Trust* summons Americans to restore that principle. Rather than something for "other people" to do, national defense should become the business of "we the people." Should Americans refuse to shoulder this responsibility,

Bacevich warns, the prospect of endless war, waged by a "foreign legion" of professionals and contractor-mercenaries, beckons. So too does bankruptcy—moral as well as fiscal.
