Enter the  
world of  
seventeenth-

century  
Japanese  
warfare and  
the warrior  
elite, the  
Samurai.  
Samurai War  
Stories:  
Teachings and  
Tales of  
Samurai  
Warfare is a  
collection of

three major  
texts,  
published in  
an English  
translation for  
the first time.  
These works  
include  
writings on  
three distinct  
military strata:  
the Samurai;  
the Ashigaru

or foot soldier; and women in war. Including guidelines, tactics, commentaries and advice written by Samurai of the period, as well as intricate illustrations. Narratives of actual battles and sieges are included in the texts, such as the famous Battle of Sekigahara. This collection is an invaluable resource that sheds new light on the world of the legendary Japanese warrior. *Lead Pilot at Pearl Harbor*

Potomac Books, Inc. *Living the Samurai Ideal in the 21st Century. The Way of the Modern Warrior* is an explanation of the samurai philosophy of Japan's fiercest warriors, practiced for over 1000 years. The author, Hanshi Stephen Kaufman, has been a warrior for 50 years, first as a member of the military, then as an advisor to the military, and finally as one of the world's most

distinguished martial artists. In his years of experience he has collected the wisdom that comes from practicing martial arts through countless lessons learned and lessons taught. The 55 precepts in his new book are result of those years of experience and they will guide the modern day warrior as they devote energy and creativity to their lives. These principles and philosophies

include Kaufman's insights about: "Arrogance" "Ease and Grace" "Wise Men and Evil" "Being Genuine" "Shame and the Glory" The Way of the Modern Warrior is an essential handbook for the modern-day samurai warrior who lives by honor, duty and service.

**Books to Build on** Via Media Publishing A collection of samurai stories of battles, strategy, conflict, and

intrigue—featuring some of the greatest warriors and military leaders of the samurai era. Martial artist and samurai scholar Pascal Fauliot has collected and retold twenty-eight wisdom tales of the samurai era. The tales are set in the golden age of bushido and represent the pinnacle of traditional Japanese culture in which aristocratic tastes, feudal virtues, and martial skills come together with the

implacable insights of Zen. Some of the stories—like “The Samurai and the Zen Cat”—are iconic; others are obscure. They feature notable figures from samurai history and legend: military leaders and strategists such as Oda Nobunaga, Toyotomi Hideyoshi, and Tokugawa Ieyasu; sword masters; ronin; the warrior monk Benkei, and the ninja-samurai Kakei Juzo, among

many others. These samurai stories are pithy and engaging, and include tales of battle, strategy, loyalty conflicts, court intrigues, breakthroughs in a warrior's development, and vengeance achieved or foregone. Each tale reveals a gesture or an outcome that represents greater insight or higher virtue.

*Samurai War Stories*  
Pearson UK  
The way of the Warrior The samurai

warriors of ancient Japan were taught to fight with their hearts and minds as well as with their swords. But even the best of training doesn't prepare a samurai for every situation... A lone samurai is attacked by two Ronin-- can he keep his head and come out of it alive? Can a samurai with a reputation for being unlucky to defeat a ferocious dragon and regain his honor? A brave girl fights tradition

to learn swordmanship , but can she master the arts of the samurai?

The Samurai's Daughter  
Lulu.com  
Called "remarkable" (The Wall Street Journal) and "an ambitious, colossal debut novel" (Publishers Weekly), Helen DeWitt's *The Last Samurai* is back in print at last Helen DeWitt's 2000 debut, *The Last Samurai*, was "destined to become a cult classic" (Miramax).  
The

enterprising publisher sold the rights in twenty countries, so “Why not just, ‘destined to become a classic?’” (Garth Risk Hallberg) And why must cultists tell the uninitiated it has nothing to do with Tom Cruise? Sibylla, an American-at-Oxford turned loose on London, finds herself trapped as a single mother after a misguided one-night stand. High-minded principles of child-rearing

work disastrously well. J. S. Mill (taught Greek at three) and Yo Yo Ma (Bach at two) claimed the methods would work with any child; when these succeed with the boy Ludo, he causes havoc at school and is home again in a month. (Is he a prodigy, a genius? Readers looking over Ludo’s shoulder find themselves easily reading Greek and more.) Lacking male role models for a

fatherless boy, Sibylla turns to endless replays of Kurosawa’s masterpiece Seven Samurai. But Ludo is obsessed with the one thing he wants and doesn’t know: his father’s name. At eleven, inspired by his own take on the classic film, he sets out on a secret quest for the father he never knew. He’ll be punched, sliced, and threatened with retribution. He may not live to see twelve.

Or he may find a real samurai and save a mother who thinks boredom a fate worse than death. *Ancient Wisdom for Modern Life* The History Press "A book about the samurai from their origins to their disappearance . It dispels a lot of myths about the samurai one might encounter in popular culture. It describes samurai life, work, philosophy, and warfare as it changed

over time from the eighth to the nineteenth century. It covers what samurai were doing when they weren't fighting, and how women and families played a role in forming the samurai class. I also describe how samurai struggled with the crisis of becoming sword-wearing bureaucrats instead of mighty warriors from the seventeenth through nineteenth centuries"-- God's Samurai Routledge

The Samurai Mind is a collection of five seminal Japanese texts that convey the essence of traditional samurai philosophy and ethics from very different, but complementary points of view. These texts range from the ferocious to the esoteric—with their common thread being the importance of mastering one's own mind as the key to overcoming opponents. They were

written from the mid-18th to early 19th century, The authors were acknowledged master samurai warriors keen to address a broader audience beyond their circle of students and acolytes. Their aim was to explain their craft to the outside world, and they do so with great insight. The classic Japanese texts are: The Mysterious Skills of the Old Cat Sword Theory A Treatise on the Sword

Joseishi's Discussions on the Sword Ignorance in Swordsmanship Four of the five texts presented here are translated into English for the first time making The Samurai Mind an important addition to the literature on Japanese martial arts and a valuable resource for all martial artists. This samurai philosophy book is an informative look at the samurai of Japan with particular emphasis on

the warrior's relationship with his samurai sword—the most fabled weapon in history—and on his need to cultivate mental discipline to achieve his goals.

### **Samurai Warriors**

Oxford University Press, USA  
How the samurai cultivated Zen, relating its teaching of a free and spontaneous mind to the experience of a warrior in individual combat, and finding

philosophical strength in Zen as they prepared themselves for death. *Legends of the Samurai* Watkins Media Limited Samurai War Stories Teaching and Tales of Samurai Warfare The History Press Pagoda ; Skull ; & Samurai Tuttle Publishing A Zen monk strides empty handed into a tiger's cage. An Indian master spontaneously empties a bag of gold dust into the air. A young woman lays down the

burden of her dead child and asks the Buddha to accept her as his disciple. Here is another book by the popular author, Vessantara, who takes incidents from the lives of the Buddha, Tibetan mystics and Zen masters and uses them to show how we too can live a more fulfilled life. Full of colorful tales, Vessantara's vivid, imaginative style makes these ancient, well-loved stories

inspiring tools for self-development. Also by the same author: Female Deities in Buddhism, The Mandala of the Five Buddhas, Meeting the Buddhas, The Vajra and Bell *Adventure Stories from Japan* Shambhala Publications Named an Honor Title by the Storytelling World Awards in the category of "Storytelling Anthologies" The samurai prepared themselves for battle

through physical practice, and the study of the arts. These ancient stories that inspired warriors so long ago have special significance for today's teens who face battles of their own: battles against bullies; battles with self-doubt and lack of confidence; and battles with the injustices they see around them. Burt Konzak has taught martial arts for over 20 years and has used

these stories, drawn from sources including the Hagakuri, the Book of Five Rings, and other Japanese classics, to help young people gain emotional and mental strength. Whether or not readers are interested in the martial arts, they will find centuries of wisdom in this fine collection. Samurai Warriors illustrates the truth about the fighting men that are iconic in Japanese culture. Comprehensive historical text on the samurai separate myth from fact in chapters detailing their history, from formation to decline, their political role and social structure, and their warfare. Photographs, artwork, and maps illustrate their fighting style and strategy, and depict battles,

weapons, and armor. For a period of over fifty years, the samurai helped rule Japan, but these fighter still represent the power and prestige of the warrior. Penguin The Book of Samurai series presents the lost arts of the samurai in the English language for the first time. Antony Cummins and Yoshie Minami have brought the teachings of the famed samurai school Natori-Ry? back to life through The Book of

Samurai series, and present the lost arts of the samurai in the English language for the first time. BOOK ONE is a translation of two secret scrolls and establishes the Fundamental Teachings of a samurai student, revealing the basic traditions of Natori-Ry?. The first scroll, Heika J ?dan, contains 290 lessons that define the baseline for samurai during times of peace, a time which is

considered as preparation for war, focusing each student on expanding their own ability and conduct, giving them the mind-set needed for any battles to come. The second scroll, Ippei Y?k?, moves the student onto the field of battle, giving them an understanding of what is expected of them during a campaign of war and providing the necessary guidance for samurai who are to take up

<p>arms for the first time. These first two Natori-Ry? documents are an in-depth and detailed account of the practicality of samurai warfare, opening up the lost world of these Japanese warriors to all modern readers. <i>Samurai St</i> Martins Press "Nimura paints history in cinematic strokes and brings a forgotten story to vivid, unforgettable life." —Arthur Golden, author of</p>	<p>Memoirs of a Geisha In 1871, five young girls were sent by the Japanese government to the United States. Their mission: learn Western ways and return to help nurture a new generation of enlightened men to lead Japan. Raised in traditional samurai households during the turmoil of civil war, three of these unusual ambassadors —Sutematsu Yamakawa, Shige Nagai, and Ume Tsuda—grew up as typical</p>	<p>American schoolgirls. Upon their arrival in San Francisco they became celebrities, their travels and traditional clothing exclaimed over by newspapers across the nation. As they learned English and Western customs, their American friends grew to love them for their high spirits and intellectual brilliance. Warfare is a collection of three major texts, published in an English translation for the first time. These works include writings on three distinct military strata: the Samurai; the Ashigaru or foot soldier; and women in war. Including guidelines, tactics, commentaries and advice written by Samurai of the period, as well as intricate illustrations. Narratives of actual battles and sieges are included in the texts, such as

the famous Battle of Sekigahara. This collection is an invaluable resource that sheds new light on the world of the legendary Japanese warrior. A Novel W. W. Norton & Company Few books have continued their bestselling status centuries after their author's death. Like other classics, such as the Gospels of Jesus, and Lao Tze's Tao Te Chung, there is much

discussion of who actually wrote them and how. What is important is how such books are used. Because only extremely useful books continue in demand at bookstores, especially over generations. This book is entitled A Samurai Master Class, as two additional classics, "The Book of Five Rings" and "Bushido, the Soul of Japan" have been included. No study of this

period would be complete without understanding the strategies, tactics, and ethics of the Samurai. All of us have our journey to follow. In this, the Art of War can become the Way of Peace. This is presented as the old Japanese proverb told, "There are many paths up the mountain." In that spirit, this book is humbly presented for your use. Scroll Up and Get Your Copy Today!

**Zen War**

### **Stories**

Watkins Media Limited  
The classic samurai novel about the real exploits of the most famous swordsman. Miyamoto Musashi was the child of an era when Japan was emerging from decades of civil strife. Lured to the great Battle of Sekigahara in 1600 by the hope of becoming a samurai--without really knowing what it meant--he regains consciousness after the battle to find himself lying

defeated, dazed and wounded among thousands of the dead and dying. On his way home, he commits a rash act, becomes a fugitive and brings life in his own village to a standstill--until he is captured by a weaponless Zen monk. The lovely Otsu, seeing in Musashi her ideal of manliness, frees him from his tortuous punishment, but he is recaptured and imprisoned. During three

years of solitary confinement, he delves into the classics of Japan and China. When he is set free again, he rejects the position of samurai and for the next several years pursues his goal relentlessly, looking neither to left nor to right. Ever so slowly it dawns on him that following the Way of the Sword is not simply a matter of finding a target for his brute strength.

Continually striving to perfect his technique, which leads him to a unique style of fighting with two swords simultaneously, he travels far and wide, challenging fighters of many disciplines, taking nature to be his ultimate and severest teacher and undergoing the rigorous training of those who follow the Way. He is supremely successful in his encounters, but in the Art

of War he perceives the way of peaceful and prosperous governance and disciplines himself to be a real human being. He becomes a reluctant hero to a host of people whose lives he has touched and been touched by. And, inevitably, he has to pit his skill against the naked blade of his greatest rival. Musashi is a novel in the best tradition of Japanese story telling. It is a living story, subtle and

imaginative, teeming with memorable characters, many of them historical. Interweaving themes of unrequited love, misguided revenge, filial piety and absolute dedication to the Way of the Samurai, it depicts vividly a world Westerners know only vaguely. Full of gusto and humor, it has an epic quality and universal appeal. The novel was made into a three-part movie by Director Hiroshi Inagai. For more information, visit the Shopping area *Samurai Wisdom Stories* Tuttle Publishing Through a close critical analysis of Baba Bunko's often humorous, but always biting, satirical essays a new picture of the hidden world of Christianity in eighteenth-century Japan emerges - a picture that contradicts the generally-held belief among Western historians that the Catholic mission in Japan ended in failure. A Christian Samurai will surprise many readers when they discover that Christian moral teachings not only survived the long period of persecution but influenced Japanese society throughout the Tokugawa period.
